MILBURN'S
HEART & NERVE
PILLS
MAKE WEAK PEOPLE STRONG

Mrs. James Constable, Seaforth, Ont., writes:—"Ever since I can remember I have suffered from weak action of the heart. For some time past it grew constantly worse. I frequently had sharp pains under my heart that I was fearful if I drew a long breath it would cause death. In going up-stairs I had to stop to rest and regain breath. When my children made a noise while playing I would be so overcome with nervousness and weakness that I could not do anything and had to sit down to regain composure. My limbs were unnaturally cold and I was subject to nervous headaches and dizziness. My memory became uncertain and sleep deserted me."
"I have been taking Milburn's Heart and Nerve Pills, and as a result am very much better. I have improved in health and strength rapidly. The blessing of sleep is restored to me. My heart is much stronger, and the oppressive sensation has vanished. I can now go up-stairs without stopping and with the greatest of ease, and I no longer suffer from dizziness or headache. It seems to me the circulation of my blood has become normal, thereby removing the coldness from my limbs. I can truly say that Milburn's Heart and Nerve Pills have done me a world of good."
