

A Racing Wonder.

THE 2 YEAR-OLD CALF THAT BEATS HORSES ON THE TRACK.

Wabash, the 2 year-old calico calf that is credited with a mile racing record of 2.20, was brought to Philadelphia on Monday by his owner, Col. Charles J. Burns, of Evansville, Ind., says the Times. Wabash has won seven races off the reel this summer, and only beaten once. On that occasion he fell down. At Bedford Park, on Wednesday last, he easily beat J. C. Mason's black gelding, the Major, a mile in 2.20. After the race Col. Burns decided to accept an offer \$1,500 for his fleet-footed bovine. The calf is nearly 13 1/2 hands high, his legs are like those of a giraffe, and his horns are tipped with nickel plated knobs. Col. Burns bought the calf when a yearling from an Indiana farmer, who was driving the split-hoofed trotter to a sulky, and beating all ordinary roadsters with ease. The calf is of plebeian blood, and was bred, raised and trained by the farmer. Hitched to a light wagon, Wabash trotted to Belmont Park, Wednesday afternoon, and was sent round the track several times at a 2-minute gait. The calf's wind and limbs are perfectly sound, and his owner says he has driven him 40 miles a day without making him turn a hair. Although Wabash trots fast and steadily in harness, he is much speedier when running under saddle. To show the calf's speed, he was saddled and mounted by a 115 pound jockey, and Mr. Horton's bay mare Clorinda, with a record of 2.24, was started against him. Clorinda went away in the lead when the word "go" was given, but Reilly, the jockey on the calf, quickly clapped spurs into its sides, and, with a bellow that was heard a mile off, Wabash heisted his tail like a jackstaff and set sail after the trotter. The crowd of horsemen present at once saw the Wabash had a mixed but fast gait that is peculiar to himself. When on the backstretch his legs seemed to sprangle out on all sides at once, and he loded his back like a bucking broncho and blew a cloud of steam out of his nostrils. Col. Burns proudly waved his hand toward him and said to the crowd on the quarter stretch. "Now, you all watch that critter hump himself. If "humping" meant bellowing until the astounded Clorinda bolted across the tract and stood trembling against the outside rails, Wabash certainly did what the colonel expected. Wabash came along like a locomotive, passed the bewildered mare and was lobbing into the homestretch before timorous Clorinda's driver could induce her to trot. Wabash won by an eighth of a mile, and was encored by every spectator.

A North Carolina girl had her hand completely severed from the arm by an axe. The physician, not being in condition to amputate the arm above the wrist, replaced the hand, secured it with silver stitches and adhesive plaster, and having bound both arm and hand to a broad splint, ordered them to be kept warm with hot flannel cloth. The third day pulsation could be plainly felt in the hand, which had also changed its color. Says the physician in charge:—"I removed the sutures on the fourteenth day, and afterwards she carried the hand in a sling, and is now three months after the accident—able to extend the fingers and grasp with nearly the usual strength.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured. "In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me. HORACE FAIRBROTHER, Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute. "While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, MRS. EMMA GEDNEY, 159 West 125th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most efficient remedy for coughs and colds we have ever tried. LAKE CRYSTAL, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN, Byhalia, Miss., April 6, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRADDOCK, Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
