As you can see we have a lot of Keeners! We're already planning a pub for November 29, and with some of the lively B.Ed.'s this year, it's sure to be a success. Don't forget to mark the date on your calendar!

Even though we're already a large, fun-loving group, we encourage any education students to come along to our meetings. Times are posted in Memorial 312.

Don't forget October 12 and 13! Education Outdoor Weekend! Who's Goin' Down?!?!?!?!?
