International Corporation with offices throughout U. S. & CANADA, members of U. S. CHAMBER of COMMERCE, WASH., D. C., (financial bank references) seek several honest, industrious persons to operate 3c counter automatic vending merchandiser routes (thirty different products). Products are enormous (150 to 400¢), all profits are NET PROFITS as there is no expense as you operate from your home. We establish your route most convenient to your home, free of charge.

Education, experience, age or physical disability is of no importance. Qualifications are you must have 5 to 6 hours spare time weekly, references for character, honesty and \$996 capital, IMMEDIATELY AVAILABLE, as investment (fully secured by brand new equipment). Each additional \$996 investment increases profit income in proportion and also receives ADDITIONAL \$200 MONTH WRITTEN GUARANTEE.

Prefer ambitious applicants who would be willing to work to build up the business (with our assistance) to over \$10,000 profit yearly in spare time. The operators selected will be helped to this end by our corporation's very liberal financial credit expansion program. Great fortunes have been made, real quickly, in U. S. A. in this stable, rapidly growing multi-billion dollar industry. Indications are just as great fortunes will be made in Canada, now that Canada has lifted its embargo against U. S. vending machines.
