S'SIDE CUSTOMER FOR 40 YEARS

Forty years is a long time to be buying groceries at the one store, but apparently Summerside florist, George Williams thinks differently. Mr. Williams was the first customer at Gaudet's store on Granville Street when the proprietor opened for business 40 years ago and continued to buy there through the years. Mr. Williams, not only has the distinction of being the first customer at the old store but also the last. He is seen here making the last purchase from Hillary Gaudet just before the store closed for good Tuesday evening before opening their new modern supermarket yesterday morning.

Living Costs Climb Again

By ALAN DONNELLY,
Canadian Press Staff Writer

OTTAWA (CP)—The yardstick of Canadian living costs continued its climb during September to a record peak.

A seasonal rise in food prices was given most of the blame as the bureau of statistics reported Wednesday that the consumer price index advanced .7 per cent in the month to 128 on Oct. 1. It was the third straight monthly rise in the index, based on 1949 prices equalling 100.

The previous record was 127.1 on Sept. 1.

Food prices climbed 1.5 per cent during September; shelter, clothing, household operations and miscellaneous items showed increases averaging .3 per cent. Indexes for all four sectors reached record levels.

Wednesday's figures showed that a rise of 1.6 per cent in the consumer index in the last year—it stood at 126 on Oct. 1 last year—was due mainly to higher prices of non-food items.

The September rise of nine-tenths of a point in the over-all index followed gains of seven-tenths of a point in August and one-half point in July.

ISLAND JEWELLERS ELECT SLATE

Retiring president Earl Taylor of Charlottetown is seen with Parker Crockett of Summerside, the newly elected president of the P.E.I. Jewellers Association, at the annual meeting in Summerside on Tuesday evening. New officers elected for the coming year were: President, Mr. Crockett, Summerside; vice-president, John Williams, Charlottetown; secretary, Mrs. Thorley Burke, Charlottetown; treasurer, Mrs. Hubert Coffin, Charlottetown. Jewellers were in attendance from Summerside and Montague, and the members decided to hold their meeting next year in Montague.

TORONTO

TORONTO (CP) — With Wall Street giving it some trend to follow, the stock market Wednesday lost ground amid moderately active trading.

Western oils led Wednesday's decline with their index losing 2¼ points. Brokers attributed the selling to profit-taking following strong gains by many issues, particularly natural gas stocks, in the last few sessions.

Base metals and golds each managed to climb moderately, mines gaining strength in the final half hour.

The western oil losses were strong in number but most changes were moderate. Losing between 20 and 25 cents were stocks such as Bailey Selburn, Canadian Devonian, Central Del Rio and Royalite. Most seniors dipped fractions.

Uraniums showed some strength in mines while senior base metals closed mixed to higher. Lower - priced mines showed no definite trend.

Index changes: golds up .35 to 87.39; base metals up .33 to 169.86; western oils off 2.23 to 104.99.
