SPECIAL NOTICES.

Holloway's Pills.—Depression of spirits, debility.—Some defect in digestion is generally the cause of mental depression; on rectifying the disordered stomach, the long list of gloomy thoughts retire, and are succeeded by more hopeful and happier feelings. Holloways Pills have been renowned far and wide for effecting this desirable change. They remove all obstructions, regulate all secretions, and correct depraved humours, by purifying the blood and invigorating the stomach. Their medicinal virtues reach, relieve, and stimulate every organ and gland in the body, whereby the entire system is relieved. No medicine ever before discovered acts so directly and beneficially upon the blood and circulation as Holloway's celebrated Pills, which combine the rare merits of efficiency and harmlessness.

WISTAR'S BALSAM OF WILD CHERRY.

For the cure of Coughs, Colds, Hoarseness, Asthma, Influenza, Croup, Whooping Cough, Bronchitis, Predisposition to Consumption, &c. &c.

This great remedy is too well known and is performing too much good to make it necessary to go into an elaborate discussion of its merits. Suffice it to say that it still maintains its supremacy in curing diseases of the most obstinate character, and that all who suffer from the above complaints, after having tested this remedy, seldom have occasion to resort to other appliances to insure a perfect restoration to health.

Gentlemen—I feel constrained, from a motive of justice, to inform you of the results attending the sale of your valuable remedy, DR. WISTAR'S BALSAM OF WILD CHERRY. Although I do not feel at liberty to mention the names of parties who have a high appreciation of its worth, I can truly say that for *coughs, colds,* and *all pulmonary diseases,* this remedy performs cures not excelled, *if equalled,* by any other remedy known, and I therefore confidently recommend it to those who suffer from pulmonary difficulties. Yours respectfully, T. B. BARKER.

MRS. WINSLOW vs. CRYING CHILDREN.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. Winslow's Soothing Syrup. It will relieve the poor little sufferer IMMEDIATELY—depend upon it; THERE IS NO MISTAKE ABOUT IT. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Price 25 cents. Office 13 Cedar-street, New York. Sold everywhere.

AYER'S SARSAPARILLA

Is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proved by experiment on many of the worst cases to be found in the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOLOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt people enjoy better health, and live longer, for cleansing the blood.—Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

FRESH AND RELIABLE TESTIMONY.

"*Wistar's Balsam of Wild Cherry.*—We call the attention of our readers to the advertisement of *Wistar's Balsam of Wild Cherry* in another column, and assure them they can find no better remedy for coughs, colds, asthma, bronchial affections, or any disease of the throat or lungs.

"In August, 1858, an estimable friend of ours returned from a visit in the country much emaciated, and laboring under a severe cough, which had made such rapid inroads upon her constitution, that we felt something must be done at once, or she would become a victim of consumption. Having known the beneficial results which have occurred from the use of *Wistar's Balsam,* we made purchase of some for her, and we are happy to say, that before she had taken the contents of one bottle, her cough had entirely left her, and she is now in the enjoyment of excellent health."—*Olive Branch, June 25, 1859.*

Messrs. S. W. FOWLE & CO.:—

Gents,—I hereby certify that I have been troubled for several years with a difficulty of the heart and lungs, and have applied to several physicians for help, and have tried almost every remedy of the numerous ones which have been recommended, without receiving any assistance, but had been growing weaker and weaker, until, hearing of *Wistar's Balsam of Wild Cherry* about a year since, I commenced using it with immediate relief. It has not only restored my lungs to a sound state, but I am entirely relieved of the difficulty or disease of the heart. I have no hesitation in saying that it is the best lung medicine before the public, and I most cheerfully and conscientiously recommend it to all persons suffering with pulmonary complaints.

MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS.

THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved that it has appeared secarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and indaing them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither *Mercury, nor Antimony,* nor *Arsenic* nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmacentical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened fæces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual Costiveness with all its train of evils, or sudden Diarrhœa with its imminen dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudices of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; *Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Langour,* and *Melancholy,* which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leave the bowels costive within two days.

DIARRHŒA and CHOLERA, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucuous membrane.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration *in such cases,* and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure *Rheumatism* permanently in three weeks, and *Gout* in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder: they operate most delightfully on these important organs, and hence they have ever been found a certain remedy for the worst cases of *Gravel.*

Also *Worms,* by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and *Consumption,* by relieving the air vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces those dreadful diseases.

Scurvy, Ulcers and *Inveterate Sores,* by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

Scorbutic Eruptions and *Bad Complexions,* by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of *Salt Rheum,* and a striking improvement in the clearness of the skin. *Common Colds* and *Influenza* will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS, and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica.* He, however, at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

BILIOUS FEVERS AND LIVER COMPLAINTS.

General Debility, LOSS OF APPETITE, AND DISEASES OF FEMALES—these medicines have been used with the most beneficial results in cases of this description:—KING'S EVIL AND SCROFULA, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PALPITATION OF THE HEART, PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsparilla. A single trial will place them beyond the reach of competition, in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.

Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.

CHILDREN TEETHING
MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP,
FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

USED TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST AND SUREST REMEDY IN THE WORLD, in all cases of DYSENTRY AND DIARRHŒA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between you and your suffering child, and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New-York, is on the outside wrapper. Sold by Druggists throughout the world.

EASE AND HEALTH TO THE SICK!

HOLLOWAY'S OINTMENT.

Diseases of the Skin.

Universal approbation has been awarded to this famous Ointment for its efficiency in removing diseases of the skin. For scrofula, scurvy, scald heads, and all eruptions of the skin, both in infancy and maturer years, no remedy can be applied which so quickly cures as Holloway's Ointment. In the nursery it should always be at hand to ease the many skin affections to which the majority of children are liable. In all heat and tooth rashes, the Ointment is wonderfully cooling and curative. To soldiers, sailors, miners and travellers in foreign lands, it is invaluable.

Sores, Wounds, Bad Breasts, Bad Legs.

In this class of maladies, an improvement in the appearance of the disease of the patient follows the first dressing with the Ointment.

It must not only be smeared on the wound or sore, but be briskly rubbed for some inches round about the diseased swollen or painful parts. It will penetrate to the blood vessels, nerves and muscles and even to the bone, and will exercise the most wholesome healing and purifying power over every tissue requisite for thorough reparation. The effect of the Ointment is increased by fomenting with warm water before the Ointment is rubbed in; but sores, when healing, should never be cleansed with a sponge or anything else, as the young and new flesh which appears like a cream would be washed away.

Blood to the Head, Apoplexy.

Nothing gives so much ease in these complaints from which so many suffer as Holloway's cooling and healing Ointment. When rubbed upon the spine, it acts most energetically in drawing surplus blood from the brain; even to children in teething; this Ointment has a miraculous effect in preventing fits and convulsions, so often attendant on tooth cutting. *The Pills should* be used according to the directions.

Rheumatism, Gout, Stiff Joints.

Every one suffering from these painful affections should use this purifying Ointment, as it has rescued thousands from a life of torture, after every other means had been tried in vain. The Ointment should be well rubbed into the skin at least twice a day, after it has been properly fomented with warm salt and water and dried. The inflammation soon yields, and the patient no longer helpless, resumes his accustomed occupation.

Glandular Swellings, Bronchitis, Mumps, Sore Throat, and Diptheria.

To combat these diseases with *success,* a remedy *is* required which will have the whole absorbent system under its control. Such a remedy is Holloway's Ointment, when rubbed on the skin, it penetrates to the glands, and removes any obstruction or impurity which may be impeding their healthy action. This Ointment acts on the very mainspring of life, for through the glands pass all new matter required for the body's reparation; in all the above class of cases, the Ointment and Pills used conjointly will act so searchingly and certainly as to effect cures in the most deplorable cases.

Fistulas and Piles.

All inflammations and ulcerations of sensitive parts may be presently relieved, and ultimately cured, by the diligent use of this cooling and healing Ointment, aided twice daily by bathing the parts in cold water. Immediate ease springs from this treatment; perseverance is necessary to effect a permanent cure.

Asthma, Shortness of Breath.

In these complaints the Ointment should be well rubbed twice a day upon the chest, and between the shoulders, it will penetrate to the lungs, stimulate them to renewed exertions, prevent stagnation of blood, moderate the pulsations of the heart, regulate the current of air through the bronchial tubes, and thus effect a permanent cure.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Chiego-foot	Fistulas	Sore-throats
Bad Breasts	Chilblains	Gout	Skin-diseases
Burns	Chapped Hands	Glandular Swellings	Scurvy
Bunions	Corns (Soft)	Lumbago	Sore-heads
Bite of Moschetoes and Sand-Flies	Cancers	Piles	Tumours
	Contracted and Stiff Joints	Rheumatism	Ulcers
		Scalds	Wounds
Coco-bay	Elephantiasis	Sore Nipples	Yaws

SECTION V—Spermatorrhœa, or Chronic Impotence—Its History, Causes, and Consequences—The Sterility of age.

The object of the Work isnot to maintain any particular hypothesis, but to enable every one to understand for himself the structure and function of the organs concerned in the fulfilment of the Physical Obligations of the Married State; to acquaint him with the consequences resulting from excesses; to prevent unnecessary misapprehension from unfounded fears, and to indictate when those fears are well founded the means of speedy relief. The Work is not crowded with the technicalities of ordinary professional books nor does it present the crudeness which characterises the so-called "popular works" on the subject.

"SELF-PRESERVATION" may be had in a sealed envelope, price One Shilling Sterling, of Messrs H. CHUBB and Co., St John, N. B.; E. G. Fuller, Express Agent, Halifax, N. S.; or the Author will forward it, post free, on receipt of Colonial postage stamps to the amount of Eighteenpence sterling.

EXTRAORDINARY SUCCESS OF THE NEW AND ONLY SAFE MODE OF TREATMENT. *Through all Booksellers, and of all the agents for Dr. De Roos' medicines, or sent Post free direct from the Author for 2s. 6d.*

THE MEDICAL ADVISER on premature decay of the system, arising from excesses, infection, climate, &c , and its speedy restoration to health and vigour by an improved method of treatment. Chapters on all the more common diseases of the generative system, with the best means by which the most obdurate cases may be speedily cured; remarks on the use of the microscope; observations on Marriage; directions for obviating certain disqualifications; rules and prescriptions for self-treatment, &c. By W. DE ROOS, M D , *of the Ecole de Medecine, Paris, Graduate in Medicine, Surgery and Midwifery,* 25, Bedford Place, Bloomsbury Square, London, W.

To those who contemplate marriage a perusal is especially recommended.—The knowledge it imparts must come *some* time, and happy they who do not possess it too late. Cure is *certain* in every curable case, and few indeed are they which are not so.—It is calculated to effect a complete revolution in the treatment of these complaints.—Simple and inexpensive, every sufferer may cure himself speedily, privately, and at the least possible cost.

From long practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injudicious employment of mercury, capivi, and similar dangerous medicines are entirely avoided. Lasting benefit in these cases can only be *reasonably* expected at the hands of those who devote their chief attention to such diseases; and to those only can confidence be *safely* extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to all who need such aid he offers every assurance of speedy restoration.

FOREIGN RESIDENTS can be successfully treated by correspondence, or sending the detail of their case, with a Bank note, or Bill on a London house for £5 or £10, in order that a package of medicines to meet the exigencies of the case may be sent out by next mail; thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

[TUTO ET CELERITER.]

DR. DE ROOS' GUTTÆ VITÆ, OR LIFE DROPS,

Protected by Royal Letters Patent of England; Seals of the Faculte de France; Royal College of Prussia, &c., have in numberless instances proved their decided superiority over every other advertised Remedy for Spermatorrhœa, langour, lassitude, want of energy, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business, indigestion, pains in the side, palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones and all those diseases in which *mercury, sarsaparilla, &c are too often employed in vain to the* serious detriment of health, its surprising efficacy has only to be tested to be appreciated.

As these complaints if neglected often become "chronic" or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles cannot fail, and may be carried about the person, or left upon the toilet table, without exciting a suspicion of its nature. Price 11s, and four times the quantity at 33s per bottle. The £5 packages containing twelve 11s quantities, (by which a saving of £1 12s is effected) and the £10 packages by which a still greater saving is effected, will be sent from 25 Bedford Place only, on receipt of the amount per draft on a London house or otherwise

Extracts from letters which can be seen by any one. "I am happy to say that I am now quite well, thanks to you and your medicine of medicine."—*D. P., St. Asaph.* "I am happy to say that I shall not require more, thank God, and I hope He will reward you for what you have done for me."—*A. C., Hartlepool.* "If my tongue could speak, or my pen could write to express my gratitude to you I should feel happy, but neither word nor pen of mine can do so."—*H. A. Birmingham.* "Without you I should soon have been in my grave, but now I am a happy man again." *D. F. F., Inverness.* "I can never thank you sufficiently. "Had I never read of the Guttæ Vitæ, where or what I might have been now I cannot tell." *W. G., West Pelton.*

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR. DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints. Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c , have utterly failed. 2s 9d., 4s. 6d., 11s., and 33s. per box. The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

"I have taken your Pills and always derive great benefit from them." —*W. W. H., Queen's College, Cambridge.* "I have taken your Pills with the most happy result."—*B. H., Cork.* "Your Pills do me great good, I feel better this last twelve months than for years before."—*F. G., Wareham, Ashford.* "Your Pills did me more good than anything I have taken."—*M. J Dursley.* "I have tried your Pills and derived the greatest benefit therefrom."—*V. G., Navy Hotel, St. Helier's.*

CAUTION.—There being highly injurious imitations of the above, sufferers should guard against the recommendation of other medicines by dishonest vendors, who thus obtain a larger profit. TO PROTECT THE PUBLIC AGAINST FRAUD, HER MAJESTY'S HON. COMMISSIONERS *have directed that the words* "WALTER DE ROOS, LONDON," *be printed in white letters on the Stamp affixed to the above, to imitate which is felony.*
