

IT IS REALLY SURPRISING HOW READILY BENTLEY'S LINIMENT

takes hold of and quickly CURES Sprains, Strains, Kiaks, Cramps, Bites, Bruises, Burns, Coughs, Colds, Croup, Rheumatism, Sore Throat, Neuralgia, Chapped Hands, Scalds and all pains and aches that afflict mankind. It is the recognized Family Remedy in thousands of Canadian homes, all of whom can testify to its remarkable powers, and we print herewith a few of their opinions.

Mrs. Colin McEwen, Kempton, N. S., writes, January 23, 1906:
"I have used BENTLEY'S LINIMENT for both myself and children, and as a cure for sore throat, soreness of the chest, etc. I have never found anything to equal it."
Mrs. Maggie L. Christie, East Mountain, P. Q., N. S., writes November 21, 1899:
"I recently used BENTLEY'S LINIMENT for a severe case of enlarged tonsils in my daughter. She had whooping cough, which greatly aggravated the trouble, and I became alarmed at the symptoms. I bathed her throat freely with BENTLEY'S LINIMENT for a few days and the cure was marvellous."
Chas. McCallum, Passville, P. Q., writes, November 15, 1901:
"I find BENTLEY'S the best liniment and my customers prefer it to any other."
J. H. Armstrong, Quebec, P. Q., writes, February 30, 1901:
"I have used BENTLEY'S LINIMENT for a sprain and can highly recommend it."

Alderman Ryan, Halifax, N. S., writes, April 12, 1900:
"I have used BENTLEY'S LINIMENT and found it the best I ever tried, and can heartily recommend it."
F. X. Knouac, Warwick, P. Q., writes, July 17, 1902:
"A few days ago, getting out of a wagon at St. Henedine, my foot slipped and I struck my leg against the wheel and hurt it severely. It was extremely painful and I was afraid that I would have to lay up. However, I was induced to try BENTLEY'S LINIMENT, and two applications made a complete cure. I can recommend it with pleasure."
F. X. Knouac, representing the Warwick Clothing Manufacturing Co., of Warwick, P. Q.
Geo. W. Arkin, Lower Mills, writes, Aitkins Ferry, July 5, 1901:
"I have used BENTLEY'S LINIMENT and can highly recommend it. I had a sore on my knuckle and tried several remedies without avail. The soothing of my hand prevented it from healing. Two applications of BENTLEY'S LINIMENT made a complete cure."

Un vol de \$10,000

Des voleurs, pendant la nuit, ont pénétré dans la villa de M. Louia Boissevain, banquier à New-York, et ont mis la main sur des bijoux et des pièces d'argenterie évalués à \$10,000. Parmi les bijoux volés se trouvent plusieurs bagues en diamant, un collier de perles, plusieurs montres et des chaînes. Toutes les recherches faites par la police de New-York n'ont pu amener l'arrestation des voleurs. Ce vol qui remonte à plusieurs jours, avait été tenu secret par la police, qui est aujourd'hui impuissante à retrouver ses auteurs. Cependant, d'après les poices, les voleurs seraient des anciens domestiques ou des gens connaissant admirablement les habitudes de la maison. En effets le vol a été commis pendant la nuit sans que les portes ou les fenêtres soient fracturées, et les bijoux ont été retirés d'un coffre-fort qui n'a pas été forcé. De plus, les voleurs ont pénétré dans plusieurs chambres où ceux qui s'y trouvaient dormaient du sommeil juste, et ont pu faire ce vol la sans réveiller personne. Dans le coffre-fort se trouvait une somme de \$160 en billets de banque qui, naturellement, a disparu comme les bijoux.

The Pony Coat

The pony coat of pony skin is a high novelty of the season. This good-wearing fur is dyed in many colors and make up in combination with cloth and braid. An imported novelty is a tan pony-skin coat made in pony style. Around the bottom of the coat and up the front, as well as the sleeves, tan cloth the same shade is inserted. This cloth is trimmed with the narrowest of silk braid a shade darker, while outlining the joining of the fur and the cloth is an applied design of wider silk braid three or four shades darker than the cloth and fur. This same style coat is also seen in gray caracul with the cloth in light blue, but almost entirely covered by rows of narrow gray silk braid. Hercules braid in a darker shade of gray defines the edge of the cloth.—Grace Margaret Gould in *Woman's Home Companion for November*.

Mr. G. O. ARCHIBALD'S CASE.

Didn't Walk for 5 Months. Doctors said Locomotor Ataxia.

Milburn's Heart and Nerve Pills Cure a Disease hitherto regarded as Incurable.

The case of Mr. G. O. Archibald, of Hopewell Cape, N.B. (a cut of whom appears below), is one of the severest and most intractable that has ever been reported from the eastern provinces, and his cure by Milburn's Heart and Nerve Pills the more remarkable from the fact that he was given up as incurable by worthy and respected physicians.

The disease, Locomotor Ataxia, with which Mr. Archibald was afflicted is considered the most obstinate and incurable disease of the nervous system known. When once it starts it gradually but surely progresses, paralyzing the lower extremities and rendering its victims helpless and hopeless, enduring the indescribable agony of seeing himself die by inches.

That Milburn's Heart and Nerve Pills can cure thoroughly and completely a disease of such severity ought to encourage those whose disorders are not so serious to try this remedy.

The following is Mr. Archibald's letter:

Messrs. T. Milburn & Co.—"I can assure you that my case was a very severe one, and had it not been for the use of Milburn's Heart and Nerve Pills I do not believe I would be alive to-day. I do not know, exactly, what was the cause of the disease, but it gradually affected my legs, until I was unable to walk hardly any for five months. I was under the care of Dr. Morse, of Miramichi, who said I had Locomotor Ataxia, and gave me up as incurable. "Dr. Solomon, a well-known physician of Boston, told me that nothing could be done for me. Every one who came to visit me thought I never could get better. "I saw Milburn's Heart and Nerve Pills advertised and thought I would try them anyway, as they gave more promise of helping me than anything I knew of. "If you had seen me when I started taking those wonderful pills—not able to get out of my room, and saw me now, working hard every day, you wouldn't know me. "I am agent for P. O. Vickrey, of Augusta, Maine, and have sold 300 sub-scribers in 30 days and won a fifty dollar prize. "Nothing else in the world saved me but those pills, and I do not think they have an equal anywhere. "The seven boxes I took have restored me the full use of my legs and given me strength and energy and better health than I have enjoyed in a long time. G. O. ARCHIBALD, Hopewell Cape, N. B.

In addition to the statement by Mr. Archibald, we have the endorsement of two well-known merchants of Hopewell Cape, N. B., viz: Messrs. J. E. Dickson and F. J. Brewster, who certify to the genuineness and accuracy of the facts as given above.

Milburn's Heart and Nerve Pills are sold in a box, or a 3 for \$1.25, at all drug stores, or sent by mail to T. Milburn & Co., Toronto, Ont.
