## Personals

Mr. Donald MacNeill, student at Dalhousie University has returned to Halifax after spending the holidays with his parents, Dr. and Mrs. Donald MacNeill.

Miss Helen MacDonald, who has been spending the holidays with her parents, Mr. and Mrs. Emmet MacDonald, has returned to Sydney where she is taking an X-ray course at St. Reta's Hospital.

Senator G. H. Barbour and Mrs. Barbour leave Saturday morning for the Parliamentary session. They will be staying at the Chateau Laurier.

Miss Norma Jean MacLeod returned to Mt. Allison University Tuesday, after spending the Christmas holidays with her parents, Rev. and Mrs. W. J. MacLeod Euston St., City.

Mr. Randolph Nicholson and r. Langley MacLean recently returned to college at Wolfville, N. S., after spending the Christmas holidays at Mr. Nicholson's home in North River.

## Chrysler Dealer Course Ends At Noon

Taking instruction in the use of automatic transmission power brakes and power steering are a number of garage mechanics from the Chrysler Dealer organizations throughout the Province. The instructor for the class is Mr. C. B. Peters of Truro, technician with Chrysler Corporation.

From Murray River are Raymond Reynolds, C. O. Nicolle, William Bell, George Saunders. From Charlottetown: George Clow, Oliver Hume, Alfred Murray, Harry Ward, Aeneas MacKinnon, A. MacRae, H. MacDonald, T. Barrett, Lloyd Cameron, Alvin Rutledge. From Summerside: Sheldon MacEwen, Ralph Grady, Alvin Matthews, Arthur Wedge, Alfred Leard and Robert Maynard.

The course which is of two and a half days duration will conclude today at noon. It is being conducted at the Kirkwood Motel. A similar course for other employees will be started at the first of the week.

## New Officers Gratia Club

On Thursday evening the Gratia Club of 5he Central Christian Church met at the home of Mrs. M.D. Dunbar. The newly elected slate of officers: Mrs. Donald Stewart, president; Mrs. William Keith MacKinnon, secretary; Mrs. Stewart, president; Mrs. William Matthews, vice - president; Mrs. William Henry, treasurer; Mrs. Allison Owen, press; Mrs. Harry Mellish and Mrs. Blair Hacket, auditors.

Mrs. D. Stewart opened the meeting with a devotional thought on the New Year, after which several hymns were sung, followed by a circle of sentence prayers.

Mrs. Dunbar then led the very interesting study period. During the business meeting various routine committees reported. Mrs. William MacKinnon reported that the new pulpit chairs were to be ready for this coming Sunday. Details of junior church and annual meeting refreshments were discussd and planned.

Mrs. W. Henry invited the members to her home for the next meeting. After adjournment, Mrs. William Bruce and Mrs. Preston Beck assisted Mrs. Dunbar in serving the lunch.

## Body of Woman Found In Halifax

HALIFAX, (CP)—The body of an unidentified woman was found floating in Halifax harbor near the Royal Nova Scotia Yacht Squadron jetty Friday.

Police said the woman was about 40 years and five feet five inches tall with dark brown hair. One hand clutched a pair of glasses.

She wore a ring with the initials SJVS, presumably standing for the Saint John, N. B., Vocational School. Her pinkish-beige topcoat bore labels with Saint John addresses.

## CARD OF THANKS

I wish to thank the people of Shamrock district for their kind gift at Christmas.

VIOLET CAIRNS

## May Have Building For Occupancy In August

Hopes that the new Charlottetown Federal Building may be ready for occupancy in August of this year were expressed yesterday by supervisors on the project.

From Mr. John R. MacKinnon, Federal Engineer, it was learned that progress on the building is proceeding at a very satisfactory rate. Everything is now back in full swing after the holiday period, approximately one hundred and fifteen men being employed by the Anglin Norcross Co., and the various sub-contractors, with August as the target date for completion.

The contract which calls for completion of the building by October of this year, was signed on 27 September, 1954, between the Anglin Norcross Construction Company of Montreal, and the Federal Department of Public Works, for a contract price of $2,388,934. Actual construction of the building was handed over by the Montreal firm to Anglin Norcross Maritimes Ltd.

Clearing of the site was commenced in October, 1954, and the first concrete for the foundation was poured on 21 November of that year. The cornerstone was laid by the Hon. R. H. Winters, Minister of Public Works, on 15 June, 1955.

## Ladies Auxiliary YMCA Holds Annual Meeting

The asnual meeting of the Ladies' Auxiliary of the Y.M.C.A. was held on Tuesday, with fourteen members present.

After the usual opening ceremony, the regular reports read and accepted, other matters were discussed and acted upon.

A letter of appreciation from the Sea Cadets was read, stating their satisfaction at the good dinner served them at their Christmas party. Other letters of thanks were read from those receiving Christmas gifts from the Society.

The nominating committee's slate of officers was read and approved:

President, Mrs. S. D. Irvine; Vice President, Mrs. W. G. Bruce; Treasurer, Mrs. Frank Tinney; Secretary, Mrs. F. G. Osborne, (re-elected); Executive, Mrs. J. M. Burgess, Mrs. W. A. Jenkins, Mrs. Norman McPherson.

The president, Mrs. Ernest Bell, then gave her report, a resume of the work done by the twenty-five active members of the Auxiliary. She stressed the need for new members at once, in view of increased work during the coming year. She thanked the executive and the members for their splendid co-operation and hoped that the same loyal support would be given to the new president and her executive.

The newly elected president, Mrs. Irving took the chair and replied with a gracious speech hoping that her term of office would be as successful as the one just ending. She thanked the members for their confidence in her.

Mrs. Tinney, took over her office as treasurer and received annual dues from those present, after Mrs. Rix had read her financial report for the year. This report showed a good bank balance and had been audited by Mrs. MacMillan.

A vote of thanks to the out going presdent and executive was given by Mrs. McLaine and Mrs. M. Watson.

New business was attended to relating to serving suppers to the joint Alpha-Centennial Y's Men's Clubs on January eleventh and to the coming historic one hundredth annual meeting of the Y.M.C.A. in Charlottetown.

When workers had been secured for pending suppers, the meeting closed with the Mizpah Benediction.

After the meeting Mrs. E. Bell and Mrs. M. Watson served delicious refreshments.

## Protestant Family Welfare Agency To Be Established

A resolution calling for the formation of a Protestant Family Welfare Agency in the City of Charlottetown was unanimously adopted at a largely attended meeting held last night in the Y.M.C.A.

Sister Mary Henry, of the Catholic Welfare Bureau was the special speaker. She replaced Miss Mary L. MacLeod of Halifax who was unable to reach the City because of poor flying conditioons. Mr. E.C. Johnstone acted as chairman for the evening.

Canon J.T. Ibbott on behalf of the meeting extended a hearty vote of thanks to Sister Mary Henry for her address. He said that he agreed with her that the needs of the soul was the all important factor in the restoration of human lives.

**MAYOR STEWART**

Mayor Stewart added his words of thanks to those of Canon Ibbott. He said he realized the wonderful work that the Catholic Welfare Bureau was doing within the City and agreed that an additional agency working along the same lines would do much to solve many of the social problems within the City. He pictured the work of the new Bureau as that of a co-relating effort with that of the existing agency.

Mr. T. Roy Cudmore a veteran of many financial campaigns in the City said that he had no fear that the finances for the organization of such an agency would be forthcoming. He expressed the opinion that one of the most important things to consider was the procuring of a qualifaid worker to head the organization. He said it would be no small sized campaign but suggested that it would meet with the full co-operation of the citizens as a whole.

Dr. Harold Shaw, Mrs. Hazel Henry, Dr. Wendell MacDonald, Major MacNutt, Mrs. Keith Kennedy, Frederick Large, Q.C.; N. W. L. Lowther, Q.C., Mrs. Gordon MacDonald were among others who spoke, voicing their approval of the move.

Mr. K.A. Parker introduced the speaker of the evening. In so doing he noted that Sister Mary Henry was most co-operative in accepting the invitation on such short notice. Mr. Parker in a brief review gave an account of the steps leading up to the meeting. He said that it had become evident that the work being done by a group of well doers was perhaps of little or no value and in this respect emphasized the need for a professionally trained worker. Mr. Parker paid a tribute to the City School Board's Attendance officer MacLeod who he said made 1,389 visits in the past year during which he found 41 families without food clothing or fuel.

The following steering committee was named to bring in a report for a future meeting which is to be held within a month. Frederick Large, Q.C., Arthur Duvar, T.E MacNutt, Mrs. William Bruce, Mrs. J.A. Lawson, Ralph Rupert, Norman W. Lowther, Rev. Harvey Bishop, past president of the Ministerial Association.

A vote of thanks by Brigadier W. W. Reid to the Y.M.C.A. for the use of the building was heartily endorsed.

Sister Mary Henry said that family welfare agencies had been in existence for a long time and the initial conception of its function was that of helping the poor, the misfits, and the sick. She pointed out that while a social welfare agency still performs all of these functions, it was discovered over the years that the need went much deeper than that of supplying the material needs of life.

**SELF SUFFIENCY**

The speaker said that by applying scientific methods to a study of persons' needs it was discovered why these needs existed. When this was found it was the job of the social worker to apply proper guidance that would enable these unfortunates to help themselves.

Referring to the experience of Peter and John at the gate of the temple Beautiful, Sister Mary Henry said that the disciples could have given the beggar money but instead they gave him a more valuable gift — that of enabling him to provide for himself.

The Sister warned that the work, in spite of all the known technique that could be applied, often appeared to be without results, for there were those whom homes were provided that would not keep them. were those for whomhomes were provided that would not keep the. **SOMETHING MORE NEEDED**

It was natural, she said that the case workers would be puzzled under such circumstances and it became evident with frightening calrity that some of these souls were twisted and broken and the people could not help themselves.

It was discovered that a warm and friendly approach was needed and for the first time the person saw that he or sh had someone that they could trust.

Sister Mary Henry said, "You can't help someone else unless you give a part of yourself in the process. It is necessary to go deeper into the lives of these people and realize that often it is things of the spirit they require."

The speaker emphasized the fact that not all of social service work is done among the poor for "quite often" she said "you find broken homes where there is no financial lack. These people are in need of help just as much as those not so well off financially."

In closing she stated that Social Welfare work is the first line of the Nation's defence against delinquency, crime and broken homes. "It is far more costly to the community after the breakdown occurs than what might be spent in trying to prevent it," she said.

## Depleted Fund Given Boost

Recently, the Red Cross Handicapped Children's Fund, in which there was a balance of only $254.60 at the end of 1955, received a grand "boost" when $600.00 came in as the proceeds from the auction sale held in Yeo's Theatre, Montague, early in December. This auction sale was commenced some years ago by the Masons of Montague, under the ladership of Mr. R. K. Clements, in connection with the annual radio auction sponsored by the Charlottetown Rotary Club. Until this year, the proceeds from the Montague auction were added to those from the Charlottetown Rotary Club and given to Red Cross for administration.

The receipt of this $600.00 from Montague will make it possible to continue to finance treatment for handicapped children who are presently hospitalized for various deformities, and for others who will soon be admitted to hospital.

**LADY CHURCHILL AILS**

LONDON (AP)—Lady Churchill has entered a London hospital for an examination, hospital officials announced Wednesday. Her husband Sir Winston Churchill has called on her twice in the private ward she has taken for the observation period. Lady Churchill, who will be 70 next month, was ordered to rest for several months after she had treatment for neuritis at Aix-les-Bains, France, last year.

## EASTERN STAR OFFICERS INSTALLED

The recently elected officers of Crystal Chapter, Order of the Eastern Star were installed into their respective offices at a meeting last evening by Past Matron Christine Larabee, assisted by Jessie Parker as marshal.

Pictured above are first row—Left to right: Etta Dalling, P. M., Secretary; Edna Lord, Worthy Matron; Morley Smith, P. P., Worthy Patron; Christine Larabee, P. M., Treasurer and Installing Officer.

Second row: Jean Smith, chaplain; Jessie Parker, P.M., installing marshall; Olive Hansen, warder; Ellen Webster, Ruth; Gladys Larkin, pianist; Bert Larkin, P.P., sentinel.

Third row: Eunice Wonnacott, Electa; Louise Johnston, associate conductress; Marion Lord, associate matron; Jean Scales, Esther; Ann MacLeod, Martha; Doris Lehner, Marshal.

# New Laboratory Will Serve Atlantic Provinces' Needs

The new Animal Pathology Laboratory on the Campus of Mount Allison University, Sackville, N.B., as announced by the Canadian Department of Agriculture, was officially opened yesterday afternoon by Hon. Milton Gregg, Minister of Labour and the Federal Member for York-Sudbury, N.B.

The new Laboratory is designed to serve the needs of the four Atlantic provinces in problems of diseases affecting poultry, livestock and fur bearing animals.

The laboratory is a branch of the Animal Diseases Research Institute at Hull, Que., the Headquarters of the Animal Pathology Division, and has been established, as the two small branch laboratories in Western Canada were developed, to meet special problems peculiar to the area it will serve.

Arrangements wre made with Mt. Allison University for a house in which a laboratory was established. Dr. J.F. Frank, a member of the staff at Hull was transfered and work commenced. Conditions previously unknown to exist were unearthed and it was apparent that local problems required careful study.

In a few years the work had outgrown the facilities and problems involving the spread of infections could not be dealt with. Provision was made for the new building, designed along modern lines and with facilities for handling this type of problem.

It is unknown yet what part marchlands may play in the production of disease. Certain diseas producing organism, which in dry areas are of little interst, may be stealing revenue from the livestock men in marshland areas More common conditions general throughout Canada, such as Brucellosis and vibriosis (two diseases causing inertility in breeding animals) require speoial study as thy relate to management in these areas.

DR. J. F. FRANK
Officer-in-charge Animal Pathology Laboratory, Sackville, N.B.

The new Maritime area laboratory will perform not only a useful service and function locally but will also be the machinery by which the strong central organization can keep in touch and give a more efficient service to the Atlantic area than has been possible in the past.

Hon. Eugene Cullen, Minister of Agriculture, Mr. S.C. Wright, Deputy Minister and Dr. George C. Fisher Director of Veteriany Services attended the official opening of the new laboratory.

Dr. J.F. Frank was appointed Officer-in-charge.

(Continued from page 1)

## $1 PER 165 LBS.

E. I. growers had a total surplus of some 5,000,000 bushels.

Agriculture Minister Sherwood of N. B. estimated last month that farmers were getting 40 cents a bushel for potatoes that cost 70 cents a bushel to produce. Starch factories pay low prices for potatoes but by easing some into factories, the over-all surplus would be reduced.

The federal support on the starch program would guarantee the growers return of about 36 cents a bushel. However the federal agriculture department observed that by encouraging the diversion, prices of potatoes still remaining on the market would strengthen and would be maintained at current levels without further declines.

**MORNING T V**

MANCHESTER, England (CP)—"I don't think people in Britain would have time to watch morning television," says Sir Kenneth Clark, chairman of the Independent Television Authority. "In America it's different," he said. "They have labor-saving devices."

**FLASHY PYJAMAS**

SHERBROOKE, Que. (CP) — Men are showing a "manlier" taste in clothing purchases — except for pyjamas — in this year's Christmas buying, clothiers here report. Flashy pyjamas are in demand and television is apparently the reason, men finding them comfortable for watching TV.

**MAN-OF-YEAR: RYDER**

TORONTO (CP)—The Telegram says swimming coach Gus Ryder of Toronto is its nomination as Man of the Year for 1955. A panel of judges made the selection after scanning hundreds of letters from readers. Ryder, 56, coached marathon swimmers Marilyn Bell and Cliff Lumsdon, and is a customs broker.

## Local Teachers Discuss Professional Problems

A meeting of the teachers of School Unit No. 1, along with guest teachers from outlying districts, took place in Parkdale School on Thursday evening, January 5, with the president, Mrs. Wanda Murphy, in the chair.

After the regular business period, the president of the Charlottetown Rural Teachers' Federation presented several questions concerning the economic and professional status of our teachers. These questions brought forth lively discussion, and the following were some of the conclusions reached:

(1) That all teachers entering the profession should have at least Grade X11 certification.

(2) That the Federation should be empowered to give the straight facts through the press on the district teacher standing regarding professional status, etc.

(3) That the principles to be observed in constructing salary schedules should be based on academic and normal qualifications, experience, and grade taught.

(4) That press committees of the various Locals should be more active in publicizing their meetings and discussions.

(5) That Local presidents should meet more than once a year with their Locals to discuss Federation affairs and so become more interested in the affairs of their profession.

These discussions took place in preparation for a Teachers' Workshop to be held in Prince of Wales College on Saturday, January 14, under the direction of Mr. Forbes Elliott, president of the Canadian Teachers' Federation.

The meeting closed with lunch served by the Central Royalty teachers.

## Wishing Well Boost To Red Cross Drive

The $171.66 dropped in the "Wishing Well" at one of Prince Edward Island's outstanding tourist attractions —"Woodleigh", the picturesque home of Col. and Mrs. E. W. Johnstone, Burlington— helped put Prince Edwards Island's objective in the 1955 Red Cross campaign "over the top".

This splendid amuont for the 1955 Red Cross campaign from "well wishers" visiting Col. Johnstone's home, was reported at a recent meeting of the Provincial Red Cross executive when it was also learned that $600.00 for the Handicapped Children's Fund had come in as the result of the auction held in Montague by the Masons early in December.

The Provincial president, Mr Edwin C. Johnstone, announced at the meeting that the 1955 Red Cross campaign had reached the total of $27,974.17 or 110.9 per cent of its objective of $27,400. Mr. Walter F. Shaw, Provincial campaign chairman, attributes the success of the 1955 campaign to the fact that enthusiastic canvassers undertook to collect in almost every district in the Province and met with generous response from contributors. Mr. Shaw, who will head the campaign again this year, stated further that an even wider coverage will have to be obtained for the 1956 campaign in order to reach this year's provincial objective which is $29,000.

**FIND DEAD SKIER**

DAVOS, Switzerland (AP)—Guides Wednesday found the body of Richard Jackson, 34-year-old American teacher killed by an avalanche on New Year's Eve with three other skiers. The body was found after a four-day, almost nonstop search by some 100 guides equipped with poles, avalanche dogs and mine detectors. Jackson was still holding one ski pole in his left hand.

**ST. PAUL'S (A) W. A.**

St. Paul's Branch A of the W A. held its first meeting in the year at the home of Mrs. W. E. Champion with a good attendance of members. The president Mrs. H. E. Miller presided.

After prayers and Bible reading, the treasurer Miss Helen Wakeford reported that the pledge which pays the salaries of the Missionaries on duty had been fully met Miss Alena Horne reported hat the Thankoffering showed an increase over the preceeding year ,this fund is use.. for the training and pensioning of the Church's Missionaries. The report of the cent-a-week secretary Miss Lilla Coles showed a generous amount, this money will be given as bursaries for the education of the children of Misionaries who are situated in remote areas. Special grants were given to five students at the Anglican Women's Training College Toronto, to the Columbia Coast Mission and to the Ludhiana Hospital and Biblewomen of India.

The officers elected for the year were honorary president, Mrs. J. T. Ibbott, president, Mrs H. E. Miller, 1st vice-president, Mrs. C. H. Coles, 2nd vice-president, Mrs. Harry Matheson, treasurer, Miss Helen Wakeford, recording secretary, Mrs. E. V. Bell, corresponding secretary, Mrs. Parker Moore, dorcas secretary, Mrs. J. A. Bentley, thankoffering secretary, Miss Alena Horne, cent-a-week and living mesage secretary Miss Lilla Coles, social service secretary, Mrs. J. T. Rodd, Educational secretary Mrs. A. E. Davis, prayer-partner secretary Miss Audrey DeBlois.

Delegates to the Diocesan Annual were appointed. Loving tribute was paid to the memory of two faithful and dvoted members Miss Amy Palmer and Mrs. Carrier who have passed on during the year.

The business and devotional part of the meeting was closed with prayer by Mrs. Champion, the Diocesan president of the W. A.

A social hour was enjoyed and delicious refreshments were served by the hostess Mrs. Champion assisted by several of the members.
