By "ADIOS" p. 1:57 1/2, sire of 32 in 2:00

"Billie Eden" is a fast, well-made, grand looking individual by the greatest sire of all time "ADIOS". He is a lot faster horse than his record. Being timed right around 2:05 on a half-mile track as a two year old. Racing in with such fast pacers as Thorpe Hanover 1:58 2/5, Adios Paul 2:20.

Came to the Maritimes in 1958. Made 12 starts being 5 times first, 5 times second. Racing right close to 2:10 over Moncton and Saint John Raceways, before breaking Sesamoid Bone in left front foot. Was trained lightly in 1959, but raced as we felt it was better to rest him for 1960 when we feel sure he will take a fast record over any Maritime Track. Does not wear a boot or bandage, nothing but a loose hoppel.

Remember Adios—Billie Direct cross produced the fastest two and three year olds in the sports history—ADIOS BULLET p. 3, 1:55 4/5 and BULLET HANOVER p. 2, 1:57.
