Kidd Steals Spotlight Sat. While Jerome Is Failure

By JACK SULLIVAN
Canadian Press Sports Editor

PERTH (CP)—Bruce Kidd of Toronto and Dick Pound of Montreal mounted the victory rostrum in track and swimming respectively Saturday at the British Empire Games while Australia took a stranglehold on the unofficial team championship and Canada moved into third place behind England.

Kidd's stirring victory in the six-mile run—the crowd of 18,000 stood and cheered as he sprinted the last two laps—and Pound's upset win in the 110-yard freestyle swim went a long way toward wiping out the failure of Vancouver's temperamental Harry Jerome in the 100-yard dash final.

Jerome, the only man in history to share the world 100-yard and 100-metre records simultaneously, broke down physically and mentally at the halfway mark in the 100-yard final and finished sixth and last.

SLOWER THAN JEROME

Serafino Antao of Kenya won the gold medal with a 9:13.6 clocking—3-10ths of a second slower than the world record Jerome equalled in the Canadian games trials last August.

But Kidd's victory undoubtedly was the track triumph of the day.

The 19-year-old student in political science at the University of Toronto shattered the games record with a time of 28 minutes, 26.6 seconds for the six miles while running the distance competitively for only the third time in his life. The best Kidd has ever run the distance in is 28:09.4.

Fifty yards back in the 84-degree heat was Australia's defending champion Dave Power, badly beaten by the final spurt turned on by the Canadian track prodigy who already is being compared with such world greats as distance runners Vladimir Kuts of Russia and Emil Zatopek of Czechoslovakia.

In the 110 freestyle, Pound, a 20-year-old graduate law student at McGill University of Montreal, equalled the games record of 55.9 set the previous day by Scotland's Robbie McGregor. It was McGregor who Pound nipped to win the gold medal.

The Montrealer was the first Canadian to win this event since Peter Salmon of Victoria turned the trick in the 1950 games. No Canadian had ever won the six-mile race until Kidd did it.

All told, a dozen championships were decided Saturday in track and field, swimming, lawn bowling and fencing.

Canada picked up five medals for a total of seven, but the Australians had 19 after two full days of competition and were threatening to make a runaway of the games.

In the team standing based on the unofficial but traditional 10-5-4-3-2-1 system of scoring the first six placings in each event, Australia was way out in front with 153½ points. England, with three gold medals in swimming, fencing and lawn bowling, was second with 72 points. Canada picked up 39 points Saturday to move up a peg to third place with 49 points. Fourth - place New Zealand had 37.

Australia's fabulous Dawn Fraser and England's breaststroke star Anita Lonsborough shattered their own world records to give their countries gold medals.

WINS BRONZE MEDAL

Mary Stewart of Vancouver took the third - place bronze medal in the 110 freestyle behind Miss Fraser and another Australian, Robryn Thorn. Miss Stewart's time was 1:04.4, 1-10th of a second outside her best time.

Aldy Meinhardt of Vancouver won the bronze in the men's 110 - yard butterfly, behind Berry and another Australian, Ned Hayes. Meinhardt's time was 1:02.6, Hayes's 1:02.3.

Other Canadian finalists in addition to Jerome, who slipped to 10 seconds flat after clocking 9.6 and 9.5 seconds in the second round and semi-finals earlier in the day, were:

Sandy Olliver ist of Ocean Falls, B.C., fifth in the men's 110-yard freestyle swim in 57.7; Meindhardt seventh in the same event in 59.3; Patty Thompson of Kitchener, Ont., sixth in the women's 110-yard freestyle in 1:05.1; Alison Glendenning of Hudson Heights, Que., eighth in the women's 220-yard breaststroke in 3:03.6, and Hylke Van Der Wal of Hamilton, eighth in the steeplechase, no time given. Lawn bowling and fencing.

The English Lawn Bowling fours won the gold medal with Canada 10th in the 11-country tournament in the fields. England's men's team captured the championship with a perfect record. Australia was second with 10 victories.

In rowing, Canada's coxless four came from behind to trounce New Zealand by five boat lengths in 7:19.9, the fastest time of the day, and will be strong possibilities for a gold medal in next Tuesday's final.

The eight-oar crew of University of British Columbia crew was beaten by one-third of a length by a strong New Zealand team, but will have another chance to reach the final when the losers in preliminary heats meet in the repechage Monday.

New Zealand led from the start in the eights and looked to be an easy winner until the last 200 metres of the 2,000-metre course when the UBC oarsmen put on a dramatic spurt and almost closed the gap.

Conditions were poor when the Canadian heat started, with a strong breeze whipping up white-capped waves.

Crew paired oars, Bob Stubbbs and Marty Gifford of Vancouver were beaten by 12 lengths by an English pair.

TRAILS 22 LAPS

Kidd's gruelling six-mile race proved to be the most exciting event. For 22 of the 24 laps around the quarter-mile track, Kidd moved along almost casually right behind Power, the 34-year-old Australian veteran.

With a half-mile to go, the wiry Canadian spurted, running away from Power with a 65.6 final lap.

Kidd said afterwards that he is definitely running in the three-mile Monday but hasn't made up his mind about the six mile or marathon.

Kidd said the marathon to him is "a very slow jog" and he hopes to be the first Canadian to break the four-minute barrier in the mile.

The erudite youngster slipped off his shoes and cooled his feet in the steeplechase water jumps after the victory in which he knocked 13 seconds off Power's games mark.

25 Records Set At Swim Meet

Twenty-five records were set at the second annual 'Y' swimming and diving championships held at the Charlottetown 'Y' pool.

Setting the pace was Bruce Roper, a 13-year-old, who copped five straight wins and proceeded for himself the Henderson and Cudmore trophy, emblematic of the top male swimmer at the meet.

Frances Whitlock was winner of the Bike Shop trophy which went to the meet's top female. She set two new records in her own age group and a new record in the women's 440 free style. Runnerup was Heather MacLean. Runnerup in the male division was Frank Roper.

T Lloyd Shaw was the top diver and took the Fred C. Burns trophy. E. O'Brien was runner-up and Ian Hume was third.

Ticats Sideline Alouettes To Advance Into Grey Cup

By WILF GRUSON

HAMILTON (CP) — Tiger - Cats, striking with explosive brilliance for two quick touchdowns in both the first and third quarters, defeated the desperate Montreal Alouettes 30 - 21 Saturday in the second game of the Eastern Football Conference final to advance into the Grey Cup classic again.

The Tiger-Cats, 28-17 winners over the Alouettes a week ago, won the two-game, total-points final 58-38 and now will meet Winnipeg Blue Bombers, the Western champions, next Saturday for the Grey Cup for the fifth time in six years. The only year that the Ticats beat the Bombers in their last four Eastern finals was in 1957 when they won 32-7.

Hamilton, the outstanding club in the East all-season long, appear to be at their peak for the decisive battle for this year's national football crown. They now have won six straight games, including the last four of the regular schedule, and their well-balanced attack is operating better than ever under the guidance of Joe Zuger, their sensational rookie quarterback.

TEMPERS FLARE

The game erupted into a near free-for-all in the final minute of the regular schedule, and another fist-throwing battle between two players near the Montreal bench after the game ended.

Zuger, a 22-year old import from Arizona State College passed for two touchdowns and fullback Bobby Kuntz scored another in gaining 166 yards in 26 carries in a tremendous ground - gaining performance. Halfback Tommy Henley caught one touchdown pass from Zuger and another from Jamie Caleb. The other Hamilton touchdown was scored by end Dave Viti on a pass from Zuger.

Don Sutherin converted three of the four touchdowns and picked up another point on a missed 26 - yard field goal attempt. Zuger got Hamilton's two other points with singles on two kicks.

Sandy Stephens, the Alouettes' $20,000 - a - year rookie quarterback from the University of Minnesota, fired passes to halfback Meco Poliziani and end Marv Luster for two of Montreal's three touchdowns. The other was scored by fullback Larry Hickman and all three were converted by Bobby Jack Oliver.

The bruising blocking and tackling touched off a melee between the players with less than a minute to play. It started when tackle Ed Nickla of the Alouettes whacked Kuntz over the head and players from both benches streamed on the field to mix in the shoving and fist-swinging. Nickla, Kuntz and Elison Kelly of Hamilton were ejected from the game after coaches Perry Moss of Montreal and Jim Trimble of the Tiger-Cats went on the field to aid the game officials in separating the players.

After the game ended tackle Angelo Mosca of the Ticats, a former Montreal player who has a reputation as being one of the roughest men in the league, went over to the Montreal bench to shake hands. End Jim Reynolds of the Alouettes took a swing at him, ducked under a return blow and tossed the Hamilton lineman to the ground before the rest of the bitter and disappointed Montreal players broke it up.

The game was played under near perfect weather conditions —sunny skies with scattered clouds, a temperature of about 40 degrees and a northwest wind of 15 to 20 miles an hour.

The Tiger - Cats rolled up a total offence of 404 yards and 21 first downs, with 251 yards by rushing and 233 by passing on 13 of 21 pass completions, of which Zuger tried all but two attempts.

DEFENCE LIMITS DIXON

Hamilton's rugged defence held the spectacular George Dixon fairly well in check. The league's rushing and scoring leader gained 84 yards in 20 carries to account for most of the 169 yards the Alouettes gained along the ground. Stephens completed seven of 18 passes for 155 yards and had two intercepted. The Als picked up 19 first downs.

Hamilton scored the first time they got the ball in the first quarter. Henley took Zuger's pass from the Montreal 28 at the 21 and evaded several Montreal tacklers to race down the sideline for the touchdown that topped off a 46-yard drive.

Less than three minutes later Henley scored again, jumping high in the end zone with three tacklers around him to catch a pass from Caleb from the Montreal 32 after he took a pitchout from Zuger. Corner linebacker Zeno Karcz paved the way for the touchdown by intercepting a Stephens' pass and running to the Als' 32.

Montreal got its first touchdown on the fourth play of the second quarter when Stephens finished off a 77-yard drive by firing a 23-yard pass to Poliziani deep in the end zone. The Alouettes ground out their second touchdown with less than two minutes to go in the quarter, Hickman diving over from one-yard out after they had gambled three times on third down and made it.

PASSES TO PATTERSON

The Tiger - Cats then came back with its third touchdown in three plays from the Hamilton 42 after the second - half kickoff. The big play was a 43-yard pass from Zuger to Hal Patterson at the five-yard line from where the Hamilton quarterback passed to Viti in the end zone.

Royals Edge Eagles 3-2; Stu McLure Fires Winner

SUMMERSIDE — With 48 seconds to go in the game, Stu McLure beat RCAF goaler, Campbell from close in to give the visiting Royals a 3-2 victory over the Eagles at RCAF station rink yesterday afternoon. But it was victory in defeat for a fighting band of airforce boys who, with Tucker, Bruce and Dwyer missing from the lineups gave the league-leading Royals a battle all the way and proved to many doubting Thomases that they could hold their own in Island Senior Hockey after all.

Steve Phillips scored both goals for RCAF, giving him a total of eight in four games played. The game was a rugged encounter, but cleanly played and referee Whelan and Burnett handed out only six minor penalties four going to the Royals. Eustace Reeves received a gash in the mouth from a high stick in the second period and was forced to retire from the game.

The goal-tenders were particularly brilliant. Campbell, newcomer to the Eagle net, rose to high heights, turning aside many labelled shots, and young McInnis was no far behind, thwarting the Eagles again and again as they directed sizzling shots at his citadel.

It took the Royals only 32 seconds to notch their first goal, Apps Arsenault sweeping a quick one past Campbell on a pass-out from the corner. The sparkling tilt settled back to wait the inevitable parade of Royal goals, but they never came. The period ended 1-0.

Allie Carver snared the puck from an RCAF defenceman in Eagle territory with a minute and 42 seconds left in the middle session and the period ended that way. Campbell making the score 2-0 and the period ended that way.

Steve Phillips got his two counters in the final period, getting the first one unassisted a minute after play had started, and taking a pass from Bill Smith to beat McInnis with a beautiful rising shot just inside the blueline seven minutes later. The teams fought hard on even terms for eleven minutes until McLure broke the deadlock. Coach Gilpin took his goalie out with a minute to go, but the Eagles couldn't do anything about their one-man advantage.

SUMMARY

First period: 1. Royals— A. Arsenault (S. Gillis) 0:32. Penalties — E. Reeves, G. Lovelace.

Second period: 2. Royals — A. Carver 18.18. Penalties —Mc. Intyre.

Minor Pucksters Have Busy Day

Saturday was a busy day at Sports Arena from 7.00 a.m. when doors opened until 11.30 p.m. when the lights were turned off for the night.

Approximately 800 boys turned up to take part in the season's paperweight, Pee Wee, Bantam and Midget-Juvenile brackets.

During the day, registration was completed on 40 boys so those in charge are quite happy about the progress made ended 12 noon.

Allie Carver snared the puck play must complete their registration this week at the various sessions.

At the end of this week those who have not completed registration will be considered as not interested and will be cut from the various squads so are boys are urged to get their registration completed, fee and all as soon as possible and so make busy officials available for other supervisional duties.

This week boys of the various age groups should watch their school bulletin boards and the papers for further information re-lineups, practices, etc.

It is again pointed out that, before league games get underway all unregistered players will be cut from lineups as the limited ice time available necessitates limited coaches to using only duly registered boys.
