

Rezoning described as vital if Ch'town to grow properly

It would seem to many observers that provision for rezoning of this particular area is far ahead of the City's interests as far as the City's interests are concerned. It is a large part of the southern part of this area, and also such as the houses in the street. Other consideration must be given to the fact that the rezoning of the people in this area is a matter of public interest. It is not a matter of public interest to run down lanes. Also the rezoning of many of our streets is a matter of public interest. It is a matter of public interest to have a system such as numbering of streets. It is a matter of public interest to have a system such as numbering of streets. It is a matter of public interest to have a system such as numbering of streets.

5-year program sees 13 miles of sewers laid

Following in the report of the water and sewerage commission, the City Council has approved a five-year program to lay 13 miles of sewer lines. The program is being carried out by the City Engineer, Mr. Stewart, who is in charge of the project.

SEWER INSTALLATIONS:
 No major projects were undertaken during the past year. The City Council has approved a five-year program to lay 13 miles of sewer lines. The program is being carried out by the City Engineer, Mr. Stewart, who is in charge of the project.

THE COMPLETION of Sewers and Water Supply spent upwards of \$175,000 on new water mains and sewers as the recommendations contained in the Etymotric Report were pushed to ward completion. The new installations eased the potential fire hazard in parts of the city caused by the lack of water pressure.

THE PURCHASE of the Sports Arena, renamed The Forum, for \$80,000 emphasized the city's growing awareness of the needs of the youngsters of the town. With Wes (Bucko) Truliner as manager, the emphasis is on youth activities at the Forum, with the result that on of the greatest minor hockey programs ever is in operation this winter.

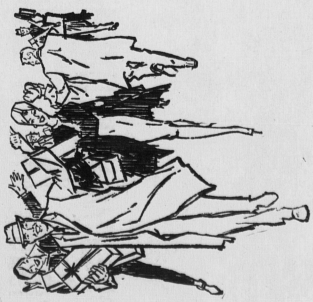

IMPORTANT moves in the field of housing were made in 1963 with the reconvening of the Mayor's Housing Council. The city is awaiting word on the participation of the Provincial Government on a big housing renewal program in order to provide low cost housing for the city's residents.

for more than 70 years . . .
 . . . an integral part of the business life of this community . . . a landmark for residents of the city and rural citizens as well.

your favorite shopping centre . . .
