Castoria. "Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children." D. G. C. OSOON, Lowell, Mass. "Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interests of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other harmful agents down their throats, thereby sending them to premature graves." LEPAGE'S OLD STAND.

AFTER DANGERS OF LA GRIPPE. A Boston paper facetiously remarked that "La Grippe" is seldom fatal unless you will all the remedies recommended for it. They are correct. The writer fully believes that the end of the poor "grip," victim, if he tried all the patent medicines that have adorned (?) the pages of our leading newspapers is "La Grippe." "La Grippe" would be like Mark Twain, who by his famous cod liver remedy, advised by friends, until his stomach became so weak he began to vomit and continued until, as he says, "he was like to throw up his immortal soul!" We notice one of the leading advertisers of the day has been conspicuous at this opportune time by the absence of any claim to cure the "grip," and we feel like giving them a free "ad" for their compassion upon our readers. The more so for the reason that probably more people have used their remedy, that good old family medicine, Johnson's Amoy's Compound, than all others combined. And why not? Certainly no other will relieve catarrhal colic, coughs, bronchial troubles or influenza, as promptly as that same old Johnson's Amoy's Compound. The real after-dangers from this epidemic disease is, it leaves the mucous membrane linings of the nose, throat and bronchial tubes tender and very susceptible to the catarrh, bronchial troubles and pneumonia which come with February and March in our northern climate. The Proprietors, I. S. Johnson & Co., Boston, Mass., will send their new illustrated book, entitled "Treatment for Diseases," free to any person for the asking.

A report showing the average wages of women servants in London is interesting to American housekeepers, if only as evidence of the large increase to them of a trip across the Atlantic in the eyes of those who demand luxury. The general housework girl in London gets \$6.50 a month; a cook about \$9; a nurse \$8; and a laundress \$8.25.

A LIBERAL FARMER. He Would Pay \$100 for One Fifty Cent Article if the Price Were Raised That He. NEWCOMB MILLS, Feb. 25.—Chester Loomis of this place is willing to pay \$100 for what can now be bought for fifty cents, in case the price rose to that figure. Mr. Loomis says Dodd's Kidney Pills are worth that to him or any man afflicted with kidney disease. He ought to know, too, for he had kidney disease so bad for some years that he could do no work and could not ride in a buggy because of the pain it gave him to do so. Dodd's Kidney Pills relieved him, and he will be glad to make affidavit to this fact if his plain statement is not thought sufficient.

Parisian women are, some of them, wearing hand-painted gloves. One in which a well-known leader of fashion in that city appeared was of dull white silk, and had over the plain flaring skirt large painted baskets loaded with flowers.

SEIZE THE OPPORTUNITY AT ONCE. When the opportunity occurs to escape from death only lunatics will refuse to do it. But there are many consumptive people lying on death beds who can escape the threatened doom if they will take Miller's Emulsion of Cod Liver Oil. Some are not aware of such a preparation, and if they die it will be the result of ignorance. Those who know that Miller's Emulsion makes new blood and enables the consumptive to get strength to overcome the disease are self-destroyers if they neglect to obtain the life-giving remedy. Miller's Emulsion is the great nerve strengthener and blood maker, and cures Coughs, Colds, Bronchitis, Scrophala, and all Lung affections. In Big Bottles, 50c. and \$1, at all Drug Stores.

The Literary Chump—You never read my volume of poems did you? His Victim—No, but once I was sick in bed for eight days. It relieves retention of water and pain in passing it almost immediately. If you want quick relief and cure this is your remedy. Sold by S. W. Dodd, Druggist.

Women are gradually winning recognition in China. Twenty years ago you could buy a pretty good sort of a wife for \$25. Now the price is \$250, and the market has an upward tendency.

They Do Not Despair. An utter loss of hope is not characteristic of Consumptives, though no other form of disease is so fatal, unless its progress is arrested by use of Scott's Emulsion, which is Cod Liver Oil made as palatable as cream.
