## Youth Training Camp

THE PROVINCIAL Department of Education, under the direction of Dave Boswell, will again this year conduct two Youth Leadership Training camps in the Hilland Cove area.

The camp for girls will be held August 16-20, and the boys camp will run from August 23-August 27. Applications are being received from Island students from grades 7 to 12.

Last year we visited the boys camp for a day, and found those taking part had a keen interest in physical fitness. All but a few of the boys present were willing to train hard during their week at camp and learn as much about the various sports played as they could.

The camp staff was headed by Charlie Ballem, Summerdale, and a number of Island lecturers, including Howell, Alf Groom, Bob Simmons, gave a helping hand in their various specialties.

Approximately 40 young people attended each session last year but plans are this time to house 50 for each period.

The entire program at the camp is based on track and field training with other sports having less importance. Outdoor facilities were rather crude last year but this didn't bother those taking the course—Charlie warned them pretty hard and began each morning off with a two mile run through the woods.

We understand Boswell has been making the rounds this year, trying to line up the province's interested athletes to take part in the camp. Youth conscious counselors are also important at such a camp.

## Off The Cuff

COASTAL MOVERS, top placed team in the Prince County Softball League, narrowly defeated the Hilland Cove Movers defeated Plumbing 2-1 at Sumner's Queen Elizabeth Park Wednesday night. MARTY MARTIN, the big first baseman who played with MacKintosh last year, topped a triple and three singles, Imman's, in a similar position to last season's Edman Druze team, had four hits, including a home run, in a great game that the boys will play when they're being beaten so consistently, but it's not too good for the fans.

ERNE DUDLEY, Billie Dudley, and the American Baseball League and head of Louisville Colonels baseball club for some years, died in Louisville Wednesday. He was president of the Louisville team from 1949 to 1964, then headed the American Association until 1953. The Islanders Track and Field Club will hold their opening practice of the season on Monday night at 7:15 p.m. The initial practices will be open to all Island athletes. Also on tap at Memorial Field will be the Charlotte Legion's first baseball game of the season. CHARLIE RYAN's boys will tangle with the Eastern Centennial Juniors. Game time is 6:45 p.m.

One of the best things about the season of the named manager of Kansas City A's was to appoint home running outfielder ROCKY COLAVITO as captain. McClellan was named manager of the Charlotte Legion on and off the field.

## HUNTER'S CORNER

### Incensed Man Is Reluctant To State Views In Court

The month of June is within six days of its end and I type this column and the black duck season is drawing to a close. I am concerned among "scatter gun" enthusiasts... it's still well under last season's record low. This past few weeks this columnist has spent a lot of time in former top black duck catching territory. I have yet to catch a glimpse of a brood but I did near the start of the early flag of young ducklings in a flag being, there was no volume in the chorus and I was confident that there were no more than four in the brood. It was this present week that I was startled chirping, I received information, also that week, that the teachers were keeping their fingers crossed as they await the results of the recent Federal Wildlife Conference at Dalvay.

## Pittsburg Tops Mets 8-1; St. Louis Downs Houston

By THE CANADIAN PRESS — Supported by a crowd of home runs and Bill Mazeroski connected once in the Pittsburgh attack as the Pirates whipped the New York Mets Thursday for the 11th time in 13 meetings, 8-1.

In St. Louis, Ken Boyer doubled home two runs in the eighth inning, giving the Cardinals a 4-2 victory over the Houston Astros.

Supported by a 13-hitter, lefty Joe Gibbon coasted to his fifth victory to go with his two defeats in the New York contest. Gibbon, who had three of the hits, permitted only four singles and two doubles.

The Mets' only run was unfielded in the seventh when Bobby Abert and Gibbon had nobody to catch. Abert singled in the sixth, and Gibbon singled in the sixth, and Hunt scored on a pickoff attempt and Hunt took second, when he scored on Joe Garagiola's single.

Jack Fisher started for the Mets and failed to start the second and third innings, giving up two runs in the first two outs were out on a triple by Roberto Clemente and all strikes by Will Stargell and a single by Lurch. The Pirates chased Fisher

## Practice Called

Art Ballem, veteran softball campaigner who is now acting in the capacity of coach for Barry's Lions has called a practice for his club on the new Charlottetown softball diamond for tonight at 6:30 p.m. Arlen has a vast knowledge of the game of softball and should have a lot to offer the up and coming youngsters, of which the Lions club is composed this year. The Lions took a victory in their first start this season and should provide lots of stiff competition for other city league clubs during the seasons action in the Charlottetown city softball league.

## Attention Minors
