BARN DESTROYED.—A barn belonging to William Boudrot, at Antigonish, was struck by lightning on Wednesday night, and was destroyed together with all its contents.

READ IT.—The advertisement calling for tenders for heating City Hall building is published elsewhere in to-days issue. The time for receiving tenders expires on the 2nd September.

GOSPEL MEETING.—Remember the Gospel Meeting in Philharmonic Hall, Sunday afternoon at 4 o'clock, conducted by the Railway men. Strangers always welcome. Lesson, Mathew 25-6. "Behold the bridegroom cometh."

CHURCH PARADE.—No. 1. Company, Garrison Artillery, will parade to St. Paul's Church to-morrow morning where a sermon befitting the occasion, will be delivered by Rev. Mr. Bryan. The service at the church will begin at eleven o'clock.

OF LEGAL INTEREST.—The Halifax Herald says: The Bar societies of the Maritime Provinces are moving for an organization upon the lines of the incorporated law society of England. A meeting was held in Charlottetown on Saturday and another in St. John on Monday to consider the proposition. J. T. Bulmer represented the Nova Scotia committee having the matter in hand, and resolutions were passed by the bars of both provinces, warmly endorsing the project. Attorney General Peters was appointed to represent P. E. I. and C. N. Skinner, the president of the N. B. bar society, to represent the N. B. on the committee.

BUTTER AND CHEESE.—The Montreal Gazette of Thursday reports: The cable retained but did not improve upon yesterday's advance in cheese, and on spot the feeling was unchanged, 8¼c being about the highest bid with 8½c and 8¼c common asking prices. Trading under the circumstances was naturally slow. The final settlement of the French cheese sold on Monday is said to have been 8½c. Advices over the wire were not so encouraging as to butter, and the majority of exporters displayed caution in their negotiations, but one fair sale of right fresh creamery, this month's make, was nevertheless made at 18¼c, and several small lots changed hands at 18c.

VALUABLE HORSE LOST.—The well-known trotting stallion Harry C., owned by Mr. H. C. Connolly, of this city, had his right fore leg broken yesterday afternoon, and had to be shot. The accident occurred near the residence of Mr. Simmons, in the vicinity of Upper Pownal Street. Mr. Connolly and a friend were out driving, when the horse got beyond the control of the former and ran away. Before the runaway could be stopped, Mr. Connolly's carriage came in contact with another team, and he and his companion were thrown out, and the horse sustained the injury above stated. The horse was a valuable one, with a record of 2.29½. It is said that Mr. Connolly was stunned by the fall from the carriage.

SUBSCRIPTION LIST.—The Opera House people intend placing a subscription list at Dodd's and Rankin's Drug-stores to ascertain what patronage will be accorded Madame Albani, the famous Canadian songstress, in the event of her appearance in Charlottetown in November next. The price of seats will range from $1.50 to $2.50. Madame Albani's manager requires a guarantee of $1,000 at least. It is not often that the theatre-going people of Charlottetown are afforded an opportunity of hearing a singer of the reputation of Madame Albani, and the chance of doing so now is in their own hands. It is hoped that they will not be slow to avail themselves of the opportunity afforded them by the managers of the Opera House.

MR. DAVIES RESPONSIBLE.

SIR,—At Fredericton Junction, N. B., in the course of a public speech the Hon. Mr. Blair, Minister of Railways, stated that another thing they were not going to do, and he, as Minister of Railways, would not remain in office an hour if it were done, they were not going to say to the thousand of men employed on the Government rails ways: 'You have got to vote for the Government or lose your positions.' He wanted it known that the Government was going to give its employes the free exercise of their franchise. "So long as employes do not make themselves offensive they shall be allowed to vote as their judgment dictates." This appers to be a declaration from Mr. Blair that he will not dismiss a Railway employe for having voted as his conscience dictated. The recent dismissals on the Prince Edward Island railway on account of political leanings must therefore be charged to the Mon. Mr. Davies the acting Minister of Railways. Mr. Davies is still acting Minister and is, of course, at present able to dismiss his political opponents. It is well to know who the responsible party is. We have, however, Mr. Blair's own words that he will not remain an hour in office if railway employes are dismissed for political reasons. Mr. Davies must therefore get all his work done before he hands over the Railway Department to the permanent minister whoever he may be.

OBSERVER.

MR. TANTON'S LETTER.

SIR,—Mr. L. P. Tanton deserves much credit for the communication in last night's EXAMINER, which seems to have the right ring about it. The Scott Act has been made too much use of as a political machine and the quicker it is repealed the better for the city and all parties. The city will gain and so will the hypocrites referred to in Mr. Tantoa's letter, for they will be deprived of one of their greatest temptations. The great trouble with these gentlemen is that they don't think that their failings are well known. If they, knew that the public are on to them things would be better. If, therefore, information of this knowledge could be given them much good would unquestionably follow as they would likely take off their hypocritical masks. Mr. Tanton had better take the matter in hand.

SIR,—The low price realized at auction yesterday for shares in this association is very discouraging to Shareholders. Shares the par value of which is $100 only realized from $26 to $28 when placed on the market. There must be something radically wrong to produce such extraordinary results. Yours.
