## S. D. U. Loses Hoop Game To St. Joseph's; Return Game On April 15

### Juvenile Vics Win City Hoop Title

The West Kent girls basketball team, although losing last night's game to the Prince Street team, reign today as the City Inter-scholastic champs by virtue of their 16-point lead in the first game. They lost the encounter last night to the P.S.S. team by a count of 27-23. The first game ended in a win for the W.K.S. squad with the score being 30-15.

The game played as the first contest in the doubleheader played at the P.W.C. auditorium was a hard fought game mixed with lots of good basketball.

Leading the scorers last night was Peggy Campbell, who racked up twenty of her team's total of 27. Joan MacKinnon had five while the remaining two went to Jo Ann Tanton. Claudette MacMillan was high scorer for the losers again as she accounted for ten points with Helen Whitlock getting 6.

The total count for the series was 53-41 for the W.K.S. team coached by Neil Young. The referees were Earl Goss and Brig. W. W. Reid. The timer was Bill Leonard.

The line-ups and scores:  
W.K.S.: MacMillan 10, Giddings 1, Whitlock 6, MacArthur 2, MacGuire, MacDonald 2, Storey, Guindon, Simmons 2, MacLean, Stewart, Total 24.  
P.S.S. Campbell 20, Smith, MacKinnon 5, Tanton 2, Bowness, Huestis, Diamond. Total 27.

ST. JOSEPH, N. B., April 5 (CP)—St. Joseph's University basketball team turned in a 45-31 victory over St. Dunstan's University of Charlottetown in an exhibition game here tonight.

The two teams will play a return game at Charlottetown April 15. Tonight's game was close in the first quarter, which ended 12-12. After that the home team moved steadily ahead, taking a 24-17 lead at half time.

E. Beaulieu and F. DesRoches paced the winners with 16 points each, while Reardon had 14 for the losers.

Referee E. LeClerc called only 10 personal fouls, six of them against U.S.J.

St. Dunstan's—Reardon (14), Ready (6), Mullaney (4), Coyle (3), Kennedy, MacDonald, McIsaac, Dunphy.

U. S. J.—O. Leger (7), E. Beaulieu (16), R. Nadeau (6), F. DesRoches (16), E. Dolron, Merchalander, A. Gallant, J. McFadden, B. Boudreau.

### Hockey Match At Bedeque Tonight

There will be thrills and spills galore at Bedeque rink tonight when the Seaside rink meets the single men in an exhibition hockey match that is expected to be one of the concluding features of the winter program here.

The program is expected to come up with all sorts of hockey when the Old Timers meet with the young blood of the community in this duel of experience versus youth and a large crowd is expected to be on hand to take in the event.

Attending fans will see such stars in action as Harry Green, Frank Bell, Ben Muttart, Archie Robinson, "Big" Neil Bradshaw, Lloyd Bell, Mert DesRoches, Anthony DesRoches, Dan Nicholson, Bernie Robinson, Robert Noonan and "Rookie" Arnold Affleck, while the famous stickhandling of Stanley Gallant is expected to be one of the highlight features of the game.

WOODSTOCK, N.B., April 5 (CP)—Woodstock Senators outscored the H.M.C.S.—Stadacona team of Halifax 65-51 tonight in the first of two games for the intermediate basketball championship of the Maritime Provinces. The deciding game, with total points counting, will be played on the same floor tomorrow night.

## Wings Stage Bloody Battle In Playoff

Blamed by Wings for the first-game injury to Gordie Howe, Toronto Maple Leafs captain Ted Kennedy was a marked man in the second semi-final playoff game in the N.H.L. The game was marked by five separate fights. At one stage of the bloody battle, the scene above took place. George Gae smashes "Teeder" against side boards in Wing zone.

## Confident Red Wings Call Up Three Players

DETROIT, April 5—(CP)—The confident Detroit Red Wings called up three players from their Omaha farm club today as they came home for tomorrow night's fifth game of their best-of-seven Stanley Cup final with Toronto Maple Leafs.

The optimism in the Detroit camp springs from their 2-1 victory at Toronto last night after 20 minutes and 38 seconds of overtime. It tied up the series at two games each.

"As far as we are concerned, the series now is a best-of-three affair and we have an edge since two of these remaining three games could be played on Detroit ice," said a club spokesman.

The three players called up from Omaha are defenceman Marcel Pronovost, left wing John Wilson and centre Larry Wilson. They may see action tomorrow night.

Right winger Gordon Haidy, who played at Toronto last night, was sent back to his Indianapolis club in the American Hockey League today.

Jimmy Peters, a Red Wing regular, is still laid up with a sore knee which kept him idle last night. Star right-winger Gordon Howe is still in hospital with a leg injury suffered in the opening game of the series.

Except for the series opener, which the Leafs won 5-0, each game has been a typically close playoff struggle. The Wings took a 3-1 verdict in the second and the Leafs won the third 2-0. The Wings have scored only five goals on Toronto's Turk Broda in four games, an average of 1.25 a game. Goalie Harry Lumley has a goals-against average of 2.25, with nine getting past him.

The Leafs took things easy today at their training camp at St. Catharines where they remain until tomorrow morning. They will arrive here early in the afternoon.

No fresh injuries are reported in the Toronto camp although centre Ted Kennedy is still hampered by a leg injury.

Sixth game of the series is scheduled for Toronto Saturday night and if a seventh is necessary, it will be played here Sunday night. Detroit gets the edge in home games because it finished on top of the league in the National Hockey League schedule and Toronto wound up third.

## Marchildon Sold Out Of Major Leagues

WEST PALM BEACH, Fla., April 5—(AP)—Phil Marchildon, who two years ago was one of the American League's top pitchers, was sold today out of the major leagues.

Owner-manager Connie Mack of Philadelphia Athletics sent the Canadian pitcher to Buffalo Bisons of the International League for an undisclosed sum. Marchildon suffered from a sore arm and "war nerves" during the last two seasons.

When Phil goes into action for Buffalo he will find himself facing one of the clubs he played for on his swift climb to the big wheel. Marchildon won 10 and lost 16 for the 1939 Toronto Maple Leafs—pretty good for a rookie with a last-place team.

Mack said all 15 major-league clubs failed to claim the big right-hander for the \$10,000 waiver price. Marchildon has been with the A's since 1940.

The 24-year-old native of Penetanguishene, Ont., was speechless. So were his team-mates though it was hinted that Marchildon was through with the A's after a poor showing this spring.

While with the A's, exclusive of 1943-44-45 when he was serving with the R.C.A.F., Marchildon won 68 and lost 75. His best seasons were in 1942 (17-14) with an eighth-place club and 1947 (19-9) when the A's finished fifth.

In 1949 he lost three decisions while winning none. He complained continually of a sore arm, saw little action.

## IN THE CORNER

Many fans were asking yesterday "What happened to the Borden Nationals, Island Intermediate Hockey champions, at Saint Andrews this week? Were the Saint Andrews Senators so much better than the Island champs to beat them by such terrific scores in the two game series?" Well, this column doesn't know the answers to these questions either and although it is hard to believe that the New Brunswick champions are that strong, the scores of both games will have to tell their own story, as we were not there to see what happened.

It was certainly a landslide series victory for the New Brunswick pucksters when they copped off the opening game of the two-game, total goal series by a 15-2 count on Monday night and came back even stronger the following night to trample Borden under a 19-4 shellacking to take the round by a lopsided 34-6 score, which sounds more like basketball than hockey.

Whether or not Borden had just gone into a bad slump during the series, or that Saint Andrews were just that much better we do not know, but in any case they lost, and lost badly, which shows that the Island Intermediate division has a long way to go yet before they can expect to meet the standard of hockey being played at other points in the Maritimes.

The heating, however, doesn't detract from the fine performance that the Borden aggregation turned in this season in Island play. They were not by any means the only Provincial team that has gone down to defeat at the hands of Mainland teams in playoff competition this year. The Junior, Inter-collegiate and Juvenile ranks also were stopped in N.B.-P.-E.I. playoffs, and at the moment, everyone is pinning their hopes on the Summerside Kinsmen Midgets to come through with the Maritime title, to save the Province from a completely "rough" year in outside the Province play.

The Kinsmen youngsters have already made a strong showing this season by walking off with the Provincial title and the N.B.-P.-E.I. Juvenile Hockey crown, capturing the latter title from the Moncton East-End Beaver Midgets in a sudden death game at Moncton a week ago Wednesday by a 5-4 count. It was the second year in a row for the Western Capital Midgets to capture the two-Provincial title. They will journey to Stellarton today by plane where they will meet Truro Midgets, Nova Scotia champions, for the Maritime title, and there is no need to say that fans all over the Province will be rooting for the Kinsmen to bring home the bacon.

This column would like to extend its congratulations to Gordie Kelly of Charlottetown, now residing in Summerside, for being chosen as the most valuable player on the Summerside Crystal hockey team, runners-up for the Island Intermediate Hockey championship. Gordie was chosen by three leading Western Capital hockey officials for the title and the Dr. A.R. Grant Trophy.

Kelly, a popular member of Charlottetown hockey teams during the past few years, is probably one of the cleanest and hardest working hockeyists in the Province, regardless of place or team, and although not considered to be a great goalgetter, is one of those boys who is always boring in to carry more than his share of the work and provide the solid backbone that is necessary to any good hockey club.

Completing a full 1948-49 season as a member of the Charlottetown Navy Club, winners of the City Hockey title, Gordie was transferred to Summerside where he turned out this season with the Crystals and came up with his noted steady performance that earned him the title of "most valuable player", which it is safe to say, has not only been a popular choice among Western fans, but Charlottetown supporters as well.

## Canadiens Will Have Five Rookies In Lineup For Crucial Game Tonight

MONTREAL, April 5—(CP)—Montreal Canadiens, harassed from day to day with the problem of stopping New York Rangers, will have five rookies in the lineup in tomorrow night's fifth game of the best-of-seven Stanley Cup series.

Tom Johnson, defenceman from Buffalo Bisons of the American Hockey League, is the latest to get the call.

Last night's uprising by Canadiens and their 3-2 overtime victory nevertheless left them trailing Rangers 3-1 in games and eased only slightly coach Dick Irvin's dilemma.

Coach Lynn Patrick of Rangers had no alibis for the loss.

"Frankly I thought we were outplayed," said Patrick. "We could have won the game. I know, especially in the overtime when he came in alone on goal. But at the same time I don't think we deserved to win because we just didn't play well enough."

Same Rangers Lineup  
Patrick said he plans to dress the same 18 players he used in last night's game.

Goalie Chuck Rayner, who was out on the upper lip by Doug Harvey's shot and needed three stitches, is okay, the Ranger coach reported, and suffering no ill effects.

Patrick mentioned the frantic line juggling at the start of last night's game. Instead of countering the "Penthi Land line" with the "Richard line" as he had in preceding games of the series, coach Irvin of Canadiens started his "Mossell line."

As soon as the puck was dropped, Patrick made fast changes. Irvin did the same, and in less than two minutes no fewer than four flying changes were made. Patrick finally gave up.

"If this series continues until we get what would be our next 'home game', I want to find out my status," said Patrick. "The visiting coach must declare his lineup first."

Rangers haven't access to Madison Square Garden in New York for further games, so their "home games" hereafter will be played on the opposing team's ice.

The way the present series was arranged, to give Rangers two games in New York, their next home game would be Saturday night—the sixth of the series if it goes that far.

Irvin, showing signs of optimism, thought the fight showed by Canadiens last night can carry them a long way. He discounted any suggestion that the loss would cause Rangers to crack now.

"Of course we could act that way," he said, "but I can't string along with that theory. That doesn't give us any edge. They are a fighting team, remember, the pressure is still on us. Rangers can afford to lose a game. We can't."

McNeil In Goal  
Gerry McNeil, rushed into the goal-tending job, will be back in the nets for Thursday's game. It was goalie Bill Durman's personal request that brought about the move. Durman is still shaky from a head injury a month ago and said he thought it would be for the good of the team to make the switch.

McNeil, brought up from Cincinnati of the A. H. L. for six games when Durman was injured, turned in a stellar game that matched Chuck Rayner's brilliant display in the Ranger nets.

In addition to Johnson and McNeil, the rookie turnout will be Paul Meger, a winger up from Buffalo, and Bobby Frampton and Bert Hirschfeld, forwards recalled for the series from Cincinnati.

Meger made his first appearance in a Canadian uniform last night and turned in an acceptable performance.

Coach Irvin said today that Calum MacKay, who plays left wing on a line with Ker Mossell and Floyd Curry, will likely be unable to play because of an aggravated leg injury.

In that event Meger will be switched to that line for regular

turns of duty instead of being used as a spare winger.

There is a possibility Irvin may also call on Bud MacPherson, another Cincinnati chateau, for defence duty. If MacPherson is used he will be the sixth rookie tossed into the all-important series. Not one of them even saw Canadiens training camp last fall.

With Durman and likely MacKay also out, Canadiens will be short four regulars. Kenny Reardon is out with a dislocated shoulder and Rip Riopelle with a leg injury.

Billy Reay is a playing cripple, able to "skate on one foot," as Irvin put it.

Defenceman Hal Laycoe has been used sparingly in the last two games because his mending broken nose still is vulnerable.

The defence problem prompted Irvin to call up Johnson, a husky 21-year-old youngster weighing 185 pounds and standing six feet. He is from Baldur, Man., playing junior with Winnipeg and played with Montreal Royals of the Quebec Senior League before turning pro and going to Buffalo, a Canadian farm, two seasons ago.

Irvin plans to pair Johnson off with Glen Harmon on the defence.

Jeers Greet "New Look" In Ball Uniforms  
ST. PETERSBURG, Fla., April 5—(AP)—Peters drowned out the cheers in a sample poll of major-league opinion on the "new look" in baseball uniforms, introduced at Hollywood.

In case you missed the pictures, the new suits, worn in the Pacific Coast League, are abbreviated, Hollywood players wear a pair of basketball style pants and light short-sleeve rayon shirt on hot days and humid nights.

Casey Stengel, Yank manager and former coast leaguer, has a definite opinion.

"You can say for me," said Casey "that Mr. Collins (Hollywood president) should wear one greeting guests at his Brown Derby. And Fred Haney (manager) had better take a few pounds off that stomach, or forget it."

Rowdy Dick Bartell, one of the old guards, now a Detroit coach, didn't think much of the new suit.

"It's not practical," said Bartell, "how are you going to slide? You'd be surprised how much protection the regular uniform gives your legs."

Red Rolfe, Tiger manager, agreed with Bartell.

"We could stand something a little lighter," said Rolfe, "but I'm not one for those innovations."

Detroit's strident ace Virgil Trucks lined up on the other side.

"I think they'd be all right in Washington and St. Louis," said Trucks, "you could even pitch in a bathing suit at Washington some of those nights."

Red Rolfe, Tiger manager, agreed with Bartell.

"We could stand something a little lighter," said Rolfe, "but I'm not one for those innovations."

Detroit's strident ace Virgil Trucks lined up on the other side.

"I think they'd be all right in Washington and St. Louis," said Trucks, "you could even pitch in a bathing suit at Washington some of those nights."

Jeers Greet "New Look" In Ball Uniforms  
ST. PETERSBURG, Fla., April 5—(AP)—Peters drowned out the cheers in a sample poll of major-league opinion on the "new look" in baseball uniforms, introduced at Hollywood.

In case you missed the pictures, the new suits, worn in the Pacific Coast League, are abbreviated, Hollywood players wear a pair of basketball style pants and light short-sleeve rayon shirt on hot days and humid nights.

Casey Stengel, Yank manager and former coast leaguer, has a definite opinion.

"You can say for me," said Casey "that Mr. Collins (Hollywood president) should wear one greeting guests at his Brown Derby. And Fred Haney (manager) had better take a few pounds off that stomach, or forget it."

Rowdy Dick Bartell, one of the old guards, now a Detroit coach, didn't think much of the new suit.

"It's not practical," said Bartell, "how are you going to slide? You'd be surprised how much protection the regular uniform gives your legs."
