Crothers, Kidd Written As Medal Winners

By JACK SULLIVAN
Canadian Press Sports Editor
Fred Foot is one happy fellow...

Now, just about every track and field event around the world is being written up as a triumph for Crothers and Kidd as medal winners in the Tokyo Olympics next month.

"This is great, just great," said Foot, the Toronto Star's sports editor. "Now I can go to Tokyo and sit in the stands and just wait and see. Nobody really wants to go to Tokyo in any event and I'm happy that our guys are going to Tokyo with the pressure that everybody has to bear."

WON SIX-MILE?
Foot pointed out, however, that Crothers had been known to dead weight.

DAILY CRYPTOQUE — Here's how to work it:

A X Y D L B A X B
L O N G F L O W
One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.
