

Citizenships Are Granted

HALIFAX (CP) — Eighteen persons from seven countries stood before Canada's only woman citizenship court judge here Thursday to receive Canadian citizenship in the first such court in Nova Scotia.

Mrs. Allie Ahern, recently appointed to the citizenship bench, conducted the court's first session in the presence of special representatives from the federal and provincial governments and department of citizenship.

Mrs. Ahern told the court: "I like to think that my appointment is in part a recognition by our government in Ottawa of the tremendous contribution women have made to the well-being of new Canadians."

Mrs. Ahern administered the oath of allegiance to the 18 new citizens individually.

ARTICLE QUOTE BY BEATLE IGNITES BAN ON RECORDS

BIRMINGHAM, Ala. (AP) — A magazine article quoting John Lennon of the Beatles as saying his group is more popular than Jesus has ignited a "ban the Beatles records" campaign by Birmingham radio station WAQY.

Station Manager Tommy Charles said Tuesday the Beatles were his No. 1 attraction before he read the article in Datebook.

The article quotes Maureen Cleave of the London Evening Standard as quoting Lennon as saying:

"Christianity will go. It will vanish and shrink. I needn't argue about that. I'm right and I will be proved right. We're the Beatles' more popular than Jesus now; I don't know which will go first—rock 'n' roll or Christianity."

Jesus was all right, but his disciples were thick and ordinary. It's them twisting it ruins it for me."

Commenting on Lennon's statement, Charles said: "We just felt it was so absurd and sacrilegious that something ought to be done to show them they cannot get away with this sort of thing."

MOST SUPPORT IT

The Birmingham disc jockey said more than 90 per cent of the calls regarding this campaign support it.

"Almost unbelievably, the teen-agers, almost as soon as they were sure it was true (the quotes), became really angry, some to the point of tears," Charles said. "All sorts of record and book stores have called saying they are taking their Beatles records and books off the market."

WAQY is broadcasting spot announcements every hour telling the audience to turn in their Beatles records, pictures, magazines and souvenirs to designated pickup spots.

"We'll have a giant-Beatle bonfire the night they are closest to Birmingham on their next American tour, probably when they are in Memphis later this month," Charles said.

Shooting Threat Is Investigated

PORT TALBOT, Wales (Reuters) — Extra police were sent to the Welsh national eisteddfod (music festival) here Thursday after a threat to shoot Cledwyn Hughes, Britain's secretary of state for Wales.

But there were no incidents as the minister was installed a dduk (honorary officer of the festival) at a traditional opening ceremony.

The murder threat came in a telephone call to a local newspaper by a person claiming to be a member of the outlawed "Free Wales Army" — an extremist organization demanding independence for Wales.
