6 Reasons For Purchasing a Heintzman Piano.

1.—Mr. Heintzman and sons, all being practical piano makers, personally supervise the whole manufacturing.

2.—All the scales are drawn and Patterns made by themselves personally.

3.—The Heintzman & Co. Pianos have always been awarded First Premiums wherever exhibited.

4.—A majority of manufacturers and so-called "Associations" claim to make pianos "exactly like Heintzman," to have "Heintzman's Foreman" or best workman, etc., etc. However, it is conclusively that the Heintzman & Co.'s instruments are universally conceded to possess the highest degree of excellence.

5.—Heintzman & Co. with their immense working capital, have at all times been able to command the choice of workmen, the employment of the most useful and costly machinery, the selection of lumber and its vast and essential necessary accumulation for the thoroughly working purposes. They use only first-class iron upon their keys, and none but the very best veneers, and only the very choicest and absolutely faultless materials.

6.—The fact that the greatest caution should be exercised in the purchase of a piano, and that the established reputation of its maker should be as much relied upon as the apparent quality of the instrument and far more than its cost, is a good and perfect piano is becoming more and more a household word and will remain a source of pleasure; while a poor instrument getting out of tune and order, soon becomes a moderate nuisance, which, if purchased from an irresponsible maker, can be abated only at a heavy sacrifice. Heintzman & Co. warrant their piano for five years, and their guarantee holds only by

AURORA Division, S. of T., Searletown, is still to the front, and on Saturday evening last, the 6th inst., the new staff of officers were installed for the quarter. With the present efficient staff it is hoped that much will be done to thwart the diabolical influences of the illicit dens in the adjacent settlement. Souris is not the only place in this fair land where rum-sellers are debauching our brothers. In the settlement of Cape Traverse the illicit sale of intoxicants has gone on so long that from all appearance the inhabitants feel that it has come to stay and have apparently determined to submit. It remains to be seen what will be the attitude of our friends in the usually quiet settlement of Albany, who have had of late an exhibition of what one man is capable of doing with the ardent in making the quit of a settlement otherwise.—Com.

Oh! We ain't no 'uman beings and we ain't no paragons, too. We're only a Corporation, a thing that is soulless, 'tis true; So, if sometimes our conduct along lines of religion runs cold Why, 'tis not an un'uman weakness, 'tis only a love for gold. (Apologies to R. K.)

A New Departure.

A New, Efficient and Convenient Cure For Catarrh.

Of Catarrh remedies there is no end, but of catarrh cures, there has always been a great scarcity. There are many remedies to relieve, but very few that really cure. The old practice of snuffing salt water through the nose would often relieve and

the washes, douches, powders and inhalers in common use are very little, if any, better than the old fashioned salt water douche.

The use of inhalers and the application of salves, washes and powders to the nose and throat to cure catarrh is no more reasonable than to rub the back to cure kidney disease. Catarrh is just as much a blood disease as kidney trouble or rheumatism and it cannot be cured by local treatment any more than can be cured.

To cure catarrh, whether in the head, throat or stomach an internal antiseptic treatment is necessary to drive the catarrhal poison out of the blood and system, and the new catarrh cure is designed on this plan and the remarkable success of Stuart's Catarrh Tablets is because being used internally, it drives out catarrhal infection through action upon stomach, liver and bowels.

Wm. Zimmerman, of St. Joseph, relates an experience with catarrh which is of value to millions of catarrh sufferers everywhere. He says: "I neglected a slight nasal catarrh until it gradually extended to my throat and bronchial tubes and finally even my stomach and liver became affected, but as I was able to keep up and do a day's work I let it run along until my hearing began to fail me and then I realized that I must get rid of catarrh or lose my position as I was clerk and my hearing was absolutely necessary.

Some of my friends recommended an inhaler, another a catarrh salve but they were no good in my case, nor was anything else until I heard of Stuart's Catarrh Tablets and bought a package at my drug store. They benefitted me from the start and in less than four months I was completely cured of catarrh although I had suffered nearly all my life for it. They are pleasant to take and so much more convenient to use than any other catarrh remedies that I feel I cannot say enough in favor of Stuart's Catarrh Tablets."

A little book on cause and cure of catarrh will be mailed free by addressing F. A. Stuart Co. Marshall Mich., and the tablets are sold by all druggists in the United States and Canada.
