

Pearson Encounters His Noisiest Meeting

By STEWART MacLEOD
MONTREAL (CP) — Bucking against chanting, heckling and fights, Prime Minister Pearson Tuesday night waded through the noisiest meeting of his election campaign, cutting his speech to 15 minutes. Many couldn't hear him.

More than 3,000 persons were in the huge Show Mart in east-end Montreal for the prime minister's speech that included a hefty swipe at the Conservatives, but many of his words faded away in the minor bedlam.

At times, when scuffles broke out, part of the audience turned its back on the stage to watch demonstrators being booted out of the hall. Chairs could be heard hitting the floor, amid angry words.

Mr. Pearson didn't stop speaking, although he cut short the prepared text of his speech. At times when he spoke in English, he had to compete against a swelling chant of "en Français" (in French). He even ran into this when he tried his French.

EJECT DEMONSTRATORS
At one stage, about 20 demonstrators were put out of the hall and the expulsion threatened to set off a battle in the middle of the long auditorium. For about 10 minutes most of the people watched the action on the floor while Mr. Pearson shouted into a somewhat ineffective loudspeaker system.

When chanting or booing broke out, supporters drowned it out in cheers, creating a deafening roar.

In English, Mr. Pearson shouted against the noise. "Do you want a government by a party and a leader that has already shown by his actions and his inactions that it doesn't begin to understand the forces that are creating the new Quebec and the new Canada?"

"Do you want a government in this country that caused its Quebec leader to resign because he said there was no place in the party under the present

leader for a French Canada?" "Do you want a government under a leadership that smears and seers at our efforts to give Canada, and not Great Britain, the final right to change our constitution?"

"Do you want a government that doesn't have the faintest idea what co-operative federalism means?"

"Do you want a government that opposed a distinctive national flag?"

"Do you want a government, in short, by a party and a leader that has no understanding of what is going on in Canada today and then tries to cover this up by slandering and smearing honest and honorable politicians from Quebec?"

SHOOT REPLIES
At the end of each question, a shout of "no" went up from the crowd. Mingled with this were the shouts of hecklers which couldn't be understood at the front of the hall.

With the prime minister and Mrs. Pearson on the platform were several dozen Quebec Liberal candidates, their wives, and other party officials. Apart from the outbreak of noise, it was a well-organized, jazzy rally.

PRESERVE LIBERTY
NEW DELHI (Reuters)—The Lower House of Parliament Wednesday passed a bill to set up a press council to preserve the liberty of the press and maintain and improve the standards of newspapers in India. The bill was passed by the Upper House in August and now goes to President Sarvapalli Radhakrishnan for his assent.

HONOR WAR DEAD
OTTAWA (CP)—Two service bands and 500 servicemen will honor the country's war dead Nov. 11 in Remembrance Day ceremonies at the National War Memorial. Two minutes of silence beginning at 11 a.m. will be signalled by shots from two 105-millimeter howitzers.

WHO HAS NOT YET FULLY SUPPORTED THE 1965 P. E. I. UNITED FUND CAMPAIGN

YES!

Do you want the agencies who depend on the success of the 1965 United Fund Campaign to curtail their work during 1966??

The Provincial Directors of "YOUR" United Fund do not believe you do, but to date only \$195,870.00 has actually been subscribed of the \$281,876.00 required.

A further amount of 45,000.00 is confidently expected though delayed reports but this still leaves a projected shortage of \$41,006.00

The need for the objective of \$281,876.00 has been proven by the agencies of the United Fund budget committee as their minimum requirements for the year 1966.

IS YOUR HOUSEHOLD ONE OF THESE?

This message is particularly directed to families throughout Prince Edward Island who have not yet contributed their "fair-share" support or who now might consider increasing their 1965 contribution to the "Fair-share" level of giving. a

Remember! Your gift supports not only one or two but many agencies and you may designate your gift.

WHAT IS A "FAIR SHARE" GIFT?

A "Fair-share" method of calculating your gift is based on any one of the following suggestions:—

1. If you are paid on an hourly basis a United Fund gift of one hour's pay per month is recognized as a "Fair-share" gift to support the 29 agencies now served by the P.E.I. United Fund.

EXAMPLE: Hourly rate of pay of \$1.50 times 12 months — \$18.00 per year.

2. If you are a salaried employee or your income is based on other factors, a fair share gift is related to 1% of your annual income.

EXAMPLE: 1% of an estimated \$5,000.00 annual income means a \$50.00 contribution measures up to the "Fair-share" method of calculating your annual gift.

Many, many contributors throughout P. E. Island are now using this "Fair-share" guide in calculating their annual United Fund gift.
