Lucky Dollar Now
Third Largest
Group Numerically
Operating in eight out of ten Provinces (Newfoundland and Quebec are the exceptions) with 608 retail outlets, Lucky Dollar Food Stores has grown to the position of third largest voluntary group membership in the country during the past nine years.
All Lucky Dollar Stores are independently owned and operated. They are serviced by five sponsoring wholesalers who provide a full program of services to the member retailers including sales promotion and advertising, store engineering, supervision and retail accounting.
"Growth, development and expansion are keynotes in the Lucky Dollar program," a spokesman for the National Headquarters asserts, and continues, "We look forward to continued progress in every part of Canada."
