

Miscellaneous Items.

WATCH MAKING WISDOM.—When Charles the Fifth, Emperor of Germany, abdicated his throne and became a monk, he amused himself with the mechanical arts, and became an expert watch-maker. His watch-making taught him a few truths which he had never learned during his kingship. One day he exclaimed in amazement: "What an agreeable and pleasant amusement! What an agreeable and pleasant amusement! What an agreeable and pleasant amusement!"

TARA THE RASCALS OUT.—We refer to success as dyspepsia, bad blood, biliousness, constipation, sick headache, etc., infesting the human system. Turn them out and keep them out by using Burdock Blood Bitters, the natural blood purifier, which invigorates, tones and strengthens the entire system.

DARWINIAN ITEM.—A Harlem boy came from school very much excited and told his father that all human beings were descended from the ape, which made the old man so mad that he replied angrily: "That may be true, my son, but don't you see I can tell you, my son, that the boy didn't say anything, but when his mother came home he told her about it."

An Astonishing Hotel Man.—It is stated that a hotel man, in Toronto has posted up a notice stating that all diners at his place who use Burdock Blood Bitters will be charged 20 per cent extra. We do not know how true this is, but B. B. B. undoubtedly does the work and does it quickly and well.

MARY'S ANSWER.—A Scotchman took his sweetheart to a graveyard, and showing her a dark corner, said: "Mary, my folks lie there." Would you like to lie there when you die? Popping the question is a grave business, it was particularly so in this case. Mary's answer is now recorded, but no doubt she blushed and said: "This is tomb man."

No More Bother.—Gentlemen,—I have used Hagedy's Yellow Oil for my chilblains and it cured them. I have never been bothered with them since. REGIE KNOWN, Victoria, B. C.

THE NEW SPRING DRESS.—When walking down the sunny street Of every hundred girls you meet And step with outstretched hands to greet, But one—or two—both hands will detain—The other's holding up the train.

Seven Years' Suffering.—Gentlemen,—I had suffered very much from inflammatory rheumatism, which through wrong treatment had ugly running sores on my hands and feet. With these I suffered for seven years, during which time I had neither shoe nor stocking on. I commenced using B. B. B. externally and internally, using the pills also, and I can say now that the sores are entirely cured, and have been for some time. I believe the bitters were the means of saving my life.

MRS ANNIE BARR, Crewson's Corners, Acton P. O., Ont.

There once was a gay Turkish Pacha, Who wink'd—oh what an earth could be rascal— At the Sultan's best wife, And for that lost his life. The moral is: Don't be a macho!

And is your mother still in mourning for your poor papa, Flossie—Yes, ma'am, she is, when she sees out anywhere. Dr. Williams' Pink Pills are a specific for troubles arising from overwork, mental worry, or excess of any nature. G. A. Williams, Montreal, writes: "I am more than pleased with the results of the use of Dr. Williams' Pink Pills. I was suffering from a loss of mental faculties, and they have completely restored me. Sold by all dealers, or post paid on receipt of 50 cents a box or six boxes for \$2.50. Address: Dr. Williams' Med. Co., Brockville, Ont. or Morristown, N. Y."

Life is made of compensations. By the time a man is old enough to realize what a lot he does not know he is too old to worry over it.

Kidney troubles, if taken in season, are easily cured with Johnson's Anodyne Liniment. Fact: Jagson says you seldom see real constipation unless you find a man who is reading his own communication in a newspaper.—E. M. Gazette.

A whole gift to the world, Dr. Johnson left in Johnson's Anodyne Liniment. Many bless his name.

He who without a Mother. The mother's in disorder. The child's on the table. The flower-stem upset and the mischief to pay: And John is screaming. As loud as when mamma's away. For nothing goes right without confusion and what a scene of disorder. If home would be if mamma were down, from a your wife is slowly breaking down, and female combination make it your first business to restore her health. Dr. Pierce's Favorite Family Pills is without a peer as a remedy for medical and debilitated women, and is the only medicine for the class of maladies known as female diseases which is sold under a positive guarantee from the manufacturers that it will give satisfaction, or the money will be refunded. An Impartial Judge of Milk.

I am taking in 15,000 l's. of milk a day, every pound of which is on its merits. The Babcock machine is the umpire, and decides all controversies. If a man's cows give thin milk, or he thins it for them and then draws it to the factory, he gets no more than the worth of butter fat in it. If his cows give milk rich in butter fat he gets pay for it. There are 20 cheese factories in Wisconsin that have adopted this plan. Every patron is paid according to the per cent. of fat, and the results are satisfactory to all. When a man finds that he can no longer obtain salvation through his neighbor, he will begin to scratch round and obtain it himself.—Ex Governor Hoard.

A Spring Spurt.

I do not know Whence came the snow; I do not sing Whence comes the spring; I only know That snow And everything Comes with the spring This spring, Save spring.

He Was Her Debtor.

As a pleasant-faced woman passed the corner, Jones touched his hat to her and remarked feelingly to his companion: "Ah, my boy, I owe a great deal to that woman."

Same Words but Different Business.

"What are you charged with?" asked the judge. "Taking notes," answered the defendant.

"Is he a reporter?" "No, your Honor," the policeman answered. "He robbed a music store."

Kept Quiet.

"I hope you were not impudent in return," said mamma, after Willie had told her of some mean things a playmate had said.

"No, I just kept still," said Willie. "I couldn't think of anything to say that would make him mad."

Of Course Not.

She (aged 18)—You are the most inconsistent man I ever met. You have a new girl every week, I believe.

He—You wouldn't expect me to have an old one, would you?

The kind of "reading" which "maveth a full man," is probably the wine when it is read.—Puck.
