PSYCH CLUB NEWS!

The Psych Club Pub was held on Thursday. The Prez was loaded to the gills. It was something like now you see it, now you don't. Those drinks were going down faster than anything I've ever seen before. Let's just hope it all stayed down. The Club had a GREAT time! Can't wait for the Christmas Party!

Many thanks to Mark for his last minute deals! We appreciate it very much.

Don't forget:
Nov.13 is Honors Day with Prof Beth Percival in the Psych Lounge from 1:00 - 3:00 pm.

Nov.20 is Graduate Information Day for those of you who are wondering what to do after graduation. It will be held in the Psych Lounge at 1:00 pm.

Our next meeting will be on Wed., Nov.18, at 12:30 pm. If anyone has any ideas for a T-Shirt, please bring them with you.

AN OPEN INVITATION FOR PARTICIPATION FROM THE UPEI WOMEN'S CONSTITUENCY GROUP

As many of you may already know, a Women's Constituency group has been formed on campus. However, what many of you do not know is what our existence on campus means.

WHO WE ARE:
We are a group of men and women made up of students, alumni and faculty members concerned with women's issues on campus such a violence against women, pornography and gender neutral language.

WHAT WE ARE WORKING FOR:
We are currently in the process of becoming a sub-organization of the Student Union. Our current plans and projects include:
- the creation and establishment for a Women's Center on campus, ''a safe place'' for all women on campus by they survivors, information-seekers, or simply in need of a place to relax and veg out.
- a December 6th memorial for the victims of the Montreal Massacre
- the formation of a White Ribbon Campaign on campus for men against violence against women
- the enforcement of the existing gender-neutral language policy on campus

WHEN/WHERE WE MEET:
We meet every Sunday evening in Main 211 at 6:00 pm where we discuss new ideas/approaches, hear from various invited speakers and make plans for upcoming events.

WHY WE MEET:
We meet because we care about women's issues on campus and because we've made a commitment to change and awareness.

And we encourage others to do the same.

Come, join us at our next meeting. Bring your ideas, your concerns, and your help.

ALL ARE WELCOME!!!
