UPEI Women's Hockey Team Looks Strong in Tie

By Matt STEWART

The UPEI Women's Hockey Panthers earned a valuable point with a tie against a strong squad from UNB this Sunday in Crapaud.

Lisa Cameron, Jennifer Sullivan, and Anne Shaw did the scoring for the Panthers, while goaltender Brandy MacLellan faced 33 shots and stopped 30.

The Panthers will see action again this weekend when they face-off against Mount Allison in Sackville on Saturday night.

The Women's Hockey Panther's level of play has improved steadily since the start of this season and the team looks strong as the play-offs begin to appear on the horizon.

Players of the Week

Adam Campbell: Male

The male player of week fourteen of the sports season is Adam Campbell. Saturday, Adam had a key role in the hockey team's 3-2 victory over Saint Mary's. Campbell was a factor on every UPEI goal as he recorded two goals and an assist. Adam is from Barrie, Ontario and is in his second year of the business program. Before coming to UPEI Adam played with the Guelph Storm. Adam enjoys going to movies, and hanging out. And for anyone that is wondering, Adam is not related to Wayne Campbell.

Katherine Walters: Female

The female player of week fourteen of the sports season is Katherine Walters. Katherine played two solid games against UNB this past weekend, where she averaged 14 points and 8.5 rebounds. Katherine is a graduate of Colonel Grey High School, and is currently in her second year of the business program. In her spare time Katherine enjoys reading, soccer and playing the Dare Game. Katherine's future plans include either going to law school or becoming a forensic scientist.
