**HOTEL REOPENED.**—The Commercial Hotel, Moncton, has been reopened by Mrs. James Macdonald, formerly proprietress of the Seaside House, Point Du Chêne.

**SOME POTATOES.**—It is stated that twenty-four thousand six hundred bushels of Quebec potatoes were shipped into the United States since last week. The increased demand is a result of the war.

**STORM AT TIGNISH.**—A severe thunder and lightning storm took place at Tignish yesterday. The thunder and lightning lasted only a few minutes, but in that short time struck a barn belonging to Mr. E. P. Crawford, of J. H. Myrick & Co. Tignish Store, killing his horse and setting fire to his barn. The flames were put out before any great damage was done.

**WELL WORTH SEEING.**—The show window of Reddin Bros. Drugstore is appropriately draped out of respect to the memory of the late Right Hon. W. E. Gladstone. In the centre of the drapery, and between the British flag and the harp of old Erin, is an excellent likeness of the departed statesman. In the foreground are distributed natural shamrocks. The draping is the work of Mr. William Brown.

**LARGE TROUT.**—One of the handsomest specimens of trout that has been seen in this city for some time is on exhibition in the show window of Large's restaurant. It weighs four pounds and an ounce, cleaned. The trout was captured by Chief Engineer Large, but he declined to take the reporter into his confidence as to the source of supply.

**PERSONAL.**

Hon. Wm. Harty's ill-health has again made it necessary for him to drop his departmental duties and go to Wolfe Island to recuperate. Hon. Richard Harcourt will, as usual, act as Minister of Public Works.

The Detroit Evening News contains a very good likeness of Rev. F. C. Kelley, son of the late Mr. John Kelley, of Charlottetown, who has been appointed Chaplain to the 32nd Michigan Infantry with the rank of Captain. In connection with the likeness the following sketch is given: Rev. Fr. Frank C. Kelley, recommended by Bishop Foley for chaplain of one of the regiments, was one of the first clergymen in this state who offered their services. He is a native of Prince Edward Island, was ordained in Canada about five years ago for this diocese, and is now pastor of the Church of the Immaculate Conception at Lapeer, to which the missions of Inlay City and Davison are attached. Fr. Kelley is an up-to-date clergyman and rides a wheel.

**The Coming of Baby.**

When a baby comes to the house real happiness comes. The care and anxiety count for nothing against the clinging touch of the little hands and the sound of the little voice. The highest function given to human beings is bringing healthy, happy children into the world. Over thirty years ago the needs of women appealed to Dr. Pierce, now chief consulting physician to the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y. The result of his study, improved by thirty years of practice is embodied in Dr. Pierce's Favorite Prescription. It strengthens, purifies and makes healthy the organs dietetically feminine. It gives weak women the strength and health necessary for the production of healthy children and it makes the bearing of those children easy. It is sure to cure any weakness or derangement peculiar to women; stops pain, soothes inflammation, strengthens, purifies, invigorates.
