What is CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance.

Castoria.

Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children.

Castoria.

Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various nostrums which are being sold.
