and felled the beast; then I dragged him away, intending to bring him alive to Tenochtitlan; but he slew himself. So look again! What likeness is there in that to a god? O king, I ask you, did ever its sightless eyes see the glories of the Sun, or its rotting lips sing a song in heaven? Is Huitzil or Tezca' made of such stuff?"

The monarch, turning away, laid his hand familiarly on the 'tzin's arm, and said:

"Come, I am content. Let us go."

And they started for the landing.

"The strangers, as I have said, my son, are marching to Cholula. And Malinche—so their chief is called—now says he is coming to Tenochtitlan."

"Tenochtitlan! In its honored name, in the name of its kings and gods, I protest against his coming!"

"Too late, too late!" replied Montezuma, his face working as though a pang were at his heart. "I have invited him to come."

"Alas, alas!" cried Guatamozin, solemnly. "The day he enters the capital will be the commencement of the woe, if it has not already commenced. The many victories will have been in vain. The provinces will drop away, like the threaded pearls when the string is broken. O king, better had you buried your crown—better for your people, better for your own glory!"

"Your words are bitter," said the monarch gloomily.

"I speak from the fullness of a heart darkened by a vision of Anahuac blasted and her glory gone," returned the 'tzin. Then in a lament, vivid with poetic coloring, he set forth a picture of the national ruin—the armies overthrown, the city wasted, the old religion supplanted by a new. At the shore where the canoe was waiting, Montezuma stopped and said:

"You have spoken boldly, and I have listened patiently. One thing more: What does Guatamozin say the king should do?"

"It is not enough for the servant to know his own place; he should know his master's also. I say not what the king should do, but I will say what I would do if I were king."

(To be continued.)

Effects of an Earthquake.

Late advices from Costa Rico regarding the earthquake of December 30th last, briefly mentioned in cable despatches a short time ago, say the shocks were the most severe experienced since 1882. In San Jose both the national capitol and magnificent cathedral, fronting the public square, which required ten years of labor to erect at an expenditure of $100,000, are in ruins. The presidential palace, city hall, national post office and a dozen other public buildings were almost wrecked. Advices from surrounding cities report the shock even more severe and bring accounts of loss of both life and property. The latest estimate of damage throughout the country exceed $500,000. The Poas volcano has suddenly become active. It is located 28 miles north-west of Costa Rica at an altitude of 8,895 feet from the sea. It has been dormant for years, and only a couple of weeks before a party of explorers after a visit there, reported the crater entirely filled up. Now it has broken out with all its old fury, and in another place half a mile distant from the original mouth, an average of three slight shocks were felt daily for several days. After the first shock business was almost entirely suspended, and the majority of the people in San Jose camped in the public squares fearing their houses would fall.

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood, are conquered by this powerful, purifying and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery,** and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is **Scrofula of the Lungs,** is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for **all Chronic Diseases of the**

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at **$1.00,** or Six Bottles for **$5.00.**
