Let's Talk It Over

Mr. Gabriel Chlason is certainly deserving of congratulations for the wonderful showing his school choruses have made at the Provincial Musical Festival this year.

Four first places and a second is indeed an achievement to be proud of. It speaks well for his teaching of music at Summerside High School.

Critics may ask, "Is music instruction in the schools a frill?" We'd say, yes, it probably is a frill. Like the frills and furbelows on the dress of a beautiful young girl going forth to meet romance and adventure. What would life be like without the frills and trimmings, we wonder. What would Christmas be like without the wreaths and bells and tree decorations? All frills, mark you, but essential to a full enjoyment of the festive season.

When we saw the picture of Malenkov, and read about his life, it occurred to us that he was a man without frills, who would not likely tolerate such impractical things around him. The Puritans of Cromwell's time were honest and sincere, but completely devoid of frills, and so the regime could not endure in the face of determined resistance from a fun-loving, frill-loving England.

Thanks heavens for the frills that add spice to the humdrum business of everyday life. Of course, frills must not take the place of regular academic instruction in the schools. Frills is just the frosting on the cake, not the cake itself.

ALL TAXES due Bedeque School District No. 117, must be paid by May 22nd, 1954, or they will be handed in for collection. By order of Trustees.

FIND CASH REGISTER - While fishing eels in the Kildare River early this week Howard and Hughie Morrison and Dale Fraser of Montrose noticed a strange object lying on the bottom of the river near the Montrose bridge.

On turning it over with the eel spears it was found to be a cash register. The RCMP, at Alberton were notified and it was learned that the register had been stolen last week-end from Shea's store at St. Louis. During the break the office in the store was ransacked and it is believed other goods stolen from the store at the other end of the bridge it probably would never have been recovered as the water is very deep at that point.

Abegweit Chapter I.O.D.E. Meeting

The regular monthly meeting of the Abegweit Chapter I.O.D.E. was held at the home of Mrs. E. T. Tanton, on Thursday, with the regent, Mrs. A. S. Hopkins presiding.

Mrs. Eric MacKay, convener for reports that 94 books had been reported to servicemen in Germany and asked that members donate towards a used clothing drive for overseas relief. Mrs. Hopkins, who recently attended the blood donor clinic, requested that members solicit donors among the younger people. The response had not been good and blood is urgently required.

The annual flower show is to be held in the fall under the convener-ship of Mrs. Leslie Simmons and a rummage sale is to take place in the town hall on Saturday, May 22nd.

A paper entitled "An Alert To Churches and Organizations" was read by Mrs. Tanton, convener for Empire and world affairs.

Mrs. Richard Hinton kindly offered the use of her summer home for the next meeting of the chapter which is to take place late in June.

Afternoon tea was served by the hostess, Mrs. Tanton, assisted by Mrs. Mussen.
