

DOWN THE BACK STRETCH

Those who follow the racing activities of two and three-year-old trotters and pacers in the big stakes raced on the Grand Circuit must, like ourselves, wonder how such juveniles can be trained to trot or pace as fast as they do. One of the sensations this year is Jern Safe (B. Schue) that won the first heat of the Horsemen'saturity for three-year-old trotters at Indianapolis, Indiana, from Xenus (I. Pownall) in 2:01 3/4. The Danville gelding came back to win the next in 2:00 3/4, to set a new heat world record for three-year-old trotting geldings of 4:02, knocking out the 4:04 3/4 mark set by his brother, Lord Stewart, in 1950. At the same meeting Columbia Hanover (J. Simpson) came home in 2:34 1/2 in the second heat of the Walnut Hill stud two-year-old filly, defeating Miss Rodney 2:20 3/4, and equalling the season's record for two-year-old trotting fillies on a mile track. She is by His Excellency and her dam is Chole Hanover. Her last half was in 1:00 3/4, final quarter in 26 3/4.

Last week we gave some particulars regarding Joe O'Brien's win-

nings at Indianapolis and these are additional. In the 30 pacer, purse \$3,750, Jug Chief (Cameron) was 1-dbl., Diana Star (O'Brien) 1-dbl., Time, 2:04, 2:03 3/4. In the Hoosier Futurity for two-year-old trotters, purse \$12,941.20, Scot Frost by Hoot Mon (O'Brien) was 1-x-1, Colymbite (Baldwin) x-1-4. Time, 2:03 3/4, 2:06 3/4, 2:04 3/4. Scot Frost's first heat equalled the fastest time made by a three-year-old trotter this season. There were 20 starters and they were divided into two fields. In the 23 trot, purse \$3,000, Hoot Sult 3, by Hoot Mon (Current) was 1-1, Cheryl Hanover (O'Brien) 2-3, Miracle Hanover (D. Cameron) 9-2. Time, 2:07 3/4, 2:05 3/4.

A Big One

As proof that there are still some really big ones left in the Island streams, Mr. Ralph Burns of Freetown (above) demonstrates a beauty that couldn't resist his lure. Mr. Burns landed this big Rainbow on the last day of the season and it tipped the scales at 5 lbs, 2 ozs.

Sport Echoes From Prince County

The Holman Intermediate baseball team, intermediate champions of Prince Edward Island, is still marking time, and waiting for the various teams on the mainland to complete the play-offs for provincial honors. We don't know how much power this new Maritime Junior baseball body has, but if they are the ones responsible for getting the junior play-off picture cleared away in good time this year, they are indeed to be congratulated. The intermediates, we presume, are still without a Maritime head, and their dawdling tactics in autumn play-downs reflect this.

Holman's looked like a pretty good team to represent the Island when they played their series with Charlottetown. But most of the boys haven't played any ball since, and it can hardly be expected that they will be in top-notch form when they tackle the mainland champs. The last we heard the Amherst Bleujs were one game up on Middleton and let us hope that this series will soon be completed so that our intermediates can get back into action soon.

The Silver Falls Aces scored an upset victory over the RCAP Royals in the first game of the N.E.P.E.I. intermediate softball finals. The game was played in a high wind, and because of this, it is doubtful if the visitors really had an edge on the Island champions. At least, some of the Royals do not think so. They'll give you 2 to 1 that they take two straight over at Saint John today.

It will seem different this World Series without the New York Yankees in contention. A great many Island fans, and other fans, too, for that matter, had very definite feelings towards those high-stepping Yankees. Either you were all for them, or you hated the son-of-guns like all get out. For that reason the last three or four World Series were exceptionally interesting. Team loyalties were strong to the point of ferocity. Fans sat before their radios which sent them to the highest peaks of exultation, or down to the depths of despair as the tide of battle shifted.

It will be a bit difficult to build up this fierce partisanship while listening to the games between the Cleveland Indians and the New York Giants. Some fans will have to think it over a while before they take sides. But take sides they will in the end. You just can't be neutral during a World Series and have any fun.

After the third game between Louisville Cubs and Curran & Briggs Juniors played in Moncton a week ago, Dee Lefurgy, C & B pitcher, was approached by a scout from the Atlanta Crackers, and they had quite a talk. "You'll be hearing from me," the scout said before he left. It looks as if Lefurgy really impressed this fellow by his pitching performance against the Keeffe Cubs.

Turpin Slated To Fight Nov. 16

LONDON (AP)—Randy Turpin, former world middleweight champion, will have his first fight as a light heavyweight Nov. 16 in London's Harringtons Arena.

Promoter Jack Solomons has not signed an opponent. Solomons said he hoped to bring a continental light heavyweight to London to test Turpin, expected to tip 168 pounds. Turpin was knocked out by Tiberio Mitri of Italy last May in his most recent fight.

Will Bid To Hold 1960 Olympic Games In Montreal Que.

MONTREAL (CP)—The East End Businessmen's Society Tuesday night voted to put in a bid to have the 1960 Olympic games held in Montreal.

The society said a sports centre planned for the east end could be completed by 1960 and will include all necessary facilities for the games. Leaders of the group said they will confer with experts on Olympic arrangements soon to

HUNTERS' CORNER

With the hunting season a mere two weeks hence—October 9—hunters are beginning to inquire about the prospects this fall on both upland and migratory birds. Wildgeese began arriving in mid-August and a steady dribble of the big black and white birds have been arriving ever since. Today there is a sizable concentration of geese in the province and this number is expected to be doubled or trebled by Saturday, October 9, the opening morning. Geese fed in stubble fields almost entirely when they first arrived but I note of late they are inclined to patronize shallow water.

There is a reason for this. The flocks have been chased pretty hard by hunters who appear to labour under the impression that a wild goose is fair game whenever the opportunity offers whether it be spring, summer, fall or winter. The 10 geese I spotted on August 29 moved to a new location on the Roved River and commenced feeding in a stubble field that bordered the water. On Thursday morning, September 16 at a few minutes after 4:00 a.m. (Standard Time) when it is just bright enough to shoot, 6 shots were fired in that field. The geese had been feeding there for two weeks and were as trusting as young kittens.

I was told by an interested party that he had noticed headlights shining on this farmer's buildings in the pre-dawn darkness one morning and wondered what cause prompted the early hour visit. I am well acquainted with this farmer and know he is not too anxious to have anyone hunt on his property in the open season, let alone when the season is closed. He told me he was putting the 'run' on one party who came to his field. I wondered myself why anyone would take a chance on pulling a stunt like that out of season especially when the poachers would have to drive through his yard.

I paid the farm a visit and the cause was apparent. The farmer had left the Saturday previous on his honeymoon and the farm was temporarily vacant. I didn't have to throw my thinking apparatus out of gear to dope out that the hunters knew the field and would also be in a position to keep track of the farmer's movements. This is no an isolated instance where those birds have been shot. I know a fresh water lake where a large number of geese rested every night after feeding in nearby stubble fields. Last Saturday night a few minutes after the Old Fashioned Juboree went off the air a rip of shots were discharged at this lake and the darkness throbbled with the clamour of alarmed honkers.

Ducks are getting plenty of the same treatment. I know places where heavy concentrations of black ducks were given the lead treatment and are now resting on the tidal flats. That's the idea boys—drive 'em out to salt water before the real opening morning barrage opens with an ear splitting bang. Say what one likes but herding ducks out to sea before the (Continued on page 7)

Harris Out of Job; Dessen May Be Successor

WASHINGTON (AP)—Washington Senators announced Friday that Bucky Harris has resigned as manager, but Harris implied that he was fired.

At any rate, Bucky is out of a job with the end of the season Sunday and while nobody would say so for the record, it is widely believed that Chuck Dessen will be his successor.

The sequente went like this: Clark Griffith, 64-year-old owner of the Senators and a long-time friend of Harris, told a press conference at Washington he was announcing, at Harris' request, that Bucky had resigned.

DENIAL BY HARRIS

Harris, in Boston for the closing games with the Red Sox, denied that he had resigned. He told reporters: "No manager ever resigns. I've been through it before. Actually, I hate to leave Washington. It's been my home for 30 years but that's one of the hazards of baseball."

Harris, one of baseball's "nice guys," is winding up his third hitch as manager of the Senators, bogged in the second division. All told, he has managed them for 18 years, dating back to 1924 when he led the club to a pennant.

Meanwhile, it was learned from reliable but unidentifiable sources that Dessen in all likelihood will be signed to a three-year contract at between \$40,000 and \$45,000 a year. Harris is believed to have earned \$30,000.

Griffith said he would talk with "three or four" potential successors in New York on Monday and that he hoped to be able to announce his manager on that day. The names mentioned were Dessen, Phil Rizzuto, shortstop for New York Yankees, and Jimmy Dykes, recently ousted as manager of Baltimore Orioles.

It has been reported that Philadelphia Phillies also are after Dessen, who led Brooklyn Dodgers to pennants in 1952 and 1953.

Dessen, 57, quit the Dodgers because they refused to give him a three-year contract after the close of the 1953 season. He managed the Oakland Calif. club of the Pacific Coast League this year.

Expect Early Decision On Local Hockey Coach

Definite word on a coach for the island's entry in the newly formed Atlantic Coast Senior Hockey League is expected by the first of the week, it was announced by Forrest Clow, who presided in the absence of Dr. F. C. Dougan, at a meeting held in the Forum last evening.

The large representation of fans which attended, discussed in the hour and a half long meeting many of the difficulties which confronted the local team in the past and considered several ways by which such conditions could be approached and remedied in the coming years. It was stated that arrangements have been made with most of the club's creditors whereby payment can be made in terms which are acceptable to the club in relation to its financial standing.

Several men have been named as prospects for local coaching duties. Foremost among the group which included Chicoutimi star, Sherman White, and former Islander, Lyle Wiseman, was Glace Bay Miner's playing coach of last year, Hughie Campbell. Campbell, who was top-flight right-winger of Halifax St. Mary's famed front line of Watson, Campbell and Ford, also has a number to play with last year's Allan Cup champions, Sudbury Wolves.

It is expected that several of last year's team, such as Paladino, Whitlock and Gray will be back, but all decisions concerning the choice of players will be made by

the coach. Ideas or questions that anyone may have can be discussed at club meetings which will be held every Thursday at 8 p.m.

Prince County Fish And Game Ass'n Meeting

The Prince County Fish and Game Association held a special meeting last evening in the Town Hall, Summerside for the purpose of making plans for as many representatives as possible from Prince County to be in attendance at the annual meeting of the Maritime Wildlife Federation to be held in Amherst, Monday, Sept. 27.

Mr. Fred Semple of Kensington, president was in the chair, with Mr. Morley M. Bell of Summerside acting as secretary in the absence of Mr. Norman MacLeod, who was unable to be present.

A letter was read from the secretary of the Wildlife Federation, Mr. Graham Rogers of Charlottetown, outlining the program to be held at the Amherst meeting which will be addressed by Mr. Bruce S. Wright, director of the northern wildlife station at Fredericton, N. B.

The meeting decided that the members would contact as many persons as possible, interested in fishing and hunting, with the object of attaining a good representation from Prince County at the wildlife meeting.

After the minutes of the last meeting were read and approved a discussion period followed, with several topics. It was decided to investigate several streams that are in need of blasting to provide holes for the trout to lie in and to follow a suggestion that this work be done as soon as possible, preferably this fall while the water in the streams is low.

Crane Cove was also a subject of wide discussion due to the large numbers of the trout population being consumed and killed by them. Teal and black ducks were also discussed with a view to seeking a bag limit for each breed, individually, rather than collectively as the present regulations demand. It was also agreed that the season on brant open too early and it was decided to look into this matter at the wildlife meeting.

The next meeting of the Prince County Association is slated for O'Leary in October. —S.

Softball Game Scheduled Sunday

One of the last softball games of the season will be played at the Old diamond in Parkdale at 2:30 on Sunday when Canada Packers, Island Softball Finalists, meet Kinkora in an exhibition game.

Milwaukee Makes Major League History

By THE CANADIAN PRESS

Milwaukee became the first club in major league history to beat two different teams in the same day when the Braves nipped the Cincinnati Redlegs 4-3 and then defeated the St. Louis Cardinals 4-2 Friday.

The three-way competition came about when league president Warren Giles upheld a Cincinnati protest and ordered a replay of the ninth inning of Wednesday's game. Play resumed with runners on second and third and two out for the Redlegs. Johnny Temple promptly singled home one run and the tying run scored as Bill Bruton fumbled the ball. But the Braves won it anyway in the last

Halifax Bucks Proposed Split With Visitors

HALIFAX (CP)—A spokesman for Halifax Wolverines of the new Atlantic Coast Senior Hockey League said today that the proposal to take 20 cents of each home admission for the visiting team will be opposed.

J. E. (Gee) Ahern said he will present the team's case at a week-end meeting in Amherst.

"We know the financial problems of the other clubs," he said, "but consider our own.

If we charge 75 cents, then deduct our fixed charges and the 20 cents for the visiting club, our take will be 28 cents."

Other teams in the league are Charlottetown, Amherst, Moncton and Fredericton.

Poulton Earns Split Decision Over Simon

DALHOUSIE, N. B. (CP)—Harry Poulton, 160, of Charlottetown, earned a 10-round split decision over Gary Simon, 159, of New Glasgow Friday night in a featured bout at Dalhousie arena.

The match was slow and had little action. There were no knockdowns. Both fighters repeatedly clinched in the last five rounds.

Referee Manny Monzello, Dalhousie, and Judge Chester Hornbrook, Bathurst, voted 4-3 for Poulton. Judge Charles O'Neill, Dalhousie called it a draw.

Harvey Hornbrook, 146, Bathurst, and Eddie Suvrit, 150, Atholville, fought to a six-round draw in the best bout of the card.

Austin Squarebriggs, 165, Charlottetown, gained a six-round decision over Clarence Malley, 159, Chatham Head. Danny Lorette, 146, Atholville, scored a fifth round knockout over Lummy Palmater, 150, Dalhousie in the other six-rounder.
