WHAT HEALTH PLANS FOR CANADIANS - Hear Hon. Paul Martin, Stanley Knowles and Duncan Millican over CBC tonight, 8:45, on Citizens' Forum.

Notes Marked - Continued from Page 8 Island. He stated that we have the raw material here and that it seemed strange that this material should be shipped away for processing and imported back at the increased costs of labor and transportation.

Education - Speaking of education he stated: "I think a right step has been taken by our new Minister of Education and it is one I wish to congratulate him on taking. This is the changing of Grade XI into two grades with additional higher standards."

Drop Shown - Continued from page 1 little higher rate of pay than most contractors in this area. Aside from the employment which is developing at the High School and the T. Eaton job, a few men are trickling back to other jobs from which they were temporarily released in December and January.

Paved Roads Needed - He stated that paved roads should be built from East Point to Souris and from Rollo Bay through Fortune, Annandale, Poplar Point, Bridgetown to Cardigan. Good roads and electricity are necessary in order to keep our young people on the farm, he added.
