CORRESPONDENCE crowded out.
We keep no folks at Rocklin House who get tight, and rouse people up with their noises at night.
It is said that the Hungarian Cabinet may be seriously compromised in consequence of Zichy, one of the Secretaries of State, being accused of corruption in the confinement of decorations.

A MEETING of the electors of Ward 3 will be held this evening, 25th inst., at 8 o'clock, in the Hall in the rear of the Railway House, Richmond street, for the purpose of choosing a fit and proper person to represent the Ward in the Common Council.

We direct special attention to the large and attractive sale of table appointments, to take place at W. D. Stewart's auction rooms, Queen street, on Tuesday next. Mr. Stewart has the largest, most comfortable and commodious saleroom in this city. Customers attending the sale will find ample accommodation.

HON. J. C. POPE, Minister of Marine and Fisheries, was in Summerside on Tuesday and Wednesday last. He was accompanied by Mr. Wilmot of the Fishery Department, who paid a visit to Dunk River, with a view of locating a fish breeding establishment. We understand that Mr. Wilmot is of opinion that all our rivers can be stocked with salmon at very little cost.—Progress.

The following is a good way to kill a town: Underrate every present and prospective enterprise; speak ill of the churches and schools; tell everybody the hotels are bad; enlarge the vices of the people, especially the young people; withhold the patronage from your merchants and tradesmen, and buy your goods and groceries at some other place; never subscribe for the daily papers, and, if you are in business, refuse to advertise.—Ez.

A BABY SHOW.—Daisy Golding, a child 13 months old and weighing 75 pounds, will be exhibited in St. John about the time the Governor General and Princess visit the city. The child, which was of the ordinary size at its birth, has increased in weight from 4 to 5 lbs. every month since, and still keeps growing. The child is in charge of its mother, and is said to be a great curiosity.—Freeman.

Vanity Fair says that, not long since, Lord Sydney, Lord Salisbury, Lord Dufferin and Lord Hartington were assembled together, when they were asked by a lady which of them had told the greatest number of lies in their life. Lord Sydney at once replied that he had never told any, upon which Lord Salisbury, remarked reflectively that it was his and Dufferin's trade to tell lies. The lady then said, "Count Schouvaloff declares that he never told a lie in his life." Upon this Lord Hartington observed solemnly, "Ah! he never grasped the meaning of the word."

CALEDONIA CLUB.—A number of Scotchmen came together on Thursday evening last, and formed a Club to be called the "Prince County Caledonia Club." The following were elected as the officers:—

Chief—Neil McKelvie.
1st Chieftain—Stephen McNeill.
2nd Chieftain—Finlay McNeill.
3rd Chieftain—Dr. Sutherland.
Piper—Colin D. McKinnon.
Recording Secretary—Chas. McNeill.
Treasurer—Neil McKelvie.

Committee of Management—Murdoch McLeod, Centerville, A. P. McLellan, John McKenzie, Angus McSween, J. D. Emma, John L. Thomson, A. J. McLellan.

On the meeting separating, they marched through the principal streets of Summerside, to the time of the "Campbell's are coming," played in good style on the bag-pipes by Mr. McLeod of Centerville. Next year the Club intend to have a Highland Gathering, games and prizes.—Progress.

The Floods in England.

WHEAT AND HAY ROTTING IN THE FIELDS—TOWNS SUBMERGED—FOUR DAYS' INCES-SANT RAIN.

Further reports from various parts of England, up to the 22nd inst., show the terrible effects of the storm which is devastating the country. At Ipswich the roads are flooded to the greatest depth ever recollected. At Helesworth there are four feet of water in the streets, and the shops are submerged, the people being conveyed about in carts. At Frawlingham a great flood prevails—in fact, such a one has not been known for the last fifty years. The river banks and many acres of grass and corn are submerged. Large quantities of hay have been swept away. All railway traffic between Ipswich and Yarmouth has been stopped by the floods, two bridges having been carried away by the torrent. Heavy rain has fallen at Berwick-on-Tweed almost incessantly for four days, and the consequences are exceedingly disastrous to agriculture, because the hay is unmade and the wheat rotting in the fields. Gales continue to blow at most of the west coast stations, and the weather is quite severe for the season.

Killed by Lightning.

At Guysborough, N.S., on Thursday the house of Richard Haden, was struck by lightning and completely wrecked. Mrs. Haden was killed instantly. Mrs. John Mann, who happened to be present, was also struck by lightning and rendered insensible, but hopes are entertained of her recovery. Mr. Haden and a number of children who were also present, escaped without serious injury.

To the Electors of Ward Five.

GENTLEMEN,—Having been again solicited by a number of the tax-payers of Ward Five to offer myself as a candidate for Councilman at the approaching Civic Election, I take pleasure in responding to their request. Should I be honored with your liberal support, I shall place my humble abilities at the service of the City, and of Ward Five in particular, of which I am an old resident. I shall also deem it my duty to urge retrenchment in all cases, and endeavor to lessen the burdens which now press so heavily upon us. Trusting to be favored with your confidence,

I remain yours, respectfully,
J. W. MITCHELL.
