Spinners Spin off

by Daniel Hopkins

The Spinners are appearing at the Confederation Centre of the Arts for two shows Saturday night.

The Spinners have cut ten albums; their eleventh, "Dancin' and Lovin'", comes out this year.

With the help of new producers Michael Zager and Jerry Love, the Spinners have taken on, in the words of Pervis Jackson, "a more contemporary approach... more uptempo disco, and traditional sixties rhythm and blues".

In the last ten years they have had 5 gold LP's and 6 gold singles, including the songs "Rubberband Man", "One of a Kind (Love Affair)", and "Games People Play".

Honours they have received include several Grammy nominations, the NAACP award, inscription in Hollywood's Walk of Fame, and on June 30, 1976, Spinner's Day in Los Angeles, the bronze star was set.

The show promises some great entertainment to be enjoyed by all, except ignorant rock and rollers.

Historical Society Presents Hitler Film

On Monday, November 24th, at 7:00 p.m., the film Hitler: The Last Ten Days will be shown in the Lecture Theatre of Robertson Library. Admission \$1.00. Everyone is invited.

On Saturday, November 29, at 8:30 the Society will be having a party in the Faculty Lounge in Main Building. A cash bar will be open! Again, everyone is invited. If you plan to attend the hockey game that evening, come to the party afterwards for a few drinks.

Employment and Immigration Canada

Incredibly enough with Christmas drawing near, I must provide you with information on "Summer Employment". Still, we all realize that soon that will be a real priority for many of you.

Summer Employment

National Research Council is inviting applications from honor students in science and engineering for summer positions.

Deadline is Nov. 21st.

Parks Canada - Park

Interpreter - The applications for Park Interpreter are now available at our office. These will be four-month

positions, May to September and the wage will be \$7.99 per hour. Qualifications are post-secondary training or significant experience in a field related to

science, i.e., botany, zoology, ecology or forestry; communicative abilities for public speaking, script writing and illustrative talks;

bilingualism is a definite asset. Closing date of competition is Nov. 30th.

Park Naturalists - Alberta

Parks - Individuals with a broad combination of academic and interpersonal skills are required.

Experience involving direct public contact is an asset. Course credits in Natural History, Sciences, Perform-

ing Arts, History and Music will be considered. Deadline is Dec. 31, 1980.

Application forms for the above competitions are available at our centre. May I also remind you that other summer employment vacancies are coming up and that we will only consider those students who have registered with us this year. The application forms for summer employment are now very brief and it may be worth your while to take a few minutes to "do it now".

I am encouraged by the number of students who have requested "resumé writing" sessions as well as "interview technique" sessions. I feel we are beginning to reach a larger percent of the students. We have still a long way to go but nonetheless it is encouraging. Please don't hesitate to request any service, such as these, which might help you ultimately find meaningful employment. That is why we're here!

If any student or group of students is interested in seeing a presentation on "starting your own summer business", please leave your name at our office. This will not take place until January and I will be announcing this again. Suzanne deJong.
