MONTREAL, December 8th—Here are three infallible ways to earn an enthusiastic, life-sized hug for Christmas! Give a **BANK OF MONTREAL** holly-decorated Christmas Cheque... or a B of M money order in brightly coloured envelope... or a B of M passbook... with a nice balance inside—enclosed in a gay Christmas passbook cover. These ideal gifts are no further away than your nearest B of M branch! Don't leave it until the last moment. Drop in to your neighbourhood B of M today and make plans to delight the lady and ladies in your family through the Christmas services at "My Bank". And if you're an employer, by the way, nothing builds goodwill as much as a B of M Christmas bonus cheque, complete with holly and bells!

This Is The Danger Time... for chest colds! So easy to catch them in this treacherous weather. My best advice is to keep **MENTHOLATUM** on hand to use the moment the symptoms develop. Then you can apply it liberally to the throat, chest and back of your patient. Massage until the skin is warm, then cover immediately with a well-warmed flannel cloth. Tuck your loved one warmly away under blankets... Soon Menthoholatum's fast-acting ingredients help to loosen tightness, ease soreness... Write this very minute—**order yours!**—for a **FREE GENERAL SAMPLE**... Confidentially Yours, 1411 Crescent St. Montreal.

A Thrilling Suggestion... for your man! Give him the amazing Remington 60 DeLuxe Electric Shaver for Christmas... You've both probably seen it demonstrated on TV—where a man shaves a 2 weeks beard in one minute flat!... then shaves the fuzz off a peach and then brushes off a brush—all with the exciting REMINGTON 60 DELUXE ELECTRIC SHAVER! Seems to me it's the perfect gift for a man—young or old... And you can be absolutely sure he's completely happy with day Free Home Trial Offer. Priced at \$31.95—less a generous trade-in allowance for any old electric shaver!

Loosely, Exciting Days lie ahead through this month of Christmas, even though they are so busy! Be a companion for your quiet moments of relaxation—your gay entertaining, **INSTANT CHAISE & SANBORN COFFEE** With its exclusive new "Gentle-Brewing" process you have the full flavor of real coffee—ready in a moment! No more of that scorched color or scalded taste you've come to expect of instant coffee. Here is expert of instant coffee. Here is truly delicious, full-bodied coffee. You can look through the window in the side of the bottle—and see the rich, delicate color of this perfect coffee. Buy it at the introductory offer—and give the family new coffee-pleasure.

Your Child's Health... as you know so well... depends on his getting the formula that suits him best. Did you know that you can obtain three different types of **FARMER'S WIFE MILK**? They are prepared especially for infant feeding—and your doctor will advise you which one to select. Maybe Whole Milk (Red Label), or Skimmed Milk (Blue Label), or Partly Skimmed Milk (Yellow Label). Make sure that your baby is fed on Canada's premier baby food. It's made by **Cow & Gate (Canada) Limited**—for babies ONLY!

"Here It Comes Darlings!"... What a pleasure it is to serve your children a piping hot bowl of delicious BREX—the whole grain cereal with extra wheat germ added! Growing youngsters enjoy the stimulation of a hot cereal, these cold mornings. They like the pleasant, nutty taste which Brex has—and so will the grown-ups! Brex is good for every one... it contains the essential nutrients and the precious B Vitamins so important in a sound diet. Order Brex today for your family and serve a hot breakfast cereal every morning! You'll find many new recipe ideas on the big blue package for other uses of Brex in your daily menus.

Educational Problems Discussed At Meeting

The December meeting of the Queen Charlotte Home and School Association was held in the School Library Thursday evening. The president, Mr. E. S. Chandler, presided. Mr. Ralph Rupert, convener of the Library committee, reported this committee would sponsor an illustrated lecture and display of Swiss handicraft by the International known commentator Antonio Lendi at the February meeting. Also he announced that Mrs. Louise Hatheway had donated a gift of a set of Junior Britannica to the School Library and a formal announcement will be made at a later date.

The president reported he had attended a meeting of the Water Commissioners and Health Officials in regard to City fluoridation. The guest speaker for the evening was Dr. Frank MacKinnon, Principal of Prince of Wales College, who was introduced by Brig W. W. Reid. In his talk, he said that many of the difficulties in education are caused by the fact that in man the eagerness to tell other people what to do is much stronger than the willingness to take advice. Since education is today the most completely socialized activity in the modern state, adjustments need to be made for the characteristics of people in the mass or crowd. We assume for example that education is designed to sharpen the minds and abilities of youth, but we should not forget the readiness with which individuals and groups will seek to control minds and direct activities, which is a totally different thing and which is not education.

OUTSIDE SCHOOL
The speaker discussed the characteristics of student schools, and teachers, and emphasized the importance of what goes on outside school. Only one-eighth of a child's time is spent in school—what goes on the other seven eighths? To illustrate he suggested that too many children are not getting to bed early enough and many go to school without enough breakfast. In dealing with the teacher situation he emphasized that no scheme
