# the R. T. HOLMAN CO. LIMITED

## ON THE OPENING OF THEIR MODERN SUPERMARKET

**CORNER ST. PETERS ROAD &  
 FALCONWOOD ROAD**

**MODERN AS TOMORROW** can best describe this new Supermarket where the people of Charlottetown and District will enjoy shopping. The R. T. Holman Company Ltd., by employing up-to-date merchandising methods and by stocking a wide range of products, brings real shopping convenience to the people in this area . . . all this as well as values that will be sure to please the housewife.

**MODERN AS TOMORROW** also describes best, the Husmann food store merchandising equipment installed in this new Supermarket. Designed to provide the ultimate in beauty and shopper convenience. Husmann Canadian-made equipment embodies outstanding features that give food store operators merchandising flexibility, efficiency of operation and the highest values for every equipment dollar spent.

**SOLD AND INSTALLED BY STOREY ELECTRIC LTD.**

The complete line of Husmann store-tested merchandisers, checkouts, condensing units and coils was sold and installed in this new store by Storey Electric Ltd. As the Husmann Distributor in this area they sell, install and service all Husmann equipment. With their factory-trained installation and service department and their modern facilities, Storey Electric Ltd., can provide valuable assistance to the food retailers in Charlottetown and District. With their skill and experience developed through their many years in the food refrigeration industry, Storey Electric can assist in every step of food store modernization.

**HPP (Husmann Profit Planning)** can make your store better — even if you can't make it bigger.
