VARIETIES.

A MODEL OF INNOCENCE.—M. Edmond F——, an artist living at Maisons Lafitte (Seine-et-Oise), was lately in quest of a model for the figure of innocence, which he intends to exhibit in the Universal Exhibition of next year. A few days ago he chanced to meet, on the Paris road, a young country girl, who was sitting upon the trunk of a tree crying. She told him that her name was Pierette D——, that she was an orphan, and that her aunt had just turned her out of doors because she had knocked down a clock. As she spoke the young artist discovered in her face those features which he required for his figure. Her dress was coarse; but her head had that rare grace for which the true artist searches. After a long discussion, he persuaded her to accompany him to Maisons-Lafitte, to sit to him. After the first sitting, he was so delighted with his model that he had decent clothes made for her, lodged her in a comfortable apartment, and took care that she should have every necessary supplied to her. The artist, moreover, took great precautions to protect his model of Innocence from profane eyes, and for this purpose confided her to the care of a trustworthy duenna. Being suddenly called to Paris by important business, he discovered, on his return, that he had been robbed. His jewellery and valuables, together with money, had been carried off. He soon discovered the sad fact that Pierette D—— was the theif, and that she had left Maisons in the company of a man with whom she was on terms of intimacy. On the following day she was discovered sitting upon one of the stone benches near the Arc de Triomphe; and on being taken into custody made a full confession of her guilt. As for the picture of Innocence, it waits, we believe, for a model.

RUB SOFTLY.—'Tis all very well,' said, my godfather, putting in his oar—' 'tis all very well, that rubbing down and polishing off, provided 'tis done in moderation; but let me tell you, there is such a thing as *rubbing too hard.* I have seen an American Indian, rubbing two pieces of rough wood together; after a little time, they became a great deal smoother, and had a pleasant warm feel; but when he rubbed away some time longer, they took fire, blazed up, and crackled, and sputtered in all directions. Now, 'tis just the same thing I suspect, in married life. Rub quietly, and only a little at a time, and all will go on smoothly; but if you stick to it, hard and fast, from morning to night, take my word for it, you will kindle up a blaze at last that you may not find it easy to put out.'—*Dublin University Magazine.*

NO MORE RANCID BUTTER.—Wild recommends that the butter should be kneaded with fresh milk, and then with pure water. He states, that by this treatment, the butter, is rendered as fresh and pure in flavour as when recently made. He ascribes this result to the fact, that butyric acid, to which the rancid odour and taste are owing, is readily soluble in fresh milk, and is then removed.—*Journal of Industrial Progress*

A SOLDIER'S FEELINGS IN THE MIDST OF BATTLE.—A letter from a private soldier says—"The bullets of the Minie rifle go past you with a most infernal sound. It is as though mocking-devils were sneering at you in the air. But your blood gets up, the sound maddens you, the smell of gunpowder has intoxication in it, your veins tingle as if fire was running through them,the eyes strain, the jaws become rigid, and in you go." He states thet he lost himself altogether at the Alma, till he found himsel victor. He got a wound on the forehead, only a graze, but it bled considerably, "the blood ran down into his mouth, and in his burning excitement he drank it as though it had been inspiring wine."

MRS. WINSLOW.

An experienced Nurse and Female Physician, presents to the attention of Mothers, her

SOOTHING SYRUP,
For Children Teething.

For the Nervous Affections, Convulsions, Fever, Inflammation of the Bowels, &c. that attend this period of children, she recommends it as sure to produce the desired effect, giving *Rest to the Mother, and Relief and Health to the Infant.*

A child in Congress-Street was cured by the Soothing Syrup, of Infantile Dysentery or Diarrhœa after being given over by the attending Physician.

Mr. Blackman, of Eddington says, it has *never failed to cure* the Dysentery or Diarrhœa in children whenever used in the village. Lots of it is sold.

One parent informs me his child has suffered to an alarming extent, with Flatulence or Wind Cholic. Lately they have used the Soothing Syrup, and it always effects a *speedy cure.*

Hundreds of like instances might be enumerated.

PROOF POSITIVE.

Messrs. CURTIS & PERKINS:—Please send us a further supply of Soothing Syrup. We are selling large quantities of it, and from what we can learn, it is used with *uniform success,* both by children and adults, in all cases of Dysentry or Diarrhœa.

Yours respectfully,
W. D. CRUMBIE,
J. MORRILL.

Hear the Brooklyn Daily Advertiser, of June 13th 1853.

We cheerfully comply with the request of a friend to insert the following letter which we are assured is from a lady of the first respectability, residing in Lowell, Mass., believing that a vast amount of suffering may be prevented, and many valuable lives saved, by calling the attention of mothers to this valuable prescription of an old and experienced nurse:

Dear Sir:—I am happy to be able to certify to the efficiency of Mr. Winslow's Soothing Syrup, and to the truth of what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not rest, and at night by his cries would not permit any of the family to do so, I purchased a bottle of Soothing Syrup, in order to test the remedy, —and when given to the boy according to the directions, its effect upon him was like magic, he soon went to sleep, and all pain and nervousness disappeared. We have had no trouble with him since; and the little fellow will pass through with comfort, the excruciating process of teething, by the sole aid of Mrs Winslow's Soothing Syrup. Every mother who regards the health and life of her children, should possess it. H. A. ALGER.

NEUROLOGY, or SCIATIC RHEUMATISM CURED.

This may certify, that for about four years I was seriously afflicted with a disease in the hip, which Physicians termed Neurology, or Sciatic Rheumatism, and resorted to various remedies without any permanent relief; have been under the care of a regular Physician for six months at a time. Last spring, had a very violent attack, which laid me up, when I made use of the *Cramp* and *Pain Killer,* prepared by Messrs. Curtis & Perkins, of Bangor. It gave me immediate relief, and I do not hesitate to say, that it is the best article I ever used. I cheerfully recommend it to all who may be afflicted with similar complaints. HENRY HUNT.

Stetson, Dec. 2, 1847.

Deacon Hunt, the signer of the foregoing certificate, is a man of undoubted veracity and high standing in the community.

HUNTER'S PULMONARY BALSAM.

Hear what the Daily Mercury of Bangor says of Doct. Pomroy.

Hunter's Balsam. It is not often that we *can* say anything favorable of patent medicines, on the testimony of those with whom we are acquainted, who have used and tested their merits. But in regard to Hunter's Balsam, put up by our fellow citizen, Jeremiah Curtis, Esq. we have the testimony of many of our own citizens and those of neighbouring towns, unanimous in its praise. The testimony of one individual with whom the public are acquainted, carries with it more weight than whole columns of certificates from strangers, whose faces we never saw, and whose certificates, for aught we know, may have been procured by fraud. INDIAN DISPEPSIA PILLS,

For cure of Costiveness, Acidity of the Stomach, Bilious Habits, Headache, Dizziness, Heart Burning, Pain in the Side, Lung and Liver Complaints.

DYSPEPSIA AND IDIGESTION,

With Costiveness, Acidity of the Stomach, Heart Burning, Bilious Complaints,—producing Headache, Pain in the side, Loss of Appetite, and general Debility,—can be remedied, removed, and entirely cured, by the use of the *Indian Dispepsia Pills.* These Pills have effected the most astonishing cures in hundreds of cases of the above complaints, and are an invaluable remedy, in an especial manner, for Dispepsia. They are a mild and gentle Cathartic, operating mostly upon the blood, cleansing and purifying the same, and causing the digestive organs to perform their appropriate duties, with regularity.

COSTIVENESS.

Habitual Costiveness is, if not removed in time, a cause of more than half of the disorders and pains to which humanity is subject. The medicines too generally had recourse to, do more harm than good, as they weaken the peristaltic action of the bowels, and thus aggravate instead of removing the complaint.

Also, in all Bilious Diseases, attended with Pain in the Side and Right Shoulder Blade, with a dull, sallow countenance. In all Diarrheas,, Ague and iFever, Bilious Fever and sick headache, they are an valuable Remedy.n

They will be found the best Family Physic in the world, purifying the blood, restoring the appetite, and leaving the stomach and bowels in a healthy state. Price 25 cents per box.

For purifying the Blood' we do not believe these Pills have their equal in the world.

PERRY'S HUNGARIAN BALM.

For Restoring Preserving and Beautifying the Hair.

THIS elegant preparation is an effectual remedy for Baldness, or falling off of the Hair It prevents and completely eradicates Scurf and Dandruff, strengthens the Roots of the hair; causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance, and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of scurf, dandruff and other impurities, which so frequently cause premature decay and loss of the hair.

The Hungarian Balm is especially adapted to ladies' use; and those who have tried the varions oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more of less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it at once and you will be convinced of its superiority over all other compounds for the hair.

Much more might be said in favor of this inestimable compound, but it is deemed unecessary. The proprietor feels confident that ONE TRIAL will convince the most incrdulous of its rare and manifold virtues. Therefore,

If you have lost your hair and wish to restore it,

If you are losing your hair and wish to preserve it,

If you are troubled with Dandruff and wish to remove it,

If you have any humour of the Scalp and wish to cure it,

If you are troubled with Nervous Headache and wish to cure it,

If you have hair eaters at the roots of the hair and wish to destroy them,

If you have harsh dry and wiry hair, and wish if to become soft, pliable and beautiful as silk; and it you wish to preserve rich, gracefull and luxuriant tresses to the latest period of life, use PERRY'S HUNGARIAN BALM.

The Far-famed Medicine!

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor Holloway, by a gentleman named Middleton, of Scotland Road, Liverpool.

Sir,—Your Pills have been the means, under Providence, of restoring me to sound health, after five years of severe affliction. During the whole of that period, I have suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy, I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigor to the chest and digestive organs.

I am, Sir, your obedient Servant,
Signed H. MIDDLETON.

Dated Jan. 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER, OF MANY YEARS' DURATION.

Copy of a Letter from Mr. Gamis Chemist, Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious complaints, I may mention the following case: A lady of this town, with whom I am personally acquainted for years, was a severe sufferer from disease of the Liver and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,
Signed J. GAMIS.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM, AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from Mr. W. Moon, of the Square, Winchester.

To Professor HOLLOWAY,

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried everything that was recommended, and was attended by one of the most eminent surgeons in this town, but obtained no relief whatever; and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant,
Signed W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist Goole, dated February 15th, 1853.

To Professor HOLLOWAY,

Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by ynor valuable medicines. Captain Jackson, of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel became necessary; notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

These celebrated Pills are wonderfully efficacious in the following complaints.

Ague	Dropsy	Inflammation
Asthma	Dysentery	Jaundice
Bilious Complaints	Erysipelas	Liver Complaints
Blotches on the skin	Female Irregularities	Lumbago
Bowel Complaints	Fevers of all kinds	Piles
