

Clergyman - Author Buried In His Native Province

In the passing of the Rev. Harry James Vickerson, B.A., S. T. B. Prince Edward Island lost one of its loyal and successful sons and the United Church of Canada one of its earnest and devoted pastors. Harry, as he was known to his many friends was born in Hermitage, Prince Edward Island on Nov. 15th, 1902, to Charles and Edna (MacMillan) Vickerson. He was educated in the public schools of his native province, at Prince of Wales College, Dalhousie University, Harvard University, Pine Hill Divinity Hall and following post graduate work at Emmanuel College, Toronto, was ordained in Toronto in 1934.

During his ministry he served the following churches: Hilton Beach, Ont., Sault Ste. Marie (suburban) Ont., Wentworth New Hampshire (congregational) Wareham, Mass. (congregational), Windermere, Ont., Echo Bay, Ont., Springfield, Ont., Rutherford, Ont., and finally Centenary United Church, Montreal, where he commenced his labours in 1954.

Always an intense and earnest student, Harry was interested in committing to writing, the results of his studying and his thinking, among his publications the following are noted: Anglo-Dutch Rivalry in the Indies, 1927; Public Welfare Administration in Canada, 1933; Labour Unions in Canada, 1933; Religion in the Philosophy of Professor Whitehead, 1941; The Loyalists in Prince Edward Island, 1945.

While at Windermere, Ont., he met his future wife, Miss Nellie Mae Longhurst. They were married in September, 1940. To this union was born one son, Charles Edward.

On Friday, January 17th, 1958, a funeral service was held in the

Centenary United Church, Montreal, at which the Rev. J. A. Hockin, chairman of the Montreal Presbytery officiated, assisted by Rev. Dr. John Patterson, Rev. Dr. DeWitt Scott and Rev. William Morris.

The remains accompanied by his widow and son, and his brothers, Howard and Hector, arrived at the home of his mother in Montague on January 18th. Interment took place on the afternoon of January 20th, in the Montague Community Cemetery, following a service in the Montague United Church conducted by the pastor the Rev. J. M. Fraser.

Speaking from the text: "The Master is come and collects for thee" Mr. Fraser paid tribute to Mr. Vickerson's life of service given to the church and he brought words of comfort and consolation to the bereaved. He was assisted in the service in the church and at the grave by Rev. Dr. Weir, Rev. W. A. Paterson, Rev. Kenneth Norris, Rev. T.R. Goudge, Rev. D. A. Campbell, and Rev. L. S. Woolfrey. Hymns sung by the church choir were: With Me and a special duet by Mrs. Arnold Wightman and Mrs. I.G. Phillips "By Cool Siloam's Shady Rill." The organist was Mrs. L. A. Johnston.

The pallbearers, cousins of Mr. Vickerson were: Mr. Justice G. J. Tweedy, Irving Tweedy, Henry MacLaren, David Wright, J. J. Stewart and Dr. L. W. Shaw.

Left behind to await reunion on the further shore in a little while are his widow and son Charles, his mother, Mrs. Charles Vickerson, one sister, Edith (Mrs. Harry MacGregor) and three brothers, Howard, Hector and William.

"Well done good and faithful servant... enter thou into the joy of Thy Lord."

Suggests Selling Coal To Japan

OTTAWA (CP)—James Byrne (L-Kootenay East) suggested Tuesday that Canada send a top-level trade mission to sell Canadian coal to Japan. Trade Minister Churchill agreed to keep the proposal in mind.

Mr. Byrne made the suggestion in the Commons in connection with what he described as a "serious loss" of employment in coal mines of the Crownsnest Pass area in the southern Alberta-British Columbia border area.

Mr. Churchill said Canada's whole trading pattern with Japan is under review. He had not considered a trade mission, but as Canada's trade with Japan was reviewed this possibility would be kept in mind for possible future action.

Mr. Byrne said he knows the Japanese are definitely interested in buying coal from the area. He hoped the government would encourage this.

U. S. Steel Has Record Profits

NEW YORK (AP)—United States Steel Cor. Tuesday reported record net income of \$419,073,722, equal to \$7.33 a share, for 1957.

This compared with net income of \$347,865,150, equal to \$6.0 a share, for 1956. The previous record year was 1955, when the big steel company earned \$370,197,625 or \$6.46 a share.

Directors declared a quarterly dividend of 75 cents a share, payable March 10 to stockholders of record Feb. 7. This is the same dividend U.S. Steel has paid in recent quarters.

LIFE NOT WORTH LIVING?

Then wake up the liver!

You know that sour, sunk, constipated feeling? It may be caused by the liver. If your liver doesn't pour out up to two pints of bile a day your food may not digest properly, and you feel that life's just not worth living. That's when the liver needs mild gentle Carter's Little Liver Pills. These vegetable pills help stimulate the flow of liver bile. Soon your digestion starts functioning properly and you feel that happy days are here again! Don't ever stay sunk. Always keep Carter's Little Liver Pills on hand.
