BIRTHS
TAYLOR - Lorna and Myron Taylor, Granville announced the arrival of a baby boy, born Nov. 21, 1965 and his grandmother, Mrs. James Connolly, who passed away Oct. 31, 1955. To those who passed away, a forgotten. To others, part of the past. But to me you will always be remembered. As long as memories last. Lovingly remembered by daughter, Doris.
STEWART - In loving memory of our dear father, Neil D. Stewart who passed away Nov. 21, 1961 and mother, Marion Stewart, who passed away May 17, 1965. We think of them with love today. As we have done so often. And feel once more the sudden blow. That doesn't seem to soften. They wished, not a last farewell. Nor even said goodbye: They had gone before we knew, And only God knows what a silent tear, And a silent wish that they were here. Others are taken; yes, we know. But they were ours and we miss them so. Always remembered and sadly missed by sons, daughters, and their families.

CARD OF THANKS
I WISH to express my appreciation to Dr. Putman, Dr. John Gillis, the nursing staff of the Prince Edward Island Hospital, friends and neighbors for their many acts of kindness, and to all who sent flowers, cards and treats while I was in the Hospital. To all a sincere thank you.
Alex Stewart, Millville.
I WISH to thank Dr. Cox and Dr. Roberts, clergy, nurses and staff of the P.E.I. Hospital, all who sent flowers, fruit, candy and cards, and all who visited me while I was in the hospital. A special thank you to my friends for their many acts of kindness since I returned home.
Mrs. Stanley Proude, Milton.
I WISH to express my sincere thanks to Doctors Genchiff and Green, the nurses and staff of the Prince Edward Island Hospital for their care and kindness to me while a patient in it. A special thanks to Rev. Frank Stiles for his visits and to all who sent flowers, treats, cards and letters. As I visited me during my illness. A sincere thanks to all.
Bliss MacEwen.
"WE, THE family of the late Frank C. McCormack, wish to express our grateful thanks to Rev. Louis Dooly, Rev. P.G. Murraghan, Rev. J.J. Dunphy, Rev. F.J. McLaughlin, Rev. C. Macdonald, Dr. G.S.A. Hanson, the RCMP detachment at Montague, the management and staff of the Montague Funeral Home and to all kind neighbors, relatives and friends, who helped in so many ways during our recent and sad bereavement. Also to those who sent messages, floral tributes and messages of sympathy. To all, our deep gratitude."

BRISTOL
Mrs. Roddie O'Hanley, the former Mary MacDonald, who has been absent from her tailor shop for several months has returned to work on part time at present.
Edward Burns, has taken up residence in the city for the winter months at least. Well along in the twilight years now we doubt if he will come back to the country again.
We understand one large potato grower will go into the spud business on a big scale in the spring of 1966 with some 30 acres of spuds. The man is looking for a top man for the farm right now.
Joe Sinnott, the long time mail driver on the route here, has a larger route now, more miles to travel and more customers to serve with the postal service changes.
Work on the new bridge across the Morell River has been halted for the winter at least owing to the fill being carried against the old bridge.
Mr. and Mrs. Douglas MacEwen, were in the city last week on business. Mr. MacEwen, is a long time employee of the Co-operative store here. In fact he has been with the Co-op since it started business many years ago.
Joe Kelly, that well known meat man with Dingwell and Rossiter was in the city last week. Mr. Kelly, closed his meat department in the Dingwell and Rossiter store some time ago and they now operate an up-to-date meat department in their newly renovated store where shopping is a pleasure.
Paul Veir spent the week-end at his old home here last week. Mr. Veir is service manager with Holman's Charlottetown store for some time now.
Mrs. C.L. Sinnott and son were in the city last week to visit Mrs. Sinnott's sister, Mrs. James MacAleer, and to see for a day.

PIGS CONTROL COMMISSION
LONDON (AP) - The agricultural research council here says pigs can be taught to control the temperature in their own Pigs at a research farm have learned to press a lever controlling an infra-red heater when they are cold and a second switch to turn on a fan when they are hot.
