

CAMPUS CABARET

The first U.P.E.I. Campus Cabaret was held at Confederation Centre, Sunday night.

This novel and brave attempt by U.P.E.I. students to do what has never been done before in all of U.P.E.I.'s history, filled the Centre. U.P.E.I. and Holland College students, as well as faculty, student service personnel and other interested members of the community attended this historical event.

We would like to extend our congratulations to all the actors and actresses who worked so many long and tiring hours. They did a very fine job!

Also worthy of mention are the participation of Student Services and faculty. Without them Campus Cabaret would not have been what it was.

We were especially pleased to see the Music

Department participate to the extent they did. Their performances, both musical and dance wise, showed much work and musical talent.

However we feel that the skits were amateurish and lacked in comedy. The Cadre staff can sympathize because we are up against the same problem -- lack of student participation and involvement.

We also feel that a better sound system would have greatly enhanced the show. It was difficult at some points to hear what was being said,

Last but not least Wade MacLauchlan must be commended for his presentation and for making those awards possible.

Once again we wish to thank all and appreciate the amount of work that was done to bring us this first of many other Campus Cabarets.
