Why The Delay?

WE ARE still at a loss as to why the Intermediate 'A' Hockey League is continuing so long in regular schedule play.

Now, we know they have loads of time before a winner must be ready to meet the New Brunswick victor but we are trying to fathom the reasoning behind the powers-that-be in continuing these 'mean nothing' games instead of getting into playoffs..

We see no reason why the playoffs couldn't be lengthened, thus giving the teams just as much hockey. Then the games would mean something and chances are more folks would wend their way to The Sports Arena and Civic Stadium.

The last two games Sandy Friarel had at The Sports Arena we doubt if he got enough out of the gate to pay for the sticks. We are almost certain that the Sports Arena management didn't meet expenses or anything near it.

What advantage is gained by this prolonging we don't know .When we suggest to some to get into the playoffs in a hurry, they look at us as though we were trying to rob them of some juicy gate receipts.

Personally we are afraid that if the crowds (that's a misnomer if there ever was one) continue to stay away, it will be difficult to get them back even for playoffs.

It's merely a suggestion and certainly is nothing to us personally. However, we do hate to see the promoters of these teams and the rink managements continue to take a bad lacing. Anything that can be done to correct this should certainly be welcomed by all connected with the hockey league.

Remember the nine-cent cheque Penguins received last year for a 'mean nothing' game? There'll be a few more of those on the go in a very short time if things don't brighten up

Penguins Entertain

OLD Spain Penguins entertain Halifax Junior All-Stars this Saturday afternoon at The Sports Arena.

The Biby Birds were thrown for an 8-3 loss last Saturday at Halifax but that shouldn't make any supporters of the Old Spainers feel too down in the dumps.

It would appear that the Penguins just ran out of steam in this one. They were on top 2-0 after the first period but that's where their attack fizzled out. It wasn't any wonder because it was their third game in three nights and the games plus the long travel surely must have taken its toll.

In addition, the Birds were without Dave Lawlor and Dave Gaudet. Both these boys were greatly missed by Bucko Trainer and his group. However, they'll be on hand Saturday when the Birds are the host club..

Cliff Sentner, who performed so brilliantly last season with Prince of Wales Juniors, is on the Birds' line-up for the 1962-63 season. Cliff hasn't played as yet but he is working out these days and will, in all probability, get into action before too long. Sentner is likely to be the number one netminder once he wriggles into shape.

We believe these Penguins can still win this Maritime junior crown. That 8-3 loss at Halifax didn't make us change our mind. There are lots of folks around these parts who think the same way and all of those people will be at The Sports Arena Saturday to watch the Penguins-Halifax action.

This game should surely pack them in at Earl Nicholson's winter playground. The boys deserve a packed house for this encounter.

Let's show the Haligonians that we are solidly behind junior hockey in this garden province.

On The Curling Scene

THINGS are moving along at the British Consols play in Summerside and the next two or three days should find some gruelling matches on the menu.

Already upsets have occurred in the provincial Island championships and there's a big chance that more of the same will happen before a winner is declared.

And by the way, congratulations to Fern Seel and her RCAF rink on winning the provincial women's championship.

Here's wishing this foursome all the best at Saint John.

Bucyk, Toppazzini Pace Bruins To 6-3 Victory

BOSTON (CP) — Johnny Bucyk and Jerry Toppazzini each scored twice Tuesday night to lead Boston Bruins to a 6-3 victory over New York Rangers in a National Hockey League game.

Bucyk's two goals and one assist again put him in front in the NHL scoring race with 24 goals and 35 assists for the season for 59 points is three more than Detroit's Gordie Howe. The Red Wings were idle.

The six goals equalled the Bruins' single game goal production high for the campaign. And Toppazzini lost what would have been a third goal for him when he put the puck in the net in the third period only to have the goal disallowed.

LINE GETS SEVEN POINTS

Bucyk's assist came on wingmate Tommy Williams' 20th goal, which put the Bruins in front by three early in the final frame. Centre Murray Oliver had three assists for the night and the line of Oliver-Bucyk-Williams skated off with seven points.

Bucyk's goals came in the first period after rookie Leon Rochefort sent the Rangers ahead 1-0.

Former Bruin Don McKenney, swapped for Dean Prentice a week ago, tied it for New York before the period had ended. But the Bruins went ahead 4-3 in the middle period on Toppazzini's first score of the night, and a nifty goal by Guy Gendron, following New York rookie Jim Neilson's goal on a power play.

Gendron's 17th came on a whirling backhand shot. Toppazzini's second of the night, and 14th of the season, was recorded with Boston a player short.

Royals Top Penguins 6-4; Playoffs Open Thursday

Sandy's Royals defeated the pesky Old Spain Junior Penguins 6-4 at the Sports Arena last night in the last regular league game of the season.

The league executive met at the armouries last evening and decided to cut off the schedule following this contest and to get the playoffs underway Thursday night at the Sports Arena.

Royals will meet Penguins and Combines will play Eagles in best of seven semi-final series.

Apps Arsenault paced the winners with a 'hat trick' in a rough and crowd-pleasing tussle that saw battles nearly erupt on several occasions. Alan 'Smelt' Gillis, Buck Whitlock and Angie Carroll scored the other Royal goals.

Gerdie Whitlock, Dave Lawlor, Ron Dawson and Dave Martin counted the Penguin markers.

COME FROM BEHIND

The Penguins battled from behind to tie the score on four occasions but the league leading Royals finally put the game on ice around the midway mark of the final session, Arsenault scoring the winner.

Star of the game was Penguin netminder Donnie Frizzell, who gave a magnificent performance in keeping the Royals down to six goals. One of the many great saves he made came when Buck Whitlock got a breakaway late in the second period and seconds later he was hot on a potential scoring play by Angie Carroll.

The game threatened to get out of hand in the dying minutes when Buck Whitlock drew a minor and then a 10-minute misconduct and a game misconduct. At the time the Penguins had withdrawn their goalie and were playing six men up and Whitlock drew the minor during a scramble near the Royal net. He then got into an argument with some fans near the Penguins bench and seconds later was thumbed out of the game.

Royals outscored Penguins 3-2 in the opening session and both teams scored once in the second period. The final frame saw the Royals holding a 2-1 edge in the scoring.

Referees Don Whelan and Joe Coyle handed out a total of 13 penalties, including the three to Whitlock at the 19.31 mark of the final frame.

Five Rinks Undefeated; Cameron Has 3 Victories

SUMMERSIDE — At the end of yesterday's play in the British Consols bonspiel being held at the Summerside Curling Club this week Doug Cameron's rink was the lone former with three victories and no defeats.

Terry Hea of RCAF, Art Burke of Charlottetown, Horace MacFarlane and Wyman Miller of Summerside all had two victories without a defeat.

Seven rinks were eliminated from the championship round. They were skipped by Pete Schurman, of Summerside, J.R. Fisher, B. MacPherson, P. Jennings, and G. Spicer of RCAF, Johnny Squarebriggs of Charlottetown, and Fred Millman of Alberton.

The most spectacular victory yesterday was that of Wyman Miller against Art Clark. Miller's rink was down 10-3 after seven ends, but they took the next five ends and won 13-10. Art Burke's rink once more snatched victory from defeat, Burke's last rock settling the issue as it had done against Jennings and his men the day before.

Terry Hea took a squeaker from Mont Hutt, and Eric Johnston Edged Johnny Squarebriggs by the narrowest of margins.

The Summerside Curling Club held a banquet last evening for the curlers participating in the bonspiel and Lieutenant-Governor F.W Hyndman, who was one of numerous speakers, spoke of curling as valuable agent to bring sportsmen together to mingle in good fellowship. He expressed his hope that the best rink would win.

Other speakers were Senator Orville Phillips, Deputy Mayor George Key, who welcomed the curlers on behalf of Mayor Morrison who was ill; Chief Justice Thane A. Campbell, trustee of the Brier and honorary president of the Summerside Curling Club; Frank Bryan, president of the P.E.I. Curling Ass'n, Sidney Green, representative of the Macdonald Tobacco Company, sponsors of the bonspiel; Gordon Bennett, secretary of the Island body and Eric Johnston, president of the host club.

Tartans Overpower Trail Smokies 4-3

By ED SMITH

HALIFAX (CP) — Halifax Tartans' speed was too much for Trail Smoke Eaters and Canada's world hockey tournament team was edged 4-3 by the scrappy Nova Scotia senior club here Tuesday night.

Defensive lapses contributed to Smokies' loss before 5,628 fans, their sixth in seven exhibition games in Canada as they warm up for the world hockey tournament in Stockholm next month. The game was Trail's last before heading overseas.

Moe Lamirande, a speedy centre, was mainly responsible for Tartans' offensive success, Gary Doggett, Halifax's young goaltender, was tough to beat—handling 31 shots.

Tartans sat back to wait for Trail's pass patterns to develop. But somehow they were so slow materializing that Tartan forwards were able to steal the puck and drift in alone on the Smokie goal.

This gave sub-goalie Reno Zenier a rough time. He handled 22 saves. Regular netminder Seth Martin was given a rest.

SCORES THREE GOALS

Lamirande scored three Halifax goals and assisted on the fourth. Brian Graver, who combined with Lamirande and Germaine Munger on a new line scored the other.

Smokies' goals were scored by Harold Jones, Gerry Penner and Hugh McIntyre.

Lamirande combined with Munger for the first goal of the game at 6:25 of the second period.

Graver made it 2-0 on a play with Lamirande after 53 seconds of the second period, less than a minute later Lamirande scored from Graver and Munger.

Opening up for the first time, Trail scored three in-a-row in the third, Jones at 3:22, Penner at 7:36 and McIntyre at 8:22.

Graver swept in on Zenier, who came well out of his net to block the shot. The rebound came to Lamirande who had an open net to shoot at for the winner at 17:33.

Only four penalties were called—two to each team.

Palmer Grabs Phoenix Open

PHOENIX, Ariz. (AP)—Arnold Palmer muscled his way to a two-under-par 70 Tuesday to win the rain - plagued $35,000 Phoenix Open golf tournament by one stroke over Gary Player.

Palmer finished the 72 hole tournament in 15-under-par 273.

It marked the third straight Phoenix victory for Palmer. He won in a play-off with Doug Sanders in 1961 and took last year's tournament by 12 strokes.

Player, who last week lost the Palm Springs tournament in a playoff with Jack Nicklaus, trailed Palmer by a stroke starting the final 18 holes over the soggy 6,679-yard par 74 Arizona Country Club course.

He could have tied Palmer had he made a four-foot birdie putt on the 18th hole. But Player missed his shot by six inches.

The victory, Palmer's second on the winter tour, was worth $5,300. Player banked $3,400.

Third place money, $2,200, went to Jack Nicklaus for his 13-under-par 275.
