

FRESHMAN NEWS

The Pig n'Whistle to be held Thursday Oct. 6 will be a Wet/Dry Pig. This is an extra feature and of special interest to all people who have not reached the golden age of eighteen. A big turnout of minors (not including coal miners) is hoped for because if the turnout is big, more of these type of Pigs will be held. So, minor Freshmen head out to the Pig for a lot of fun Thursday and on other Thursdays.

A Frosh class meeting was held Mon. Oct. 3, 6:00 in the Panther Lounge. One of the many happenings is a decision to hold a Frosh Lottery. The Prizes will be 3-40oz. bottles of booze, 1 pass for the Winter Carnival, plus 10 beer tickets. Tickets are only 25¢ or a book of 5 for \$1.00, please support this and buy a couple of books. You could have quite a celebration. Tickets will be on sale Thursday at the Pig, plus

Frosh students will be selling them on Campus throughout the next 2 weeks. Any one willing to buy or sell tickets contact: Stephen Yeo, 314 Marion, 4-9061. The draw will be held, Wed. Oct. 12, at the Disco at the Barn. Please support this draw!!!

A class meeting for Frosh will be held every two weeks on Mondays. The next will be on Wed Oct. 17, at 6:00 in the Panther Lounge. Get involved and come out to your Frosh meetings.

If anyone of you intelligent people out there have any fund raising ideas please contact one of the following people.
 Maria Driscoll - 4-8338,
 Sandra Saunders - 4-3519
 Stephen Yeo - 4-9061

If anyone has any ideas for your Frosh column, besides its cancellation, please contact:
 Kevin Walker
 104 Marion
 894-9061

SENIOR HAPPENINGS

At the recent Senior Class meeting, Wednesday, October 5th, the Financial Report was presented to the 35 people present. The Co-Ed brought in a profit of \$142.00, the Saturday Pub brought in \$158.00, which when added to last year's fund gives a grand total of \$475.00.

On the meeting agenda, Grad rings and Grad pictures were discussed. Ross Stewart, who is in charge of the Grad rings, reported that the 80 rings already ordered (two weeks ago) are due back Dec.

1st. There will be another Ring Day coming up soon.

On the subject of Grad pictures, Marilyn Wells and Brian MacKenna, stated that they had checked with Sears Photographers and found them to be more expensive than Heckberts. A picture day has been set up. Sitting fee this year is \$10.00, and proofs will be returned within three weeks of the sitting. Re-ordering can be done after Christmas. For further information on Grad pictures contact Marilyn Wells or Brian MacKenna.

ACT V ACTORS

Hi!
 You may be wondering why this list of names appears under this article. Well... we all have something in common, or should we say, shared something in common. What?

Good question. We can tell that you are all inquisitive university students. The fact is we just spent a weekend at Tabor House. What's a Tabor House? It's an old house on Mt. Edward Rd. converted for gatherings of community groups who want to share some time together. We spent most of the time searching for ourselves, finding ourselves and being ourselves. Sounds boring and dreadfully serious, but none of us returned to U.P.E.I. before the weekend ended and none of us returned more serious or philosophical than when we left. IMPOSSIBLE!!

Well, let us explain. Most of us had questions or doubts about life. Being Christians, we all considered the fact that there is a God, but there is more to life than speculation. There is also more to life than existing. And for the past weekend, 31 students did more than just exist. We shared our ideas and feelings about certain

aspects of our everyday routine of classes, residence life and friendships. ACT V - an Adult Christian Thinking weekend - was designed by and for students to give them a opportunity to meet off campus, in a small group and share in 48 hours of laughter, songs, good food new friendships and down-to-earth thinking. We all agreed that the weekend was a great success as a learning and living experience. You had to be there to know what it was really like. We're only sorry that you missed it. However, late next January, ACT VI will be held. Please keep it in mind and we hope to see you there.
