Currencies

MONTREAL (CP) — The U.S. dollar closed Friday at a discount of 3 1/16 per cent in terms of Canadian funds, up 5/32. Pound sterling \$2.68, up 1/4.

Toronto Stocks

TORONTO (CP) — The stock market quietly eased back Friday for its third straight decline. Trading was a bit heavier than Thursday but a few active junior mines and western oils boosted the volume.

The base metals index dropped back a little more than a point. Western oils, however, showed a 1/4 point advance.

Noranda, off 1/2 points, and Hudson Bay, down a point, were the main influences on the base metal index. Other seniors declined fractionally but United Keno gained 45 cents.

Junior base metal losses ranged to 23 cents with Mogul Mining the heaviest loser. Klumb, Eastern Mining and East Sullivan dipped 20 cents. Gains were confined to 10 cents or less.

Triad was a feature among western oils, adding 40 cents in moderate trading. Scurry-Rainbow, Devon, Fairmer, Del Rio, Canadian Pipelines and Canadian Southern Pipe added 15-20 cents. North Canadian and Consolidated West Petre lost 20 cents.

Index changes: golds off 35 to 75.47; base metals off 1.03 to 1.26.98; western oils up 1.44 to 1.34.23.

Our product is much easier to sell than freezers, vacuum cleaners, cookware, real estate, insurance, storm windows, or business machines, etc. Moreover, if you are fed up working nights—this can be a 9 to 5 job—with no travelling. (Car not necessary). You close a sale in less than 3 hours, and average about \$50 commission. This is a permanent, dignified position, with unlimited prospects, selling a nationally advertised product to stores, factories, offices, schools, etc. Write Vice-President, P. O.
