Brown's BRONCHIAL TROCHES.—From the Medical Director of the General Hospital, Benton Barracks, near St. Louis, March 8, 1862.

"Messrs. John I. Brown & Son, Boston, Mass., Use of far-famed and most serviceable 'troches' is being made in the hospital of which I have charge, and with very beneficial and decided results in allaying bronchial irritation." For coughs and colds the troches give prompt relief. I can certify that I was troubled with Salt Rheum for three years, and tried many prescriptions, but all proved of no avail. But having used J. B. Fitch's Golden Ointment was perfectly cured; and have much pleasure in recommending it to the public. ELIZABETH CHIPMAN. Kentville, Kings Co.

An efficient worm medicine.—The combination of ingredients used in making Brown's Vermifuge Confects is such as to give the best possible effect with safety.
