IN MEMORIAM

MACLAREN— In memory of our brother-in-law Wilfred MacLaren who passed away Jan. 11th, 1956.
Sweet memories will linger forever,
Time cannot change them 'tis true,
Years that come cannot sever,
Our loving remembrance of you.
Always remembered by Hattie and Ellsworth Wilson.

MACLAREN— In loving memory of Wilfred MacLaren who departed this life January 11th, 1956.
There comes a time for all of us,
When we must say Good-bye,
But hope, and faith and love and trust,
Can never, never die.
Ever remembered by his sister-in-law, Betty Carr.

MACLAREN— In loving memory of our son-in-law Wilfred MacLaren who passed away Jan. 11th, 1956.
We think of you in silence,
As we pass another year,
You will never be forgotten
By the ones who loved you dear.
Ever remembered by Mr. and Mrs. John H. Simons.

BUELL—In memory of our nephew, Daniel Stanford Buell died Jan. 10, 1956 age 2½ years.
To know him was to love him,
His memory is a keepsake,
From which we never part
God has him in his keeping,
We still have him in our heart.
Aunt Gladys and Uncle Lorne.

BUELL — In loving memory of our darling son and brother, Daniel Stanford Buell, who passed away January 10, 1956, age 31 months.
Sometimes its hard to understand,
Why some things have to be;
But in his wisdom God has planned,
Beyond our power to see.
God gave us strength to fight it,
And courage to bear the blow;
But what it cost to lose you,
No one will ever know.
Always remembered Mummy, Daddy and sister.

LADNER — In loving memory of John M. Ladner, who departed this life January 9, 1955.
We who loved you sadly miss you,
As it dawns another year,
In our lonely hours of thinking;
Thoughts of you are ever near.
Lovingly remembered and sadly missed by wife and family.

REID—In loving memory of Lawson Reid who died Jan, 10, 1956.
Oh, the world is cruel dear brother
Oft my heart is very sad.
One long year and how I miss you
You made my life so glad.

On that morn so very early when
The men climbed o'er the hill
Little did we think dear brother
You would soon be cold and still.

And we often weep when thinking
How you were alone to die,
On that chilly winters morning
With no chance to say goodbye.

And the comforts of life my brother
That you couldn't find here on earth,
May you find them where angels are singing,
In God's heavenly kingdom of mirth.
Sadly missed and ever remembered by Dora, Ralph and family.

CARD OF THANKS

We wish to thank all the box holders who remembered us with gifts Christmas.
Earl and Frank McCarville.

SUMMARY

By THE CANADIAN PRESS

Toronto—Market lower in heavy trading.

New York—Stocks higher; steels in demand.

Montreal—Stocks higher; with slight closing decline.

Currencies

MONTREAL (CP) — The U.S. dollar Wednesday closed at a discount of 3 25-32 per cent in terms of Canadian funds, down ⅛. Pound sterling $2.68 13-16, down ¼.

Toronto Stocks

TORONTO (CP) — The stock market reversed its trend suddenly Wednesday in late-afternoon trading following Sir Anthony Eden's resignation as British prime minister and closed with its first decline in 12 sessions.

Base metals, particularly senior issues, led the setback and western oils followed close behind.

Prices were generally rising until an hour before the close when Eden's resignation was confirmed. They held firm for a few minutes but finally gave way and losses ranging to 2½ points among high-priced issues swept across the board.

The base metals index lost more than 1¼ points while western oils were down almost 1¼ points.

El Sol's activity — the stock gained four cents to 45 cents—was started at the open when a new financing deal for the company with Federal Trading and Agency Co. Ltd. was announced. In the first hour more than 600,000 share were exchanged on El Sol.

International Nickel featured the declining senior base metals with a 2½-point loss. Hudson Bay was off 1½ and Noranda a point. There were a few fractional winners. Hoyle advanced 45 cents in Junior base metal and Quebec Chibougamau 15 cents but other gains were limited to 10 cents.

Uraniums were strong throughout the session but their gains were sliced in half during the decline. Consolidated Denison added 1¼ points to a new high of 17 in morning trade but closed with an advance of ⅝c.

Most western oil gains were limited to 10 cents or less although light-trading stocks such as Fargo Oil and Britalta gained up to 30 cents. Losses ranged to 20 cents in general.

Index changes: golds up .16 to 77.16; base metals off 1.2o to 229.66; western oils off 1.20 to 162.22.

NEW YOR K(AP)—Steels, aircrafts and sugars rose while oils declined in Wednesday's irregular stock market.

Pivotal stocks registered gains or losses running from fractions to about two points in moderate trading.

The market was slightly higher most of the day. Late in the session, news of Prime Minister Eden's resignation brought a kind of creeping uncertainty although the news had been well anticipated.

A highlight of the session was a spurt of heavy dealings in steel shares during which there was considerable gyrations. Again anticipation of January ernings and dividend reports was said to be a factor.

The Associated Press average of 60 stocks was unchanged to 181.20.

Among Canadian issues on the New York Stock Exchange, Aluminum Ltd. moved ahead 1⅛,Canadian Pacific was up ¼ and Granby Mining moved ahead ⅛. International Nickel dropped 1⅛ and McIntyre Porcupine was down 1.

On the American Stock Exchange, Eureka advanced 1-16, as did Jupiter Oils. Fargo Oil moved ahead ⅛ and other Canadian issues were unchanged.

Claim Bicycle Safest Vehicle

LONDON (CP) — The Cyclists Touring Club, champion of British bicycle riders for more than 75 years, says despite what motorists may say the bicycle remains the safest vehicle on the road.

The club has issued a leaflet to back up the claim. Says the leaflet:

"Out of an estimated total of 12,000,000 bicycles in use, only 60,178 were involved in accidents in 1955. During the same year 269,102 out of 6,044,000 motor vehicles were involved in accidents in Britain."

The club proudly points out that on the basis of the figures given, only slightly more than on bicycle out of every 200 in use was involved in an accident compared with one motor vehicle out of every 22 on the road.
