Hope for the Afflicted!

HALIFAX, N. S., May 13.
MR. SAMUEL STORY, 3rd,
Agent for S. P. Townsend's Sarsaparilla,

SIR,—Having been afflicted for the last 12 months, with an affection on the Lungs, which prevented me attending to my work as well as I could wish, during which time I was under three Doctors' hands, and must say I derived no benefit whatever, and began to despair of ever getting better. I was induced to try P. Townsend's Sarsaparilla, that you are agent for, by seeing it advertised, and after using two bottles found immediate relief, and am now able to attend to my work as usual, I sincerely believe it has been the means of restoring me. I have also been afflicted with the Piles for the last seven years, and when I began using your valuable Sarsaparilla to my astonishment I was cured.

JOHN BRENNAN, Cooper.
No. 81 Albermarle-street, Halifax, N. S. worn to at Halifax, before me, this 13th day of May, 1850. A. KEITH, J. P.

It is with much pleasure that the Agent for P. E. Island, thus again makes known the wonderful qualities of Townsend's Sarsaparilla, as exemplified in the above cure. This Medicine must now be acknowledged by all to be one of the greatest blessings of the age.

Royal Agricultural Society.

WE insert the following advertisement GRATIS. Though the Committee of the Society, through gross political partiality, declines to patronize our paper—we being the ONLY Journalist in the town who do not receive its money—we still think the information contained in its advertisements ought to be afforded to those who, by their taxes and subscriptions, keep the society in being. Farmers will duly appreciate the motives of the Compact-ridden society in refusing to pay us for our services as other Printers are paid.—

FIRE! FIRE!! FIRE!

TO THE PUBLIC!

THE Subscriber, with some degree of confidence, begs to call the attention of the Public to the great and peculiar advantages which persons will enjoy, by effecting Assurances with the

Alliance Life and Fire Insurance Company, OF LONDON.

These advantages are—
First.—PERFECT SECURITY.—It must be admitted, that a Capital of £5,000,000 sterling under the immediate management of such a wealthy and influential body as the Directors of this Company, affords perfect security to the Assured.

Secondly.—HONOR AND LIBERALITY on the part of the Company has ever characterized all its transactions. As the assured in this community have invariably experienced this FROM THE COMPANY, during the last Eleven years nothing further need be stated upon this head.

Thirdly.—The purchase of this advantage at a moderate rate. It is material to know, that while from the largeness of the Capital, which is alone answerable for losses, the Assured not only enjoy perfect security, but also are privileged to participate in the profits of the Company, which are declared and divided at the expiration of every successive period of Five years. This participation will be returned to the Assured in the form of percentage on the Premiums that have been paid. In the year 1848, the Subscriber paid to the Assured, £1000 to receive this percentage, a fair return, and during the present month, the Subscriber has had much pleasure in paying to various gentlemen who have assured with the Company, for the last five successive years, the handsome return of Seven and a half per cent.—one of whom received the large amount of £419s. 9d., Island currency, as his proportion.

The Directors have removed the restriction relative to the burning of Camphene. This Oil may now be used in buildings assured by the Alliance.

The advantages above stated have reference also to the Life Department.

If the Public really want PROTECTION against the devouring element of FIRE, especially at this season of the year, they can obtain it by applying to the Subscriber, who will be happy to take risks at fair Rates of Premiums, against FIRE, and issue Policies on LIFE, on satisfactory terms.
