We have many goals for this year at UPEI and one of the foremost of these is to re-establish our Winter Carnival as one of the best social events of the year. I am presently compiling a list of eager volunteers who are willing to donate a little time and effort to this cause. Getting involved means meeting a lot of new people, having a lot of fun and feeling good about yourself. If you are interested could you please drop me a note down at the student union office. I have regular office hours set so if you want to mix-ture of students from all class groups. After I get the list together I will be holding a meeting to get things rolling.

Vice President of Operations

Message From VPF

Welcome Back Gang!

Well, here we are again! Back for another year! My name is Laurie Callaghan and I am Vice President Finance (VPF) for the UPEI Student Union. I am a third year Business student, majoring in accounting. The VPF has many duties within the Student Union. I keep the financial records of the Union and keep everyone informed on issues pertaining to the finances of the Union. I also present financial reports to the Executive and Council members. As VPF, it is also part of my duties to be a representative on the Board of Governors.

I have been involved in the Student Union for two years. Last year, I was a Business Representative on Council and now this year on the Executive. Getting involved in Student Union activities was one of the best things I've done at UPEI. It has helped me to learn a lot about the role of the Student Union at UPEI, and what they've done and can do for students. Now you have a chance to join the Student Union. Bi-elections are here again! There are a few positions left to be filled - so get out there and get involved!

If you have any questions, concerns, or comments, don't hesitate to drop by my office at the Barn or give me a call at 566-0648!

See Ya Around!

Laurie Callaghan
VPF, UPEISU
