Races at Amherst Last Evening

AN ACCIDENT STOPS SMITH AND
UNSWORTH.

None of the Races in Fast Time.

AMHERST, Aug. 19.—About one thousand
people attended the bicycle races on the
club track here last night. The best
riders in the provinces competed in the
events.

In the half mile open Smith and Un-
sworth met with an accident which prevent-
ed them from competing in the other
races.

The first and second finals in the half
mile were won by McDiarmid of St. John.
The second was won by Salmon, also of
St. John.

Mumford, of Amherst, won the mile
three minute class with Steele of Amherst
second.

The sealed distance race proved to be
one and a quarter mile. McDiarmid was
the winner.

Steele, of Amherst, was first in the final
of the 120 class, half mile. Rodger and
Kent tied for the second place, and in
the run off Rodger came in a few inches
ahead.

Salmon, of St. John, was first in the
mile open, with McDiarmid second.

The starters in the five-mile race were
Salmon, McDiarmid, Stanfield, Mumford,
and Gillespie. Salmon was first, McDiarmid
second and Stanfield a close third.
Time 14 21 1.5.

None of the races were in fast time, the
condition of the track not being favorable
for record breaking. The races will be
continued this evening.

INTERNATIONAL YACHT RACE

The Canadian Yacht Wins Handsomely

MONTREAL, Aug. 19.—The Canadian
yacht, Glencairn II, again, for the third
consecutive time, showed herself a better
boat than the Momo, of the United States,
in a stiff breeze, and by her win over the
latter secured to Canada for another year
the handsome challenge cup of the Sea-
wanhacks Yacht Club.

The course was the same as on Monday
—three times around a triangle each leg
of which was a mile and a third in length.

When the whistle blew at 11.25 the
Momo shot across the line and the Glen-
cairn followed just behind but to windward
of her.

Five minutes after the start the Glen-
cairn had a good fifty foot lead.

The time when the yachts completed
the first round was Glencairn 12.05½,
Momo 12.08½. The time at the finish of
the second round was Glencairn 12.49,
Momo, 12.49.

The time at the finish was Glencairn,
1.29.00, Momo, 1.31.26.

LONDON, Aug. 17.—Canada almost mon-

Some of the leading journals have two

tion meeting at Toronto.

WINNIPEG, Aug. 17.—Manitoba farmers
are still anxiously awaiting the arrival of
farm hands from eastern Canada. The
harvest is now quite ready, but laborers

on getting good wages.

SIMLA, Aug. 17.—The Ameer of Afghan-

CHICAGO, Aug. 17.—The wonderful
change in the wheat market was surpris-
ing. Activity gave way fully to a dullness
that was tiresome after the big trade and
rapid changes of the past month. The
clique brokers were doing nothing of con-
sequence in September, but they sold
December heavily. September is becoming
more and more congested, and it will, no

Boston, Mass., Aug. 19.—Mrs Char-
lotte Smith, who has taken an active in-
terest in woman's rescue league work,
has written letters to the chairmen of
the Democratic and Republican city
committees protesting against the nomi-
nation of mayoralty candidate, this fall,
of Josiah Quincy and Edwin U. Curtis,
respectively, because they are bachelors.
The letter says:—"Bachelors have al-
ways been failures as chief magistrates
and legislators in this and every other
country. Both your candidates are
bachelors, and bachelor politicians are
narrow-minded, selfish, egotistical and
cowardly. David B. Hill, of New York,
who posed as the bachelor presidential
candidate, is a typical illustration of this
class of men. He is morally selfish." She
suggests the formation of antibachelor clubs
and adds:—"We have too many tempo-
rarily married politicians on the market."

KLONDYKE.

Montreal-London Gold and Silver Company.

In another column of to-day's Examiner
will be found the advertisement of the
Montreal London Gold and Silver Develop-
ment Company, Limited, which has been
formed for the purpose of acquiring and
working claims in the golden north. This
company, we understand is the first
syndicate formed in Canada and already
they have despatched an expedition to the
gold fields of the Klondyke. The Company
has among its officers and directors some
of the leading men of Canada and has
been doing a rushing business. According
to the Montreal Star \$300,000 is understood
to be now subscribed. The object of the
expedition sent out a short time ago is to
explore and locate claims in the Klondike
and the tributaries of the Yukon and mine
them, and also to buy up desirable claims.
The Company's engineer, Mr. Bernard
McDonald, is a man of 25 years experience
among the mines of America, and he is
admitted to be at the head of his profes-
sion. It is now conceded that the Montreal
London Company is the strongest and
most legitimate mining company operating
in Canada. Messrs. Carey & J. McCue &
Co., Brokers, of Montreal, are the man-
agers of the company. For further par-
ticulars apply to Mr. James J. Johnston,
Barrister, Charlottetown, who is the agent
