In the latest Harness Horse in the following: Walter S. Found's Misstatement from California trotted capably to her second straight victory in the B Trot, purse \$500 at Bay State Raceway, Foxboro, Mass. Time, 2:09. Walter's friends and relatives here will be glad to know that his horse is showing up in front.... In the latest release for standings of Grand Circuit drivers Billy Haughton is top with 23 wins, Joe O'Brien second with 12, Del Miller third with 9, and Earle Avery stands sixth with 6 wins.

Years ago there were many lecturers who condemned the "dem run," and not without good cause, but that name was selected for a 2-year-old who last week won the W.N. Reynolds Memorial Two Year Old Trot, purse \$17,067 at Buffalo Raceway, Hamburg, N.Y. with 1-1, Joyce Hanover (D. Cameron) 2-10 seven other starters. Time, 2:14, 2:12 4-4. Demon Run was driven by the Canadian driver Cecil Champion and his share of the purse was \$8,533.00. In the Fifth Renewal of the W.N. Reynolds Memorial for Two Year Old Pacers, purse \$18,717, over the same track, Torpid, by Knight Dream, that was undefeated up to that time this season, met a better horse in Adios Express, owned by the Sol Camp Stable and driven by Joe O'Brien. There were 12 starters and Adios Express won the first dash in 2:04 2-5—a track record for 2-year-old pacers. In the next dash he made a break and Torpid won in 2:05 3-5. The performance of Adios Express was an unexpected one and now he is considered by experts as capable of taking a 2:00 record at Lexington later.

HAMILTONIAN
E. Roland Harriman, president of the Hamiltonian Society says he has asked several friends to join him in under-writing the Hamiltonian race, the World's Series of trotting and keeping it in Goshen, N.Y. The competition has been held at Goshen for twenty years. Yonkers Raceway took over the sponsoring in 1950 and its losses have averaged about \$102,000 annually. These losses could only be taken care of because of the pit made in other races over the Yonkers half mile track. Due to the death of William Cane these new arrangements have to be made. Harriman said, "If you take the Hamiltonian out of Goshen it will just become another horse race. We don't want that."

Daniel Hal Scott, 2:10 1-5, a pacer that was brought in from the United States a few years ago after being a winner of 11 races in 1953, showed his heels to six other pacers and was the only double dash winner at Exhibition Park, Saint John, on Saturday night. In the first dash Bye For Now (Armstrong) owned by the Bye For Now Stable, was 1, Winnie's Last (Wood) 2, Time, 2:20. Dash 2, Windsor Volo, owned and driven by M. Coughlan, was 1, Justice Dillon (Jones) 2, Time, 2:16. In the 3rd and 7th dashes Daniel Hal Scott (W. Carr) was 1-1, DeSota (E. Langille) 2-3, Duke Adolf (MacIntosh) 7-2. Daniel Hal Scott is owned by C. Strong, Saint John. In Dash 4, Mel Direct (Wigging) was 1, Harvest Dale (Downey) 2, Time, 2:19 2-5. The winner is owned by J.F. Doherty, Saint John. Dashes 5 and 8, Guy Adam (E. Wood) 4-1, Earl Forbes (B. Anderson) 2-2, Time, 2:16, 2:15. Guy Adam is owned by C. Wilson, Saint John. Race 6, Roy Scott (Kirkpatrick) 1, Senator Quay (Queen) 2, Time, 2:14. Roy Scott is owned by W.H. Kirkpatrick, Saint John.

3-HORSE SPILL
George MacDonald has handed us an item from the Boston paper with reference to the three horse spill at Bay State Raceway mentioned in this column last week. Our mutual friend Harry Coleman of Maine has had to discontinue driving because of three broken ribs and other injuries. Two other drivers received injuries and Harry will likely be out of the racing game for quite a while, much to the regret of his many friends.

Horsemen at Roosevelt Raceway are all talking about the performance of Ribanda, an 8-year-old pacer that was flown to New York from New Zealand recently and at Roosevelt last week he won the A Pace, purse \$4,000 in 2:03 3-5, with the final quarter in 29 3-5. His owner, Frank Kelloway was present and he and driver Eddie Cobb received a great ovation from the big crowd. He looks like a 2:00 pacer over a good mile track.
