SPECIAL NOTICE

It is my privilege on behalf of the Prince Edward Island Roadbuilders' Association to emphasize the importance of our safety programme in the construction industry.

From Aug. 10 to Aug. 21 we are competing in the National Roadbuilders' Contest. Last year we tied with Nova Scotia in this contest; both provinces being accident free. Let us do our utmost to duplicate this feat.

Remember that safety is something that just doesn't happen, we must work for it so it becomes part of our daily life.
