CONCERT AT VICTORIA.—An audience that filled the rink building at Victoria, Lot 29, assembled last Friday evening to hear the concert and entertainment got up by the efforts of Mr. H. Allan, and other guests of the Pleasant View Hotel for the purpose of helping the Hampton Methodist church S S funds. The success of the affair was beyond question as the programme was a fine one and well carried out. Many of the local favorites of Charlottetown assisted. Mr. Allan, whose splendid voice was a revelation, was warmly received, and Professors Watts and Grant, Miss Collings, Mr. Hatfield, and many others contributed to the pleasure of the audience as the liberal applause testified. Financially the entertainment turned out even better than was expected, the amount needed being more than realized.

THE MISCOUCHE TEA.

Miscouche has again come to the fore in the tea party line. Its old teas, in the time of the building of the church, used to be the annual event of that part of the county. No tea has been held there the last two or three summers, but the tea which was held on Tuesday probably exceeded in the number in attendance and in other ways anyone which has ever taken place at this favorite centre. Early in the morning numbers began to drive in; the trains brought large contingents from east and west, from Charlottetown and Tignish, and in the first part of the afternoon the roads leading to Miscouche were one cloud of dust, continuous streams of buggies, carriages and truck waggons bringing to the tea farmers and their families all out for enjoyment. This was splendidly provided by the committee in charge. The dinner and tea tables, groaned, as the saying is, under the good things provided by the ladies of the parish; the refreshment tables were surrounded all the time, and those in charge of the swing, the striking machine, the bowling alley, the wheel of fortune, the dancing saloons and the rubber balls were kept busy from morning till night. A large wind-mill set up on the grounds attracted considerable attention. The Miscouche band provided music during the day, and a number of little girls danced around a maypole set up on the band stand. At the auction of the cakes good prices were obtained. In the large crowd it was impossible to tell who were present, but among the number we noticed Mr Gilbert DesRoche and Mr J F Arsenault, M. L. A's.; Mr, Richard Hunt, and Mr. A. A. Lefurgey, Summerside, Mr S E Glalant, Richmond, Miss Lefurgey, Charlottetown, Mr William Reid, and Mr F W Cannon, St. Eleanor's besides a large number of priests. Father John and those in charge of the tea and all the people of Miscouche are to be congratulated on the great success which attended their efforts. We were sorry to notice on the grounds and on the roads going home a large number of men, besides several women, under the influence of liquor. But this is probably impossible to prevent—at least until we get prohibition.

The Peoples' Druggist

Drugs are expensive, Sometimes they are more expensive than need be.
And sometimes they are not so reliable as they ought to be.
There was a time when the prices of drugs were away up—too high altogether.
That is not the case now. The Apothecaries Hall changed that some time ago.
You can get perscriptions from pure drugs at the proper prices— no fancy profits
You can get all my reliable special remedies; they've been tried and found effective.

The price — the main thing —will be found right in every case.
