TEA AT TUNISH.—A tea party will be held at Tunish on Thursday, August 15. Excursion trains will be run between Charlottetown, Summerside and Tunish. Arrange to attend.

WAS NOT APPRECIATED.—A town called Oucheng, in New Zealand, had a woman mayor last year. She wiped out the floating fund of the town and added to the sinking-fund, but was not re-elected.

THE SACRAMENT OF THE LORD'S SUPPER will be dispensed in Strathalbyn, D. V., on the 28th inst. The Rev. Alex. Sutherland, of Ripley, Ont., a former pastor of the congregation, and Rev. Alex. Sterling are expected to be present to assist the pastor.

EXCURSION TO BELFAST.—A Grand Excursion will take place in the steamer Jacques Cartier, on Monday, the 25th of August, from Vernon River, calling at Brush Wharf, China Point and Halliday's wharves, thence to Summerside and back. A FEW OF NATURE.—In the same tent with the horse Edison, at the Miscouche tea, was another very remarkable freak of nature, owned by Mr. J. Albert Brennan, Tignish, in the shape of a stuffed skin of a calf with two heads, two breasts, two tails and six legs, all perfectly formed and most curiously joined. This curiosity was the property of a cow Tignish, and Mr. Brennan intends exhibiting it or disposing of it to some museum.—Agriculturist.

KILLING THE GRASSHOPPERS.—Millions of grasshoppers have been found dead in Eastern Colorado, and the entomologist of the agricultural college there has discovered that they have died from a contagious disease, similar to cholera or tuberculosis in higher animals. Farmers of Nebraska, Kansas, and Colorado, where the grasshoppers threaten, to be a scourge, are hoping that the disease will continue its ravages.

CRICKET AT WOODSTOCK.—Last Wednesday at Woodstock, N. B., the Woodstock cricket club defeated the first Fredericton team by one inning and 33 runs. In the evening the visitors were entertained at a ball given in their honor. On the Queen's Birthday the same team defeated one from St. John. Mr. A. E. Mellich, Merchants Bank of Halifax, formerly of this city, was wicket keeper and made high scores in both games.

P. E. I. HOSPITAL.—The trustees of the P. E. Island Hospital wish to convey a cordial vote of thanks to Miss Evelyn Carey and the other ladies who assisted her in getting up the Garden Party; also to C. D. Rankin Esq. for the use of his beautiful grounds; to the band for discoursing sweet music; to the press for their free advertising; and to the public generally who aided in making it a success. The net proceeds amounted to the handsome sum of \$112.33.

THEY'RE ENGAGED NOW.—Here is a little romance that occurred recently in Portland, Me. He was a clerk in a large wholesale house and used the telephone constantly. At certain periods his calls were answered by a sweet voice which seemed to soothe his tired, weary nerves and strengthen him wonderfully. He grew to listen for that voice, dreamed of it, and finally it became a part of his life. One evening in the theatre he heard it and recognized it at once. For a long time he sat at one table and dare not look at the possessor of the voice, for fear he would be disappointed. But he wasn't, and now they're engaged.

REMARKABLE SHOOTING AT TURRO

Private Burns, 63rd, was visiting in Turro yesterday, and with Lieut. Cribb and Dover, 75th, went out to the range for a practice shoot. The day was beautiful for shooting, as a result splendid scores were made by the trio—Burns making 96, Cribb 95 and Dover 93. The remarkable part of the shooting was at the long ranges, 500 and 600 yards, Cribb making 69 out of a possible 70, and Burns 68, which will rank with the best scores made in Canada at these ranges. The particulars will be found in the detailed scores:

Table with 2 columns: Name and Score. Burns: 200 yards, 4 4 4 4 4 4-28; 500 yards, 5 4 5 5 2 4-29; 600 yards, 5 5 5 5 5 5-35. Cribb: 200 yards, 4 5 5 5 5 5-34; 500 yards, 5 5 5 5 5 5-33. Dover: 200 yards, 4 4 4 4 4 4-28; 500 yards, 5 5 5 5 5 5-35.

FFF. For Fine Furniture. "Truth never fears a rigid examination." The best recommendation of our Furniture is the Furniture itself, whether seen at our Warerooms or after years of use. It unites the qualities ordinarily separated by the dealers—good construction, beauty, low price. It separates the qualities ordinarily united—artistic work and costliness, low price and inelegance. The closer its examination as to both quality and price, the better satisfaction will it give.
