ROBUST YOUNGSTERS enjoy a game of hockey on the Sherwood Village outdoor rink. The rink is maintained by the village and is in the third year of operation. A 12-man committee looks after the rink and provides skating and hockey instruction for the children in the area.

Sherwood Rink Is Bustling Spot

By BERNIE RAINE

The Sherwood community outdoor rink has been in operation for two years and is now in its third, providing children of all ages with a place to learn to skate and to improve their skating ability.

The rink was started three years ago and a committee of 12 men was appointed to administer its operation. The chairman is John MacAleer, one of Sherwood village commissioners.

The rink is 190 by 85 feet in size and has a lighting system and is boarded in. All the necessary equipment such as nets and players' benches are provided. It is built on part of the property of the Sherwood school, and due to the kindness of the school trustees an unused two-room, heated school building is used as a dressing room, adjacent to the rink.

The rink is operated by funds donated by citizens of the village. This money supplies a full-time caretaker and supervisor for the rink, and pays the assorted expenses.

The schedule for the rink is drawn up so that ice time is supplied for all comers from pre-school age to adults. Many hours are given to skating and hockey instruction by Harold Betts, Bert Constable and John Norton, who are assisted by other residents.

HAS OWN WELL

In the two previous years of operation, the rink was flooded by the members of the Sherwood volunteer fire department, but this year a 185-foot well with an electric pump was installed to provide the water needed for flooding.

Nine weeks of skating is the usual length of a season opened in the second week in December. The provincial director of physical education, David Boswell has been a great help in giving advice and financial assistance where possible and has expressed his desire to see more of these outdoor rinks.

LOCAL BRIEFS

IS PATIENT

Edward White 222 Weymouth St., is a patient in the Prince Edward Island Hospital.

LIGHT DOCKET

Pleading guilty to the possession of intoxicating liquor in a place other than his residence an accused was fined $20 and costs or 30 days by Magistrate A.J. Haslam, QC, in city police court Saturday. Failure to stop for a red traffic light resulted in another man being fined $10 and costs or five days. A third person for failing to stop at a "stop" sign was fined $5 and costs or two days.

TAKES THE MONEY

John Morrison, Mt. Edward Road, Charlottetown, recently awarded a choice of a 10-day African safari or $3,500 cash by Canadian Industries Ltd., has decided to take the cash, because he said he wanted the money in the bank.

Merged Trust Companies Show Net Profit Increase

Representing the combined operations of the Eastern Trust Company and the Chartered Trust Company, the first annual report of the two companies since their merger has been issued.

Net profits of $1,164,862 are shown. This represents earnings of $2.18 on each of the company's 535,268 shares outstanding.

Total funds on deposit by the public, through savings accounts and guaranteed investment certificates is approximately $195,000,000 and estates, trusts and agencies under administration are shown at close at $475,000,000. Total assets shown at $684,743,695. This represents an increase of approximately $77,000,000 over combined figures of Eastern Trust and Chartered Trust at the end of 1962.

With representation in all provinces Eastern and Chartered Trust Company has some 23 branches spread from coast to coast, with further branches to be opened in the Toronto area and at Sydney, N.S., and Fredericton, N.B. later in 1964. The annual meeting of shareholders is to be held in Toronto Feb. 13.

Legislature Opening Plans Moving Into Final Stages

By DON MacLEOD

The Speech from the Throne is now in the final stages of preparation, and should be in the hands of the printers before the end of this week.

This, the 20th General Assembly of Prince Edward Island, will be the first to be opened on Feb. 11 by Lieutenant-Governor W.J. MacDonald since his appointment last year as Her Majesty's representative for this province.

The speech, which outlines the government's program for the coming year, is not expected to set a record for length, possibly running to about 40 paragraphs, compared to 36 last year. Several years ago, the speech ran almost double in length to last year's prompting charges of "verbosity" from the Opposition.

HINTS ON CONTENT

While cabinet officials are usually tight-lipped about the contents of the Speech from the Throne, there has been some indication this year of the kinds of legislation that will be introduced at the 1964 session.

Provincial Secretary J. David Stewart said it is planned to introduce a revised Highways Traffic Act and his department, in co-operation with agriculture and industry, is expected to introduce legislation on water pollution.

The minister of agriculture, Hon. Andrew MacRae, said he will introduce legislation banning the use of poisonous potato top killers, and legislation setting up a system of branding or tattooing for livestock.

Other ministers have indicated that a number of acts will be amended, but so far have not said they will introduce major legislation.

CHANGES DUE?

There has been speculation on a number of possible items the House will deal with, however, and these include changes in the province's jail system; changes in liquor control laws; amendments to the Electoral Reform Act; money for Centennial observances; money for the P.E.I. Industrial Corporation; money for the proposed provincial government office building; a new wage scale for civil servants; and the proposal that Prince of Wales College be given university status.

Opposition Leader A.W. Matheson has said he may take a different tack this year in the House. "House rules and procedures need improving," he said, and I may speak on this in the debate on the Speech from the Throne." One of the sore points with Mr. Matheson is that House consideration of the budgetary estimates, "the most important business of the session," is usually left to the last few days and "rammed through when everyone is tired."

Mr. Matheson said, however, the Opposition "will support anything worthwhile legislation and will do its utmost to oppose legislation that is not considered to be in the best interests of the province."

CAUCUS NEXT WEEK

Conservative members of the Assembly are expected to meet in caucus in Charlottetown next week to plot their strategy for the session.

Standings in the 30-seat House are: Conservatives, 18; Liberals, 11, with one vacancy, caused by the resignation of Prince County Conservative member, Lorne Monkley, who was appointed chairman of the provincial civil service commission.

The Assembly chamber will have a new look for the session. New red carpeting has been laid; walls and ceilings have been cleaned and painted; and the government and opposition will face each other across the chamber. The rail has been set back, eliminating spectator room and spectators will now have to sit or stand in the upper gallery.

Youth Sunday Services Held In York Area

Special Christian Youth Sunday services were held by the York United Church pastoral charge yesterday by the minister Rev. Frank Lacey.

Special speaker at all three services held at York, Central and Brackley churches, was Nelson Vessey, who spoke on a model boys' parliament which was held in Sackville, N.B. and which Mr. Vessey attended.

A special speaker was also heard at each church on a model boys' parliament which was held in Summerside last week. Gordon Vessey, York spoke at the York service, while Elmer MacIntosh spoke at Central and Reg. Mosher at Brackley.

Raymond Chappell led the York service and Robert Bryenton led at the Brackley service. The Central service was led by David Thompson.

Scripture at York was read by Roland Vessey at Central by Allison Swan and at the Brackley service by Richard Johnston.

Liquor Prices Hiked On Sat.

Last Saturday new increased retail prices for liquor in this province were put into effect by the P.E.I. Liquor Control Board. There was no change in the price of beers and wines.

On some brands of 13-ounce bottles the increase ranges from five to 15 cents, and on the 26-ounce size the increase is up to 25 cents.

The new prices were predicted recently following receipt of word from some distillers that they planned to increase their prices to the commission.

Garbage Collection Details Outlined By City Council

By MIKE DUFFY

Specific details regarding the collection of garbage, time of collection, materials which will be taken, were laid down by City Council at a special meeting Saturday morning when it passed the by-law relating to the compulsory garbage collection and disposal system in this city.

It was also strongly emphasized that the system will apply to every individual householder whether he or she be in a single house or a multiple type dwelling.

The amount which will be collected is limited to two cubic yards per house, per week. This is approximately 13 standard size garbage cans full.

The city has given separate meanings to the terms "garbage" and "refuse".

"Garbage" shall include all animal and vegetable waste material from the preparation of food, cans, sweepings, paper, cardboard, wearing appeal, ashes, bottles, glass and discarded household articles.

"Refuse" shall include garden cuttings, leaves, twigs, tree limbs and shrubs.

All garbage must be kept in watertight, metallic or plastic containers, with a tightly fitted cover. They shall be of a capacity of not less than one cubic foot and no more than four. When full, the container must not weigh more than 60 pounds.

If the receptacle is not of the required type, or is rusted, the garbage inspector will affix a tag to the container and it must be replaced within a week. If it is not replaced, the city will discontinue the collection from that house. The cans must be kept sanitary, and all animal and vegetable waste must be drained and wrapped in paper before being placed in the container.

All magazines, newspapers and other waste paper, including cardboard cartons, must be tied in neat, secure, bundles and be placed with the receptacle for collection.

Mattresses must be folded at least double and should be securely tied. They are to be placed next to the garbage container.

REFRIGERATORS

Any householder requiring the removal of a refrigerator, must first remove the door. The department must be notified immediately the machine is ready for removal.

The city will be responsible for removing all branches, leaves and brush which are securely tied and placed on the boulevard. The bundles must not exceed four feet in length. This does NOT include Christmas trees.

Refuse other than branches, limbs and brush must be placed in containers to prevent their escaping. This does not apply to leaves. No refuse or garbage cans may be placed in the gutter.

Portions of tree trunks set out for removal by the city forces must not exceed 60 pounds each in weight and are limited to a total weight of 200 pounds per house, per week.

Penalties for breach of provisions of the by-law shall be limited to a fine not exceeding $50 and in default of payment imprisonment not exceeding 10 days.

Any special arrangements which the householder may have had with the garbage collectors such as in the case of the elderly, taking garbage out of, or down from the house or apartment will have to be made with the present contractor and will be a private arrangement.

Coun. Elmer MacRae suggested that a rider be attached to the present five-year contract which would call for a review of the twice weekly collection system in winter when the present contract termants. There was some discussion on this point and it was finally dropped.

DELAY BY-LAW

The proposed re zoning by-law was given first reading by the council and it was decided to delay the second reading until after the civic election Feb. 12.

The new by-law would enlarge the present commercial zone in the Malpeque Road-Elm Ave. area to include the eastern side of Newland Crescent. Several complaints had been received from residents of this area opposing the changes.

Mayor Gaudet suggested that the town planning board consider the idea of leaving a residential area some 70 feet deep on the eastern side of the crescent so that residents of the street would have the commercial zone at their rear instead of in front of them.

Coun. Walter Cox said the residents of the area could make their complaints to city hall before Feb. 7.

Three resolutions were brought before the council, and were all unanimously approved.

WAGE AGREEMENT

The first resolved that the city accept the wage agreement as negotiated with Local 501, Charlottetown Civic Employees Union as suggested by the special committee.

The second resolved that the legislature be petitioned on behalf of the Commissioners of Sewers and Water Supply for authority to issue water debentures and sewer debentures to a total of $220,000, in accordance with their resolution of Dec. 30, 1963.

The third resolution resolved that the legislature be petitioned for an act to authorize the issue of debentures to the amount of $238,000 to refund expenditures for permanent works for the year 1963.

Mrs. M.D. Martin Dies At Age 87

MONTAGUE — The death occurred in the Kings County Memorial Hospital, Montague, on Jan. 31, of Mrs. Malcolm D. Martin, 87, of Valleyfield. She was a daughter of the late Mr. and Mrs. Kenneth Martin of Glen Martin.

Mrs. Martin was a life-long resident of Valleyfield on the farm which was the first one established in the area. She was a member of the Valleyfield United Church and an active worker. She also took a keen interest in the activities of the women's institute.

Mrs. Martin is survived by six sons and one daughter. They are, Donald, Montreal; John, Charlottetown; Angus, at home; Charles, Saskatoon; Callum, Bellview; Allan, Charlottetown, and Catherine, Mrs. Arthur Burns, Charlottetown.

A sister Marjorie, Mrs. J.A. MacPherson, formerly of Valleyfield and now of Toronto also survives.

Her husband and a daughter Mary predeceased her.

The remains are resting at her late residence. Funeral will be held from Valleyfield United Church tomorrow (Sunday) at 2 p.m. Interment will be in the Valleyfield Cemetery.

CITED FOR MURDER

TROIS - RIVIERES, Que. (CP)—Real LeClaire, 20, of Notre Dame du Bon Conseil, Que., was charged Saturday with capital murder for the slaying of a priest strangled in a motel nearly a month ago. Preliminary hearing was fixed for Feb. 8.

236 St. George Street, Moncton, N.B.

GROUNDHOG FAILS TO SEE HIS SHADOW

The groundhog didn't see his shadow in this province yesterday. According to folklore, that means the worst of the winter is over and the little fellow ends his long sleep in the expectation of an early spring. If he had seen his shadow he would have crawled back for another six weeks. However, with return of winter weather late last night, he may have second thoughts on the matter by this morning.

Break Foiled At Geo'town

GEORGETOWN — What could have been the fourth break in ten months into the Royal Canadian Legion Hall in Georgetown, and the second in a week was foiled at about 1.30 a.m. Sunday when town police noticed two men acting suspiciously.

When the men spotted the car, occupied by town police officer Ernest MacLean, and his deputy Billy Lavers they hurriedly left the scene.

Upon investigation it was found that an attempt had been made to force the hasp and lock on the front door of the hall. The incident is under further investigation by town police and the RCMP.

NAME WILGRESS

OTTAWA (CP) — Dana Wilgress, Canadian diplomat and economist, has been appointed permanent head of the Canadian delegation to the United Nations conference on trade and development, External Affairs Minister Paul Martin announced Friday. The conference will be held in Geneva March 23 to June 15.

Canadian Book Fair Planned

Something new in Canada, a "Book Fair" will be a feature exhibit in the new Fathers of Confederation Memorial Library Building as soon as it is completed.

The fair will contain volumes of Canadiana in historic and public affairs published by all Canadian publishers.

The exhibit is being assembled by the Book Publishers Council of Canada, and it will be on display throughout the Centennial season.

This exhibition is a valuable one in that it will show visitors and our own citizens, especially young people, what Canada is producing by way of books. It is expected that a section of the Library will be set aside for this exhibition and will be opened daily for public inspection.

R. Taylor Tops Photo Contest

Cpl. Rod MacKenzie, RCMP, was the judge of the black and white competition at last week's meeting of the Charlottetown Camera Club.

The classification was "Fences" and Roland Taylor placed first and third, with Mrs. Frances Davies second.

Mrs. Ian Craig of the P.E.I. Hospital Ladies Aid visited the meeting and discussed plans for the forthcoming photos the club is taking for the fashion show.

An interesting film strip on print projection was shown by Ansco of Canada, and Francis Blanchard entertained the meeting with an excellent collection of color slides of France.

The president, Roland Taylor, conducted the meeting and coffee was served at the conclusion.

LABOR FORCE UP

Sweden's labor force increased by about 40,000 persons to 3,810,000 in 1963.
